The Mystery Method Mystery, Chris Odom, 2007-02-06 One of the most admired men in the world of seduction (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from average frustrated chumps. *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

The Pickup Artist Mystery, 2010-01-26 The world's greatest pickup artist is back! After the bestselling exposé *The Game* pulled back the curtain on Mystery and his culture of professional pickup artists, he became an international phenomenon. Unfortunately, while it's no secret that Mystery's ideas are wildly effective, women have started to catch on. They've seen the show and heard the routines—so now it's time for the next level of game! With techniques honed over fifteen years of trial, error, and ultimate triumph, and following his hit VH1 reality series, the celebrated sensei is back with his latest living-large exploits and a new and improved playbook for the twenty-first-century playboy. As the book begins, Mystery and his crew have withdrawn to their swank Miami mansion to plot their next move. When a new student comes to stay at the house, Mystery draws him deep into the pickup-artist lifestyle and shows him an intimate portrait of the master of seduction. Mystery lays out a complete system of game, and unveils his latest (and fully field-tested) strategies and techniques. *The Pickup Artist* includes • a list of all the triggers that create—and destroy—attraction • a new way to approach strangers and start a conversation: microcalibrated openers • Mystery's most powerful humor technique, the Absurd—so you'll never run

out of things to say again • a full chapter on physical escalation (touching, kissing, “making a move”) • the solution to inner-game issues, for when you’re not confident enough • and much, much more Whether he’s holding court with eager disciples in South Beach, hanging out with his crew of fellow super-seducers in Las Vegas, or partying it up in the Hollywood Hills, Mystery is never far from where the action is—and never fails to get a piece of it. Now it’s your turn. Read *The Pickup Artist* and get into the game.

Attraction The initial phase focuses on capturing a woman's interest. Mystery emphasizes creating an aura of intrigue around oneself, employing tactics like peacocking, where one wears distinctive clothing to stand out, and negging, which involves giving playful, backhanded compliments. The importance of non-verbal communication, including body language and eye contact, is also highlighted, along with the art of storytelling to pique interest.
