The Turn of the Key Ruth Ware, 2019-08-06 INSTANT NEW YORK TIMES BESTSELLER From the #1 New York Times bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Death of Mrs. Westaway* comes Ruth Ware's highly anticipated fifth novel. When she stumbles across the ad, she's looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious “smart” home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the unravelling events that led to her incarceration. It wasn't just the constant surveillance from the cameras installed around the house, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman, Jack Grant. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder. Which means someone else is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

Book 4 Ruth Ware, 2018-05 'The Death of Mrs Westaway is Ruth Ware's best: a dark and dramatic thriller, part murder mystery, part family drama, altogether riveting' AJ FINN, bestselling author of *THE WOMAN IN THE WINDOW* When Harriet Westaway receives an unexpected letter telling her she's inherited a substantial bequest from her Cornish grandmother, it seems like the answer to her prayers. She owes money to a loan shark and the threats are getting increasingly aggressive: she needs to get her hands on some cash fast. There's just one problem - Hal's real grandparents died more than twenty years ago. The letter has been sent to the wrong person. But Hal knows that the cold-reading techniques she's honed as a seaside fortune teller could help her con her way to getting the money. If anyone has the skills to turn up at a stranger's funeral and claim a bequest they're not entitled to, it's her. Hal makes a choice that will change her life for ever. But once she embarks on her deception, there is no going back. She must keep going or risk losing everything, even her life... The brand new psychological thriller from the Sunday Times and New York Times bestselling author of *The Woman in Cabin 10*.

The Lying Game Ruth Ware, 2017-07-25 From the New York Times and #1 Globe and Mail bestselling author of *The Woman in Cabin 10* and *In a Dark, Dark Wood*—a novel about the slipperiness of truth and the price of friendships. “I need you.” Three small words that change everything. Isa Wilde knows something terrible has happened when she receives this text from an old friend. Why else would Kate summon her and their two friends Thea and Fatima to the seaside town where they briefly attended school together seventeen years ago? The four friends first met at Salten House boarding school, where they quickly bonded over *The Lying Game*, a risky contest that involved tricking fellow boarders and faculty with their lies. But the game had consequences, and the girls were eventually expelled after Kate’s dad, their beloved art teacher, mysteriously disappeared. Forever bound by their lies but needing to forget their past, they went their separate ways—Kate remaining in Salten while the other three left to start new lives in and around London. Now reunited, Isa, Kate, Thea, and Fatima discover that their past lies had far-reaching effects and criminal implications that threaten them all. In order to protect their reputations, and their friendship, they must uncover the truth about what really happened all those years ago. Atmospheric, twisty, with just the right amount of chill, *The Lying Game* will have readers at the edge of their seats, not knowing who can be trusted in this tangled web of lies.

One by One Ruth Ware, 2021-06-29 The instant #1 bestselling suspenseful thriller set on a snow-covered mountain, by the Agatha Christie of our time. Getting snowed in at a luxurious, rustic ski chalet high in the French Alps doesn’t sound like the worst problem in the world. Especially when there’s a breathtaking vista, a full-service chef and housekeeper, a cozy fire to keep you warm, and others to keep you company. Unless that company happens to be eight coworkers...each with something to gain, something to lose, and something to hide. When the cofounder of Snoop, a trendy London-based tech startup, organizes a weeklong trip for the team in the French Alps, it starts out as a corporate retreat like any other: PowerPoint presentations and strategy sessions broken up by mandatory bonding on the slopes. But as soon as one shareholder upends the agenda by pushing a lucrative but contentious buyout offer, tensions simmer and loyalties are tested. The storm brewing inside the chalet is no match for the one outside, however, and a devastating avalanche leaves the group cut off from all access to the outside world. Even worse, one Snooper fails to return from the slopes after the avalanche hits. As each hour passes without any sign of rescue, panic mounts, the chalet grows colder, and the group dwindles further...one by one.

The Last One Alexandra Oliva, 2017-08-15 Wilderness survival is the name of the game as the line blurs between reality TV and reality itself in this fast-paced novel of suspense in the vein of *Yellowjackets*. “Taut, tense, and at times almost unbearably real.”—Ruth Ware, author of *One by One* She wanted an adventure. She never imagined it would go this far. It begins with a reality TV show. Twelve contestants are sent into the woods to face challenges that will test the limits of their endurance. While they are out there, something terrible happens—but how widespread is the destruction, and has it occurred

naturally or is it man-made? Cut off from society, the contestants know nothing of it. When one of them—a young woman the show’s producers call Zoo—stumbles across the devastation, she can imagine only that it is part of the game. Alone and disoriented, Zoo is heavy with doubt regarding the life—and husband—she left behind, but she refuses to quit. Staggering countless miles across unfamiliar territory, Zoo must summon all her survival skills—and learn new ones as she goes. But as her emotional and physical reserves dwindle, she grasps that the real world might have been altered in terrifying ways—and her ability to parse the charade will be either her triumph or her undoing. Sophisticated and provocative, *The Last One* is a novel that forces us to confront the role that media plays in our perception of what is real: how readily we cast our judgments, how easily we are manipulated. Praise for *The Last One* “[Alexandra] Oliva brilliantly scrutinizes the recorded (and heavily revised) narratives we believe, and the last one hundred pages will have the reader constantly guessing just what Zoo is capable of doing to find her way back home.”—*Washington Post* “A high-concept, high-octane affair . . . The conceit is undoubtedly clever and . . . well executed, but what makes *The Last One* such a page-turner is Zoo herself: practical, tough-minded and appealing.”—*The Guardian* “Oliva takes this (possibly) post-apocalyptic setting, grafts on a knowledgeable skewering of the inner workings of reality television and gives us a gripping story of survival. . . . This is the genius of Oliva’s storytelling. . . . [She] makes a stunning debut with this page turner, and becomes a writer to watch.”—*Seattle Times* “Oliva delivers a pulse-pounding psychological tale of survival. . . . [She] masterfully manipulates her characters and the setting, creating a mash-up of popular TV genres: *Survivor* meets *The Walking Dead*.”—*Bookpage*

Alas, not long after they arrive on the deserted island, things start going wrong. After the first challenge leaves everyone rattled and angry, an overnight storm takes matters from bad to worse.
