The Stranger Upstairs Lisa M. Matlin, 2023-09-12 Most people wouldn't buy an infamous murder house to renovate for fun . . . but Sarah Slade is not most people. "This debut novel deftly explores our shadows—the dark parts of ourselves we don't want others to see. I couldn't stop reading."—Julia Bartz, New York Times bestselling author of *The Writing Retreat* A POPSUGAR BEST BOOK OF THE YEAR A therapist and self-help writer with all the answers, Sarah has just bought a gorgeous Victorian in the community of her dreams. Turns out you can get a killer deal on a house where someone was murdered. Plus, renovating Black Wood House makes for great blog content and a potent distraction from her failing marriage. Good thing nobody knows that her past is as tainted as the bloodstain on her bedroom floor. But the renovations are fast becoming a nightmare. Sarah imagined custom avocado wallpaper, massive profits, and an appreciative husband who would want to share her bed again. Instead, the neighbors hate her guts and her husband still sleeps on the couch. And though the builders attempt to cover up Black Wood's horrifying past, a series of bizarre accidents, threatening notes, and unexplained footsteps in the attic only confirm for Sarah what the rest of the town already knows: Something is very wrong in that house. With every passing moment, Sarah's life spirals further out of control—and with it her sense of reality. But as she peels back the curling wallpaper and discovers the house's secrets, she realizes that the deadly legacy of Black Wood House has only just begun.

The Stranger Upstairs Melanie Raabe, 2018-09-06 From Melanie Raabe, the author of *The Trap*, *The Stranger Upstairs* is another dazzling, dizzying psychological thriller guaranteed to keep you guessing until the very last page. Several years ago, your husband, and the father of your young son, disappeared. Since then, you've dreamed of his return; railed against him for leaving you alone; grieved for your marriage; and, finally, vowed to move on. One morning, the phone rings. When you answer, a voice at the other end tells you your husband's on a plane bound for home, and that you'll see him tomorrow. You've imagined this reunion countless times. Of course you have. But nothing has prepared you for the reality. For you realize you don't know this man. Because he isn't your husband, he's a complete stranger – and he's coming home with you. Even worse, he seems to know about something very bad you once did, something no one else could possibly know about . . . Could they?

Running the Books Avi Steinberg, 2011-10-04 Avi Steinberg is stumped. After defecting from yeshiva to attend Harvard, he has nothing but a senior thesis on Bugs Bunny to show for himself. While his friends and classmates advance in the world, Steinberg remains stuck at a crossroads, his “romantic” existence as a freelance obituary writer no longer cutting it. Seeking direction (and dental insurance) Steinberg takes a job running the library counter at a Boston prison. He is quickly drawn into the community of outcasts that forms among his bookshelves—an assortment of quirky regulars, including con men, pimps, minor prophets, even ghosts—all searching for the perfect book and a connection to the outside world. Steinberg recounts their daily dramas with heartbreak and humor in this one-of-a-kind memoir—a piercing exploration of prison culture and an entertaining tale of one young man’s earnest attempt to find his place in the world.

The Understory Elizabeth Leiknes, 2012 Story Easton knows the first line of every book, but never the last. She never cries, but she fakes it beautifully. And at night, she escapes from the failure of her own life by breaking into the homes of others, and feeling, for a short while, like a different, better person. But one night, as an uninvited guest in someone's empty room, she discovers a story sadder than her own: a boy named Cooper Payne, whose dream of visiting the Amazon rainforest and discovering the moonflower from his favourite book, *Once Upon a Moonflower*, died alongside his father. For reasons even she doesn't entirely understand, Story decides that she will help Cooper and his mother. She will make his dream come true. *The Understory* is a magical, moving, funny, and poignant story of failure and success; of falling apart and rebuilding; and of coincidences that never really are. Part comedy, part drama, and part fairy tale, Elizabeth Leiknes's second novel is a wonder you won't soon forget.
