The Mandate of Heaven S J Marshall,S. J. Marshall,2015-12-14 The Mandate of Heaven was originally given to King Wen in the 11th century BC. King Wen is credited with founding the Zhou dynasty after he received the Mandate from Heaven to attack and overthrow the Shang dynasty. King Wen is also credited with creating the ancient oracle known as the Yijing or Book of Changes. This book validates King Wen's association with the Changes. It uncovers in the Changes a record of a total solar eclipse that was witnessed at King Wen's capital of Feng by his son King Wu, shortly after King Wen had died (before he had a chance to launch the full invasion). The sense of this eclipse as an actual event has been overlooked for three millennia.

It provides an account of the events surrounding the conquest of the Shang and founding of the Zhou dynasty that has never been told. It shows how the earliest layer of the Book of Changes (the Zhouyi) has preserved a hidden history of the Conquest.

**I Talk about History [Shang and Zhou Dynasties]** Zheng Shuo Huang Sang,2025-03-04 With 20 mysterious themes and more than 400 original comics, this book compares the isolated and contradictory historical materials of the pre-Qin Dynasty, analyzes them with each other, and then combines them with archaeological discoveries, customs and traditions to deduce an interesting and complete historical story, which is both reasonable and funny. The historical legends that we are all familiar with (Pangu opened the sky and the earth, Huangdi built the car, Yao and Shun made the Zen Transition, etc.); the classic battles (Battle of Zhuo Deer, Battle of Gan, Battle of Makino, etc.); and the wise kings and mediocre lords (Yao, Shun, Yu, Tang, Wenwu, Xia, Jie, Zhou and Yuwang, etc.) are all told with humorous and fluent writing style, and the painting style is exquisite and lively, so that children will learn about this dusty and mysterious history of the ancient times in a laughing mood. This is an ancient history that makes children put down their cell phones and get addicted to reading.
