Working and Living in Saudi Arabia Grace Edwards, 2021-01-18 'Working and Living in Saudi Arabia' provides valuable cultural and practical business information necessary for all professionals working and travelling to Saudi Arabia, including those who may be working and living in other Middle East countries.

Of Virgins and Martyrs David Jacobson, 2013-01-31 Explores the role of women's status, bodies, and sexuality in global conflicts. Women's bodies have become a battleground. Around the world, people argue about veiling, schooling for Afghan girls, and SlutWalk protests, all of which involve issues of women's sexuality and freedom. Globalization, with its emphasis on human rights and individuality, heats up these arguments. In *Of Virgins and Martyrs*, David Jacobson takes the reader on a fascinating tour of how self-identity developed throughout history and what individualism means for Muslim societies struggling to maintain a sense of honor in a globalized twenty-first century. Some patriarchal societies have come to see women's control of their own sexuality as a threat to a way of life that goes back thousands of years. Many trace their lineage to tribal cultures that were organized around the idea that women's virginity represents the honor of male relatives and the good of the community at large. Anyone or anything that influences women to the contrary is considered a corrupting and potentially calamitous force. Jacobson analyzes the connection between tribal patriarchy and Muslim radicalism through an innovative tool—the tribal patriarchy index. This index helps to illuminate why women's sexuality, dress, and image so compel militant Muslim outrage and sometimes violent action, revealing a deeper human story of how women's status defines competing moral visions of society and why this present clash is erupting with such ferocity.

**Shopping with Allah** Viola Thimm, 2023-09-18 *Shopping with Allah* illustrates the ways in which religion is mobilised in package tourism and how spiritual, economic and gendered practices are combined in a form of tourism where the goal is not purely leisure but also ethical and spiritual cultivation. Focusing on the intersection of gender and Islam, Viola Thimm shows how this intersection develops and changes in a pilgrimage-tourism nexus as part of capitalist and halal consumer markets. Based on extensive ethnographic fieldwork in Malaysia, the United Arab Emirates and Oman, Thimm sheds light on how Islam and gender frame Malaysian religious tourism and pilgrimage to the Arabian Peninsula, but she raises many issues that are of great importance beyond these regional contexts. This book also offers an innovative methodological-analytical toolkit

to research mobility and intersectionality across socio-geographic scales 'Scaling Holistic Intersectionality'. By bringing methodological holism into a fruitful engagement with the antiracist-feminist framework intersectionality, Thimm argues that hierarchical relationships, i.e. marginalisation, power and empowerment, can shift for an individual or a social group depending upon the social sphere. Shopping with Allah will primarily be of interest to readers within the anthropology of gender, the anthropology of Islam and the anthropology of religion more broadly.

**Between Sand and Sea** Dan Feltham, 2024-09-20 To be sure, many men have accomplished much more in a two-year time span than this author, but probably not many so diverse as to what is recorded here. This memoir covers Dan's adventures in 1976 through 1978 while in his mid 40s. The title stems from his multiple sailboat races, including the exciting 1976 Transpacific yacht race to Hawaii, and his hot busy sandy years in Saudi Arabia working for IBM Corporation. He served as an expat at the giant ARAMCO oil company helping to manage their complex data processing needs. The book includes some Middle Eastern history, information about Islam and the Qur'an, plus a few trips to surrounding countries such as Kashmir, India, central Iran, France, and Northern Europe. A few love affairs are mentioned without too many details.

**Changing Qatar** Geoff Harkness, 2020-07-28 A cultural study of modern Qatar and how it navigates change and tradition Qatar, an ambitious country in the Arabian Gulf, grabbed headlines as the first Middle Eastern nation selected to host the FIFA World Cup. As the wealthiest country in the world—and one of the fastest-growing—it is known for its capital, Doha, which boasts a striking, futuristic skyline. In *Changing Qatar*, Geoff Harkness takes us beyond the headlines, providing a fresh perspective on modern-day life in the increasingly visible Gulf. Drawing on three years of immersive fieldwork and more than a hundred interviews, he describes a country in transition, one struggling to negotiate the fluid boundaries of culture, tradition, and modernity. Harkness shows how Qataris reaffirm—and challenge—traditions in many areas of everyday life, from dating and marriage, to clothing and humor, to gender and sports. A cultural study of citizenship in modern Qatar, this book offers an illuminating portrait that cannot be found elsewhere.

**Late for Tea at the Deer Palace** Tamara Chalabi,2011-01-18 For Tamara Chalabi, Iraq is more than a country of war and controversy; it is a place of poignant memory. For much of the twentieth century, the Chalabis were among the most influential families in Iraq. In the 1920s they were at the forefront of their country's awakening to modernity, and they played an integral part in the establishment of its monarchy. As courtiers, politicians, businessmen, rebels, merchants, and scholars, the Chalabis enjoyed vast privilege until the end of the 1950s, when they were forced to flee to the land of exile, myth, and imagination, where their beloved homeland took on the quality of a phantom country. In between came rebellions, foreign interventions, and the transformative development of oil wealth. But in 2003, after a lifetime of exile, Tamara arrived in Baghdad just ten days after the city's fall, in the company of her father, Ahmad Chalabi, a leading opposition figure against the Saddam regime. Late for Tea at the Deer Palace chronicles a daughter's return to a homeland she'd known only through stories and her own imagination. As she investigates four generations of her family's history, Tamara offers a rich portrait of Middle Eastern family life and a provocative look at a lost Iraq. The story is populated by an array of unforgettable characters, among them Tamara's great-grandfather Abdul Hussein Chalabi, who as a member of the Ottoman parliament witnessed the end of the empire in Baghdad and the birth of the modern Iraqi state at the hands of the British; her grandfather Abdul Hadi Chalabi, who became one of the wealthiest men in Iraq and had strong ties with the British during World War II; and her grandmother Bibi, a grande dame who presided over Iraq's social and political life during Baghdad's 1920s and '30s heyday as the Paris of the Middle East. At once intimate and magisterial, Late for Tea at the Deer Palace vividly captures the rich, overlooked history of a country that has been uprooted by war and a family that has persevered by never forgetting its dreams or its past.
