## **Switchwords For Financial Miracles: The Subtle Art Of Creating Your Own Reality** Monika Pavlickova,2020-02-29

SWITCHWORDS are super powerful words that can bypass your conscious mind and directly influence your subconscious mind. They are very easy and fun to use. Create the life of your dreams with Swichwords. My ex-boss was a short, blood-sucking vampire. His cold eyes and a steely glare that could kill a fly on the spot. Many believed that he has been possessed by demons and attending demonic sessions. When he asked you a question, he would move his head to one side and ask weird questions and shout and scream. I would work my ass off to get clients not only for me but also for his business. He always wanted more and more clients and increased business revenue without wanting to spend any of his dimes on marketing and advertising. On top of it, the receptionist did everything she could to repel any good client and kept offering them her own services. She was grimacing on virtually all clients. Despite all of this, I kept working hard, did cold calling every day and invested my own money on getting the leads and draining my savings account. I couldn't sleep at night from all the mental abuse and physical exhaustion. Also, at that time I was interested in a guy who promised me collaboration and

promotion of my business. Of course, it didn't happen and worse than that, he chose to help a prostitute get some work and promotion. I had nobody to turn to so I turned to alcohol for help to soothe the pain. I went through a mental breakdown and wanted to commit suicide many times. I had no hope and didn't know how to get out of the black magic spell. One morning when I woke up in pain and covered in blood and emotionally, spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW! I couldn't get up and passed out. I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance. Who did that? I DID. Who does that? YOU DO. Up to your eyeballs in debt. Just to have your name on the business door. The SS spiritual guru had a diamond ring. I called it a blood diamond. Because I knew every bit of the blood, sweat, and tears it took to get new clients for the business. He would twist that ring around his finger the whole time he leered at me and talked down to you. I lived with my neck under the SS boss boot until the day I discovered and applied the secrets mentioned in this book and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES. Spending thousands of pounds on the law of attraction training and books did not work. Applying ancient knowledge from my books, changing my beliefs, applying the right strategies and choosing my own preferred reality did work. In 6 weeks I went from 15-2- leads per week to 50-100 per week. And I went from chasing and begging the clients to actually clients chasing and begging me to get an appointment. Fast forward a couple of years... I own international businesses that are profitable, have enough quality leads, clients waiting list and my life is happy and peaceful. It's the ONE Decision I made that made it happen. I started investing in myself and studies reality creation secrets. And from then my life has completely changed because now I have multiple thriving online businesses and have a partner who adores me, loves me and is very proud of me. I went from 0 to hero within a few months just applying the simple wisdom and techniques mentioned in the amazing book. Your life can change too, it is just one decision away from you. Kick-Ass In Life and In Business!

**The Blue Book on Information Age Inquiry, Instruction and Literacy** Daniel Callison,Leslie B. Preddy,2006-09-30

Based on many years of columns from School Library Media Activities Monthly , authors, Daniel Callison and Leslie Preddy present key terms in a working theoretical model that may be used in developing and understanding the power of information inquiry in instruction. This book is both a revision and an update to Key Words, Concepts and Methods for Information Age Instruction (LMS Associates, 2003). New columns from School Library Media Activities Monthly are included and entirely new key words for instruction are introduced. These key terms have immediate value for staff development purposes. They are reproducible and can be used in building year-long study group programmes in schools and libraries or as weekly discussion handouts. An entirely new section on inquiry has been added. An in-depth and invaluable section of resources and web sites has been updated. In addition to the theoretical base, the authors include much practical instructional application for immediate use. The Blue Book on Information Age Inquiry, Instruction and Literacy is the new definitive work on information inquiry and information literacy instruction. The authors have thoughtfully blended theories in education and library science in a book that finally gives us a picture of the huge role of the school library media specialist as both a teacher and a librarian who needs to understand, interpret and instruct students in the skill of inquiry, the basis of all learning. -- Back cover.

Why do companies kill creativity? Does Shark Tank teach us something about the way we pursue success that isn’t true? We’ve been told that working harder and smarter is the only way to succeed in business and life. But it’s not true. Hustle culture is causing burnout and pain in our lives, making us feel divided. What if instead we focused on working creatively with others? And asked How can we shape cultures people love? There is hope in co-creation. *Brave Together* is a deep exploration into how we can live and lead as co-creators, filled with unexpected stories, powerful principles, and a future-oriented framework. The authors have pressure-tested this work with startups and Fortune 500s—including Apple. Coaching leaders how to reimagine their approach to culture, converting creative ideas into billion-dollar solutions with the help of these patterns: The Mirror Test: Take ownership of your reality and your creative identity. The Hero’s Sacrifice: Break free of ego to connect with others in inspiring ways. Become the Future: Create a synthesis, manifesting the best in mind, heart, and spirit. With poetry, memory, proverb, and wit, contributors from Emily Dickinson to Madonna, Louisa May Alcott to Maya Angelou, revel in their tales of motherhood and mothers—creating a warm-hearted, soul-strengthening collection that is the perfect gift for anyone who has ever been—or even knows—a mother or a daughter. I’ve never felt anything like it in my life, it’s an amazing love. —Gwynneth Paltrow, on her daughter Apple What do girls do who haven’t any mothers to help them through their troubles? —Louisa May Alcott Mother is food; she is love; she is warmth; she is earth. To be loved by her means to be alive, to be rooted, to be at home. —Erich Fromm
