

Are You There Vodka Its Me Chelsea

Chelsea Handler

Are You There, Vodka? It's Me, Chelsea Chelsea Handler, 2008-04-22 Welcome to Chelsea Handler's world—a place where absurdity reigns supreme and a quick wit is the best line of defense. When Chelsea Handler needs to get a few things off her chest, she appeals to a higher power—vodka. Seems reasonable, when considering that she discovered her boyfriend was having an affair with a Peekapoo and she had to pretend to be honeymooning with her father in order to upgrade to first class. In this highly entertaining, deliciously skewed collection, Chelsea mines her past for stories about her family, relationships, and career that are at once singular and ridiculous. Whether she's convincing her third-grade class that she has been chosen to play Goldie Hawn's daughter in the sequel to Private Benjamin, deciding to be more egalitarian by dating a redhead, or looking out for a foulmouthed, rum-swilling little person who looks just like her...only smaller, Chelsea has a knack for getting herself into the most outrageous situations. *Are You There, Vodka? It's Me, Chelsea* showcases the candor and irresistible turns of phrase that have made her one of the freshest voices in comedy today.

Are You There, Vodka? It's Me, Chelsea Chelsea Handler, 2009-12-29 In a word: hilarious. . . . These are some of the funniest stories I have ever read and they're also some of the most unexpectedly heartfelt--Laura Zigman, author of *Animal Husbandry*.

My Horizontal Life Chelsea Handler, 2013-04-30 In this raucous collection of personal stories, the bestselling author of *Life Will Be the Death of Me* recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men. *My Horizontal Life* chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. *My Horizontal Life* is one guilty pleasure you won't be ashamed to talk about in the morning.

Chelsea Chelsea Bang Bang Chelsea Handler, 2010-04-01 In these personal essays, the hilarious comedian and Chelsea Lately host reflects on family, love life, and the absurdities of adulthood with cheeky candor and signature wit (Philadelphia Inquirer). Life doesn't get more hilarious than when Chelsea Handler takes aim with her irreverent wit. Who else would send all-staff emails to smoke out the dumbest people on her show? Now, in this new collection of original essays, the #1 bestselling author of *Are You There, Vodka? It's Me, Chelsea* delivers one laugh-out-loud moment after another as she sets her sights on the ridiculous side of childhood, adulthood, and daughterhood. Family moments are fair game, whether it's writing a report on Reaganomics to earn a Cabbage Patch doll, or teaching her father social graces by ordering him to stay indoors. It's open season on her love life, from playing a prank on her boyfriend (using a ravioli, a fake autopsy, and the Santa Monica pier) to adopting a dog so she can snuggle with someone who doesn't talk. And everyone better duck for cover when her beach vacation turns into matchmaking gone wild. Outrageously funny and deliciously wicked, *Chelsea Chelsea Bang Bang* is good good good good! Chelsea Handler on . . . Being unpopular: My parents couldn't have been more unreasonable when it came to fads or clothes that weren't purchased at a pharmacy. Living with her boyfriend: He's similar to a large toddler, the only difference being he doesn't cry when he wakes up. Appreciating her brother: He's a certified public accountant, and I have a real life. Arm-wrestling a maid of honor: It wasn't her strength that intimidated me. It was the starry way her eyes focused on me, like Mike Tyson getting ready to feed.

My Horizontal Life Chelsea Handler, 2007 'Many people feel like a one-night stand is something to be ashamed or embarrassed of. I disagree...' We've all (well not quite all, perhaps) had at least one: a one-night stand. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night-stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men... Lots of them. *My Horizontal Life* chronicles Chelsea's romps through the bedrooms of a host of potential suitors, uncovering what can happen in one night of passion between a man and a sometimes very intoxicated woman. From her short fling with a Vegas stripper named Thunder to her even shorter fling with a very short man, she recalls her myriad one-night stands with hilarious honesty. *My Horizontal Life* is a sensationally frank and funny memoir of sexual life, and a gloriously quirky take on why we do the things we do. Whether you have been there yourself or not, its one guilty pleasure you won't be ashamed to talk about in the morning...

I'll Have What She's Having Chelsea Handler, 2025-02-25 In hilarious and tender essays, #1 New York Times bestselling author Chelsea Handler shares her unforgettable story of becoming the woman she always wanted to be. There's a woman I want to become, Chelsea Handler thought as a child. She'll be strong and confident. She'll light up a room and spread that light to make others feel better. She'll make a living being herself. She'll be a survivor. At ten years old, Chelsea opened a lemonade stand and realized she'd make more money if the drinks were spiked. So she added vodka to her recipe and used

her earnings to upgrade herself to first-class on a family vacation—leaving her parents and siblings in coach. She moved to Los Angeles and got fired from her temp job when she admitted she didn't know how to transfer calls. She's played pickleball with the scions of an American dynasty. She's sexted a governor. She shared psychedelics with strangers in Spain. When she accidentally ended up at dinner with Woody Allen, she was not going to leave the table without asking him a very personal pointed question. She went on national television and talked about having threesomes. She's never been one to hold back. But this life of adventure and absurdity is only part of her story. Chelsea knows what it is to truly show up for her family—canine and human, biological and chosen. She's discovered how to spend time with herself, how to meditate, how to be open to love, and how to end a relationship with dignity. She is a sister to the many women who rely on her. Surprisingly vulnerable and always outrageous, Chelsea Handler captures the antic-filled, exhilarating, and joyful life she's built—a life that makes the rest of us think, I'll have what she's having.

Life As I Blow It Sarah Colonna, 2012-02-07 In this wickedly funny and irreverent memoir, Chelsea Lately writer and comedian Sarah Colonna opens up about love, life, and pursuing her dreams . . . and then screwing it all up. Sarah believes we all struggle to grow up. Sometimes we want to have fun, not take things too seriously, and have that fourth margarita. Other times we would like to get married, stay in, order Chinese food, and have a responsible, secure life. From her formative years in small-town Arkansas to a later career of dates, drinks, and questionable day jobs, Colonna attempts to reconcile her responsible side with her fun-loving side. Sometimes this pans out, and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty. She moves to Los Angeles to pursue acting, but for years is forced to hone her bartending skills; she wants a serious boyfriend, but won't give up nights at the bar with her friends. She tries to behave like an adult, but can't seem to stop acting like a frat boy. In the end, she discovers that there doesn't have to be just one or the other. And if there's one thing Colonna has learned from her many missteps, it's that hindsight is always 100 proof. Includes a Foreword by Chelsea Handler

Life Will Be the Death of Me Chelsea Handler, 2019-04-09 #1 NEW YORK TIMES BESTSELLER • “This will be one of your favorite books of all time. Through her intensely vulnerable, honest, and hilarious reflections, Chelsea shows us more than just her insides. She shows us ourselves.”—Amy Schumer Don't miss Chelsea Handler's new Netflix stand-up special, *Revolution*, now streaming! In the wake of President Donald Trump's election, feeling that her country—her life—has become unrecognizable, Chelsea Handler has an awakening. Fed up with the privileged bubble she's lived in, she decides it's time to make some changes. She embarks on a year of self-sufficiency and goes into therapy, prepared to do the heavy lifting required to make sense of a childhood that ended abruptly with the death of her brother. She meets her match in an earnest, nerdy shrink who dissects her anger and gets her to confront her fear of intimacy. Out in the world, she channels her outrage into social action and finds her voice as an advocate for change. With the love and support of an eccentric cast of friends,

assistants, family members (alive and dead), and a pair of emotionally withholding rescue dogs, Chelsea digs deep into the trauma that shaped her inimitable worldview and unearths some glittering truths that light up the road ahead. Thrillingly honest and insightful, Chelsea Handler's darkly comic memoir is also a clever and sly work of inspiration that gets us to ask ourselves what really matters in our own lives.

The Quotable Guide to Punctuation Stephen Spector, 2017-10-10 This book makes punctuation more fun and easier to learn than traditional approaches do. It teaches the natural way, by example: each lesson begins with quotes that exemplify good punctuation and sentence structure. Quotations are humorous and informative, drawn from the words of notable figures--Shakespeare, Mark Twain, Jerry Seinfeld, Taylor Swift, Beyoncé, Jennifer Lawrence, and many others. Short essays accompany each lesson, showing how each punctuation mark originated and how its use has altered over time. Correct punctuation is vital for clear, accurate, and natural writing. Anyone preparing a course assignment, applying for a job or for college admission, or doing any other formal writing needs to know the standard conventions of punctuation. Yet many people have never been taught how to punctuate. A necessary addition to any writer's bookshelf, this enjoyable book will teach readers to punctuate effectively and confidently--through over 500 memorable quotes and clear explanations of the rules.

Uganda Be Kidding Me Chelsea Handler, 2014-03-04 In this uproarious collection of travel essays, Chelsea Handler sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side--except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, *Uganda Be Kidding Me* has Chelsea taking on the world, one laugh-out-loud incident at a time.

100 Facts about Are You There, Vodka? It's Me, Chelsea That Even the CIA Doesn't Know Chris Strong, 2013-03 In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of *Are You There, Vodka? It's Me, Chelsea*. Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Man Up! Ross Mathews,2013-05-07 As a young kid growing up in a farm town, Ross Mathews might as well have wished for a pet unicorn or a calorie-free cookie tree to grow in his front yard. Either of those far-fetched fantasies would have been more likely to come true than his real dream: working in television in Hollywood, California. Seriously, that stuff just doesn't happen to people like Ross. But guess what. It totally did. Now, with his first book, Ross takes us inside his journey as a super-fan, revealing the most embarrassing and hilarious moments of his small-town life and big-city adventures. From learning to swear like a hardened trucker to that time in high school when had to face down the most frightening opponent of all (his girlfriend's lady bits), Ross holds nothing back. Oh, then there's his surprisingly shady past involving the cutest pair of plus-sized women's pajama bottoms, deliciously dangerous pot butter, and embezzled sandwiches. And, of course, how he's managed to turn an obsession with pop-culture into one-on-one interactions with celebrities like Gwyneth Paltrow, Tiffani-Amber Theissen, Madonna, Michelle Kwan, and countless more without ever having a single restraining order issued against him. Infused with Ross's trademark humor, unique voice, and total honesty, MAN UP! is a mission statement for anyone who doesn't fit the mold. His hasn't been the most traditional way to build a career in Hollywood, but Ross has somehow managed to make his mark without ever compromising who he is. He is as serious about this as he is about Golden Girls trivia: You don't need to change who you are to achieve your dreams (although there's nothing wrong with a makeover every now and then). You just need to Man Up!
