Never Call Retreat Bruce Catton, 2013-07-24 A magnificent stylist . . . a first-rate historian. Familiarity with subject matter resulting from many years of study and narrative talents exceeding those of any other Civil War historian enable him to move along swiftly and smoothly and produce a story that is informative, dramatic, and absorbingly interesting. —Dr. Bell I. Wiley, after reading the manuscript of *Never Call Retreat* The final volume of Bruce Catton's monumental Centennial History of the Civil War traces the war from Fredericksburg through the succeeding grim and relentless campaigns to the Courthouse at Appomattox and the death of Lincoln. This is an eloquent study of the bitterest years of the war when death slashed the country with a brutality unparalleled in the history of the United States. Through the kaleidoscope tone and temper of the struggle, two men, different in stature, but similar in dedication to their awesome tasks, grappled with the burden of being leaders both in politics and war. In the north Lincoln remained resolute in the belief that a house divided against itself could not stand. His determination and uncanny vision of the destiny of the country and its people far transcended the plaguing tensions, fears, and frustrations of his cabinet and Congress. Mr. Lincoln's use of vast resources is brilliantly contrasted to Davis's valiant struggle for political and economic stability in a hopelessly fragmented and underdeveloped south. Though Davis never lacked for spirit and dedication, his handicaps were severe. This was not a war to

be won by static ideals and romanticism. As Mr. Lincoln managed to expand and intensify the ideals that sustained the Northern war effort, Mr. Davis was never able to enlarge the South's. This was a war to be won by flexibility in thought, strength in supplies, and battles. And so they were fought--Fredericksburg, The Wilderness, Chancellorsville, Vicksburg, Gettysburg.

Grant Moves South Bruce Catton, 2015-11-03 A Pulitzer Prize-winning historian looks at the complex, controversial Union commander who ensured the Confederacy's downfall in the Civil War. In this New York Times bestseller, preeminent Civil War historian Bruce Catton narrows his focus on commander Ulysses S. Grant, whose bold tactics and relentless dedication to the Union ultimately ensured a Northern victory in the nation's bloodiest conflict. While a succession of Union generals—from McClellan to Burnside to Hooker to Meade—were losing battles and sacrificing troops due to ego, egregious errors, and incompetence, an unassuming Federal Army commander was excelling in the Western theater of operations. Though unskilled in military power politics and disregarded by his peers, Colonel Grant, commander of the Twenty-First Illinois Volunteer Infantry, was proving to be an unstoppable force. He won victory after victory at Belmont, Fort Henry, and Fort Donelson, while brilliantly avoiding near-catastrophe and ultimately triumphing at Shiloh. And Grant's bold maneuvers at Vicksburg would cost the Confederacy its invaluable lifeline: the Mississippi River. But destiny and President Lincoln had even loftier plans for Grant, placing nothing less than the future of an entire nation in the capable hands of the North's most valuable military leader. Based in large part on military communiqués, personal eyewitness accounts, and Grant's own writings, Catton's extraordinary history offers readers an insightful look at arguably the most innovative Civil War battlefield strategist, unmatched by even the South's legendary Robert E. Lee.

Bruce Catton's America Bruce Catton, 2017-02-08 No one has ever told America's story with more grace, clarity, and emotional power than Pulitzer Prize winner Bruce Catton. In his books, ranging from the celebrated Civil War trilogies to the account of his boyhood in back-country Michigan, Catton brought the people of the past to such vivid life that he became the nation's best-loved and most widely read historian. Bruce Catton's friend and associate for many years, Oliver Jensen, has assembled this volume of selections of Catton's works - as a memorial to the man and a tribute to the historian. The excerpts chosen for Bruce Catton's America include portions of *A Stillness at Appomattox*, which won both the Pulitzer Prize and the National Book Award; *The American Heritage History of the Civil War*, awarded a special Pulitzer Prize Citation; and representative selections from many other books and articles. The book also includes several previously unpublished pieces. Bruce Catton helped to create *American Heritage* magazine in 1954 and continued to influence it for the next twenty-four years - first as editor, then as senior editor and a frequent contributor. He spent much of his adult life as a newspaperman in the Midwest and Washington, D.C., and became a historian by logical extension. Although best known as the greatest writer on the Civil War, he had wide-ranging interests. To those who are familiar with Bruce Catton's work, these selections will

appear as old friends whose company never fails to provide enjoyment, stimulation, and a deep sense of worth. For those who have not yet read him, Bruce Catton's America will be an introduction to historical writing at its best.
