Cambridge ESOL

CAE Practice Tests Mark Harrison, Rosalie Kerr, 1999 A set of five practice tests for the Cambridge Certificate in Advanced English exam, revised to take account of the requirements from December 1999. The authors' close involvement in the CAE enables students to practice exam questions which genuinely replicate the real test papers. Each reading text is taken from a different source, giving students experience in coping with a wide variety of authentic material. Photocopiable answer sheets give students the opportunity to practise transferring their answers from the test paper, reducing the risk of making mistakes under pressure. Teachers and students can also learn about the marking scheme in the With Answers edition through detailed notes and real examples of students' compositions.
