The Leading Lady Her Life and Her Influence Marjorie O Esomowei, 2022-05-18 In this book, pastor Marjorie O Esomowei presents a compelling case of why a woman should arise to take their place in leadership without compromising their femininity. She takes an intelligent approach that will inspire women from all walks of life and encourage them to be a catalyst for change. Using biblical examples and recent case studies, Pastor Esomowei skillfully pulls out principles that will help women redefine how to show up unapologetically powerful in businesses, ministries, industries, and government as a solution to world problems. She is a gritty, honest, and dynamic writer, and I am confident you will enjoy her fresh perspective. Dr. Cindy Trimm

PUSH Cindy Trimm, 2014-07-01 Your Breakthrough Is Only a PUSH Away Today's world knows little about perseverance. This is why so few people become innovators, entrepreneurs, and world-changers. Success is bypassed, not due to a lack of opportunity, but because we don't know how to maximize the opportunities in front of us and PUSH - persevere until success happens. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers—it is another thing to join their ranks. Learn how to: • Carry your dreams, visions, and goals “full term” and to complete fulfillment • Exercise the power of faith to overcome the impossible and release God's supernatural purposes into your life • Resist the temptation to ‘cave’ under pressure and press on even when you don't feel like it anymore • Empower others to fulfill their divine destinies through co-laboring with them “If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your dreams and accomplish your goals. This book is written to give you that extra push.” —Cindy Trimm

When Kingdoms Clash Cindy Trimm, 2012-09-18 Harness the power of prayer The front lines of the clash between the kingdoms of darkness and light do not usually happen in our churches; they happen in our lives—in our workplaces, neighborhoods, where our children go to school, in our voting booths, and in the halls of influence. Our churches should be places of equipping and coordinating, but then we have to take this fight to the streets through daily prayer. When Kingdoms Clash takes you from the planning stages and strategies of prayer into the heat of the battle, showing you how to stand strong when things get intense. Using historical illustrations and teaching from Scripture, Cindy Trimm provides the tools

you need to understand the power of prayer as never before. Battles are raging and the stakes are high; only through prayer will God's kingdom prevail.

THE PRESIDENTS NEED A KING Joy Molele,2024-08-21 Politics is often referred to as a battle of thrones. As life in the spirit, politics also has its roots in the spirit. Spiritual intelligence is essential in politics, as it is a battle of souls that determines who gains control over state resources. The number of voters plays a crucial role in elections but the spiritual intelligence of leaders and organizations is often overlooked. Governing positions are considered spiritual, with thrones traditionally inherited by kings. The book emphasizes how applying spiritual intelligence derived from the Bible will bring order, justice, righteousness, prophetic instructions, and welfare to the political system. All believers should be united to choose righteous leaders to rule over them across all nations, politically. Ultimately, the call is for every citizen and leader in organizations and societies to return to godly principles and values to gain peace, prosperity, and justice. This is how we can hand over a Godly nation to the next generation that loves and honor God in all their deeds.
