**Eric J. Tully**

The Making of American Liberal Theology Gary J. Dorrien,2001-01-01 This text identifies the indigenous roots of American liberal theology and uncovers a wider, longer-running tradition than has been thought. Taking a narrative approach the text provides a biographical reading of important religious thinkers of the time.

**The Writings of Harriet Beecher Stowe** Harriet Beecher Stowe,1896

*Letters To My Son Your Mother* Ariel Brooks,2025-08-22 Based on true events with all names changed for the sake of anonymity, the majority of the content in this book is based on the diary of activities, conversations and events in the life of a three year old victim of child sex abuse. The heartbreaking events uncovered during his therapy and legal process provide tips and guidelines to help detect, prevent, and heal child sex abuse. At least two strangleholds keeping child sex abuse a secret for centuries are exposed in detail as well as the spiritual nature of human beings and redemption possibilities for perpetrators. The aim is to help eradicate this heinous crime and usher in a new earth where such evil can no longer exist.

**The Writings of Harriet Beecher Stowe** Stowe,1896

Life's Challenges.. Your Opportunities John Hagee,2010-09-24 This book will change your life and the way you think about problems for the rest of your life. Problems don't happen only to bad people. Bad problems happen to good people, too. Everyone has problems, thus everyone needs to understand why they happen, and what we can do about them. We also need to know about the promises of God and about the supernatural provisions available for every problem you ever face.

*The Publishing History of Uncle Tom's Cabin, 1852-2002* Dr Claire Parfait,2013-04-28 Uncle Tom's Cabin continues to provoke impassioned discussions among scholars; to serve as the inspiration for theater, film, and dance; and to be the locus of much heated debate surrounding race relations in the United States. It is also one of the most remarkable print-based texts in U.S. publishing history. And yet, until now, no book-length study has traced the tumultuous publishing history of this most famous of antislavery novels. Among the major issues Claire Parfait addresses in her detailed account are the conditions of female authorship, the structures of copyright, author-publisher relations, agency, and literary economics. To follow the trail of the book over 150 years is to track the course of American culture, and to read the various editions is to gain insight into the most basic structures, formations, and formulations of literary culture during the period. Parfait interrelates the cultural status of this still controversial novel with its publishing history, and thus also chronicles the changing mood and

mores of the nation during the past century and a half. Scholars of Stowe, of American literature and culture, and of publishing history will find this impressive and compelling work invaluable.

**Reading the Prophets as Christian Scripture (Reading Christian Scripture)** Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture. Although it covers critical issues such as authorship, background, and history, its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon. Particular attention is given to literary issues, such as the structure of each prophetic book. Full-color illustrations, diagrams, and artwork bring the text to life. Additional resources for instructors and students are available through Textbook eSources.

*The Novels of Harriet Beecher Stowe* Alice Crozier, 1969 A critical reassessment of her novels and literary accomplishment, revealing her to have been a writer of considerable imaginative power and unusual foresight.

**"We Must Be Up and Doing"** Teresa C. Zackodnik, 2010-03-11 African American women have been "up and doing" for their communities for as long as they have been in the United States, and their ability to resist the institution of slavery was central to the survival of African Americans. This anthology gives readers access to African American feminist thought in its foundational period by drawing together key documents from the late 1820s through the 1920s. Going beyond a focus on the "greats" of black feminism to include lesser known figures, "We Must Be Up and Doing" offers a broad and contextualized look at the critical mass early black feminism achieved by including a variety of genres, such as the spiritual autobiography, the platform speech, periodical articles, pamphlets, fiction, and excerpts from convention and conference proceedings.

Transatlantic Spectacles of Race Kimberly Snyder Manganelli, 2012-02-28 The tragic mulatta was a stock figure in nineteenth-century American literature, an attractive mixed-race woman who became a casualty of the color line. The tragic muse was an equally familiar figure in Victorian British culture, an exotic and alluring Jewish actress whose profession placed her alongside the "fallen woman." In *Transatlantic Spectacles of Race*, Kimberly Manganelli argues that the tragic mulatta and tragic muse, who have heretofore been read separately, must be understood as two sides of the same phenomenon. In both cases, the eroticized and racialized female body is put on public display, as a highly enticing commodity in the nineteenth-century marketplace. Tracing these figures through American, British, and French literature and culture, Manganelli constructs a host of surprising literary genealogies, from *Zelica* to *Daniel Deronda*, from *Uncle Tom's Cabin* to *Lady Audley's Secret*. Bringing together an impressive array of cultural texts that includes novels, melodramas, travel narratives, diaries, and illustrations, *Transatlantic Spectacles of Race* reveals the value of transcending literary, national, and racial boundaries.

*Uncle Tom's Cabin* By *Harriet Beecher Stowe* Harriet Beecher Stowe,2014-05-23 Late in the afternoon of a chilly day in February, two gentlemen were sitting alone over their wine, in a well-furnished dining parlor, in the town of P—, in Kentucky. There were no servants present, and the gentlemen, with chairs closely approaching, seemed to be discussing some subject with great earnestness.
