Visit our brand name at the top for a wide variety of black covers products.

A Primer in Theatre History William Grange,2012-12-14 A Primer in Theatre History covers productions, personalities, theories, innovations, and plays from ancient Greece to the Spanish Golden Age. Grange discusses theatre from 534 BC in Athens to 1681 AD in Madrid. The book contains highly informative chapters on theatre culture in the ancient classical world, the medieval period, the Italian Renaissance, classical Asia, German-speaking Europe, France to 1658, and England to 1642. Following a wide-ranging introduction, chapters allow the uninitiated reader straightforward access to well-researched material, often presented in a humorous and approachable fashion. Descriptions of films augment discussions of theatre, while an extended bibliography and comprehensive index assist the reader in making further inquiries. Each chapter features illustrations by Mallory Prucha, a designer and graphic illustrator who has received several awards at theatre conferences around the US. A Primer in Theatre History does not read like a scholarly tome. Its whimsical wrinkles offer readers a more contemporaneous view of theatre than is customary. It employs, for example, frequent references to movies germane to topics and time periods under discussion. Such use of film promotes familiarity among younger readers, who can then appropriate analogies to theatre performance.

Hostage to Fortune Carolyn McCrae,2017-11-21 The eighth novel from award-winning author Carolyn McCrae Hostage to Fortune is an intriguing, well written, tightly-plotted and entirely satisfyingly completed story with a twist. Husband and

wife team, Skye and Fergal Shepherd, specialise in researching family histories but also act as consultant investigators to a section of the Security Services run by Gordon Hamilton. Having met in *A Set of Lies* they completed their first assignment in *Second Strand* and are called upon again in *Hostage to Fortune*. Gordon asks them to investigate the disappearance of Diane Hammill, a keeper of a safe house. Within a few days they believe they have located her but, against direct instructions, they then involve themselves in two other, seemingly unconnected, events that occur in Diane's home town within days of her disappearance: the assassination of prominent politician, Warwick Eden, and the apparent suicide of Ryan O'Donnell, a crew-member on Eden's luxury yacht. Skye and Fergal focus their attention on Guy Cliffe, another member of Eden's yacht crew, whose family appears to be linked to Warwick Eden's dead brother, Barford. What they learn of four generations of the Eden family leads them to Southern Spain, to the horrific events of 1936 and that country's Civil War and it is there that they find the solution to the mystery Gordon had intended them to investigate all along; not Diane's disappearance, not the assassination, nor the subsequent murders, but something altogether more interesting. Set in Devon, the Caribbean and Spain, *Hostage to Fortune* will appeal to fans of non-formulaic crime and mystery fiction.

Jabberwocky Clark Hanjian, 1989-12-10 *A Brief History of the Martha's Vineyard Cerebral Palsy Camp*.

Abraham Lincoln: was He a Christian? John Eleazer Remsburg, 1893

Righteous Orientation Alfred Phillips Jr., 2011-08-29 Author Alfred Phillips Jr. envisions a new world order where races, countries, and religions interact with each other differently than in the past. In *Righteous Orientation*, he details the development of this new world order and shows that it is essential for members of black society, Source-Ken World, to change how they see themselves in order to live well. Using new vocabulary and language to present this fresh world order that he calls the Great-Global Source-Ken Family. Phillips shares a thought-provoking plan. *Righteous Orientation* provides an overview of the 200,000-year wave of human life in which Source-Ken World are the key players; an elaborate glossary for the new words, a new time basis for humans, realistic expectations on how human systems change, and a discussion of pre-human primates; a review of organization, intelligence quotients and standardized tests, solving the HIV-Aids problem, DNA, accountability (reparations), belief system, and vital relations between Source-Ken World; a discussion of how to answer many questions from the past. *Righteous Orientation* presents a righteous, fulfilling, and sustainable way forward for all conscious sentient beings.

What Wondrous Love David H. Thiele, 2014 *What Wondrous Love* delves into the controversial topic of unconditional love, examining the history of the concept, its infiltration into the theology of the church, and its dangerous effects. Although some may feel that author David Thiele downplays God's love, in reality he points readers to a truer understanding of God's love and His nature as revealed in Scripture and expounded upon in the Spirit of Prophecy, reminding all that Jesus came to this world to fulfill every condition of the righteous law of love. In so doing, we are granted the opportunity to overcome sin

as Christ did and be reunited with our heavenly Father when Christ returns - What Wondrous Love, indeed!--Page 4 of cover.

The Standardization of Error Vilhjalmur Stefansson, 1928

Second Strand Carolyn McCrae, 2016-09-15 Second Strand is an excellently written, well-plotted murder mystery and is the 7th novel from award-winning author Carolyn McCrae. Alex and Teri are on the verge of breaking up after 12 years together when their elderly neighbour is found dying and their plans are put on hold. Two days later Alex, the police's only suspect in what is now a murder investigation, disappears without trace. Private investigators, hired by Teri, learn that Alex is the lost son of the victim but tracing the family's history proves to be more difficult than it should have been. If they are to find Alex, and establish his innocence, they must identify the connections between this killing and one, still unsolved, which took place in the same town two years earlier. Carolyn McCrae, whose first novel The Last Dance won the prestigious David St John Thomas Prize for Self-Published Fiction, has cleverly created a tale of mystery that unravels the complexities of relationships forged and betrayals perpetrated through the Cold War. Second Strand shows how a man's bitterness has ruined lives through more than half a century and will appeal to fans of fast-paced and intelligent mysteries.

The Adventures of a Nature Guide Enos A. Mills, 1920 *The Adventures of a Nature Guide* by Enos Abijah Mills, first published in 1920, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The National Magazine, 1920

Canadian Culture and National Identity Jerry Diakiw, 2011-12 Scholarly Essay from the year 2011 in the subject Cultural Studies - Canada, grade: -, York University, language: English, comment: Widely published articles on multiculturalism. Teaches at York University. Former school principal and school superintendent. Nominated for the York Presidents Teaching Award 2010, abstract: Many have argued that there is no such thing as a Canadian culture or identity. This article explores the history of how schools in the past have shaped a national identity and how cultures transmit their values and traditions to their young. This article argues that there are twelve commonplaces about Canada that all Canadians, regardless of where they live or how long they have lived here can identify with. The schools across the country have an obligation to debate, argue and explore these twelve commonplaces thereby promoting a shared Canadian culture that is fluid, flexible and evolving. It argues that these twelve are not fixed in stone but are just a starting point for keeping the conversation going. It promotes a revisioning of our culture through a multiculturalism prism.

Educational Review, 1928 Vols. 19-34 include Bibliography of education for 1899-1906, compiled by James I. Wyer and others.

My Dear Hamilton Stephanie Dray, Laura Kamoie, 2018-04-03 USA Today Bestseller An edge-of my seat immersion into historical events...No study of Alexander Hamilton would be complete without reading this book. —Karen White, New York Times bestselling author *The best book of the year!* —Kate Quinn, New York Times bestselling author of *The Alice Network* Wife, Widow, and Warrior in Alexander Hamilton's quest for a more perfect union From the New York Times bestselling authors of *America's First Daughter* comes the epic story of Eliza Schuyler Hamilton—a revolutionary woman who, like her

new nation, struggled to define herself in the wake of war, betrayal, and tragedy. Perfect for fans of Ron Chernow's biography Alexander Hamilton and fans of Lin-Manuel Miranda's Hamilton: the Musical. In this haunting, moving, and beautifully written novel, Dray and Kamoie used thousands of letters and original sources to tell Eliza's story as it's never been told before—not just as the wronged wife at the center of a political sex scandal—but also as a founding mother who shaped an American legacy in her own right. A general's daughter... Coming of age on the perilous frontier of revolutionary New York, Elizabeth Schuyler champions the fight for independence. And when she meets Alexander Hamilton, Washington's penniless but passionate aide-de-camp, she's captivated by the young officer's charisma and brilliance. They fall in love, despite Hamilton's bastard birth and the uncertainties of war. A founding father's wife... But the union they create—in their marriage and the new nation—is far from perfect. From glittering inaugural balls to bloody street riots, the Hamiltons are at the center of it all—including the political treachery of America's first sex scandal, which forces Eliza to struggle through heartbreak and betrayal to find forgiveness. The last surviving light of the Revolution... When a duel destroys Eliza's hard-won peace, the grieving widow fights her husband's enemies to preserve Alexander's legacy. But long-buried secrets threaten everything Eliza believes about her marriage and her own legacy. Questioning her tireless devotion to the man and country that have broken her heart, she's left with one last battle—to understand the flawed man she married and imperfect union he could never have created without her...
