How to Make a Man Fall in Love with You Over the Phone Tatiana Busan, 2024-12-14 You are always looking at your phone, not answering calls from friends, because you are waiting for his call or text. Many women find themselves in this situation and often don't know what to do when a man doesn't call and stops texting. Suddenly, a man you had fun and had

sex with stops texting you. Unfortunately, this is a very familiar pattern these days. He hasn't texted you in a few days and you put a lot of energy into trying to figure out what to do. You don't understand why he is acting this way, you have started to think that you have done something wrong. You always check when he was last online, and when he is online you get angry because he doesn't respond. When you obsess over him not texting you, you end up sabotaging the possibility of a love relationship with this man. When he doesn't respond even though he saw your message, you start to analyze the situation, you wonder if you should or shouldn't call him and ask him why he is acting like this, you don't know what to say to him, and this leads to confusion and stress. When a man reads your messages and doesn't respond it can make you suffer and make you completely crazy and paranoid. You can end up feeling constant anxiety, for the simple fact that he doesn't respond. Often an anxious woman tries to text again, to have a positive confirmation. When you are always ready to call and text a man, the pressure he will feel will end up pushing him away. If he does not answer you and does not send you messages, in this book you will discover what to do and how to make him obsessed! The Gestalts of Mind and Text Chanita Goodblatt, Joseph Glicksohn, 2022-05-12 The Gestalts of Mind and Text bridges literary studies and cognitive psychology to provide a unique contribution to the field of Cognitive Literary Studies. The book presents an investigation of metaphor in poetic texts, adopting and developing empirical methods used by Gestalt Psychology, while integrating concepts informed by Gestalt Psychology. The title indicates an intellectual tradition, to be termed the Gestalt of the Mind, that begins with the Würzburg School of Psychology and its subsequent development into Gestalt Psychology, which provides a rich heritage for the field of Cognitive Literary Studies. The title further indicates an intellectual and creative tradition, to be termed the Gestalt of the Text, applied to various literary schools (Medieval, Early Modern, Modernist). Finally, the Gestalt-Interaction Theory of Metaphor delineates the potentialities for different types of readings of poetic metaphor. This book further makes three significant contributions: the first is the focus on the empirical investigation of metaphor in poetic texts; the second is the integration of the aspects of problem-solving, bidirectionality of

metaphor, embodied cognition and the grotesque, in analyzing poetic texts and verbal protocols; and the third is the focus on various literary traditions, spanning languages and periods. The goal of this book is to present an interdisciplinary study of the Gestalts of Mind and Text. This will be of interest to a varied audience, including cognitive psychologists, literary scholars, researchers in aesthetics, scholars of metaphor and those with an interest in intellectual history.
