

La Mort De Lauteur

Karin Nielsen-Saines

Henri Michaux Nina Parish, 2007 Henri Michaux is both a recognised poet and visual artist, arguably one of the greatest 'double artists' of the twentieth century. This book presents the first detailed examination of a particular interdisciplinary aspect of his production, namely, the innovative experimentation with signs contained in four works: *Mouvements*, *Par la voie des rythmes*, *Saisir* and *Par des traits*. Questions arise concerning their literary and visual status as, in their attempt to render interior rhythm and dynamism, they occupy an interstitial space between writing and drawing, between the book and the canvas, between the Western alphabet and Chinese characters. This study addresses these questions by analysing the conception, production and reception of Michaux's signs and the literary and artistic contexts in which they were produced.

L'épuisement du biographique? Vincent Broqua, Guillaume Marche, 2010-10-12 Pourquoi penser le biographique? N'est-il pas épuisé? Le siècle passé semble l'avoir vidé de son contenu et de sa substance et l'a réduit à un état d'affaiblissement presque complet dans le domaine des sciences sociales comme dans celui de la critique littéraire. L'enjeu de cet ouvrage est d'affirmer que le biographique déborde la biographie et de considérer le biographique comme une condition du retour de la biographie au moyen de son dépassement. Cet ouvrage rassemble des travaux abordant ...

Law, Norms and Freedoms in Cyberspace / Droit, normes et libertés dans le cybermonde Cécile de Terwangne, Elise Degrave, Séverine Dusollier, Robert Queck, 2018-05-29 Professeur, chercheur, directeur de centre, doyen et recteur, Yves Poulet s'est illustré dans toutes les étapes et fonctions d'une carrière universitaire bien remplie, marquant des générations d'étudiants, de chercheurs, de collègues et de pairs. Spécialiste éminent et incontournable du droit de l'internet et des technologies de l'information et de la communication, il en est aussi l'un des précurseurs en fondant dès 1979 un des premiers centres de recherche européens en la matière. Par cet ouvrage, collègues, amis, anciens doctorants rendent hommage à l'une des plus belles plumes de la discipline, en lui offrant leurs réflexions sur l'influence réciproque du droit et de la technologie. Leurs contributions démontrent l'étendue de l'expertise et des réseaux européens et internationaux d'Yves Poulet. Elles s'articulent autour de trois axes qui furent autant de perspectives dans lesquelles il a inscrit sa recherche : le

droit, les normes et les libertés. La richesse de ce volume témoigne de son attention à l'humain, des amitiés qu'il a nouées, mais aussi des sillons qu'il a tracés en droit des technologies de l'information et de la communication, sillons dans lesquels a poussé une forêt luxuriante, toujours fertile. C'est l'héritage d'un grand penseur, d'un véritable universitaire.

===== Yves Poulet has not merely served but excelled in all functions of the University world. Whether as professor, researcher, director of a research centre or as dean and rector, he has left a lasting impression in the minds of generations of students, researchers, colleagues and peers. He is a preeminent expert on the law of Internet and Information and Communications Technologies who, already in 1979, pioneered one of the first European research centres in the field. This volume is a tribute to Yves Poulet from colleagues, friends, former PhD researchers, offering their reflections on the reciprocal influence of law and technology. These contributions highlight both the range of expertise and the extent of the European and international networks he has nourished. They address the three main research axes Yves Poulet has developed through the years: law, norms and freedoms. The authors of this volume pay homage to a mentor, a friend, but above all to an exceptional researcher who has sown countless seeds in the field, enabling a luxurious landscape to grow and become a source of inspiration for many scholars. This is the heritage of a genuine thinker, a real academic.

Yeats's Legacies Warwick Gould, 2018-03-22 The two great Yeats Family Sales of 2017 and the legacy of the Yeats family's 80-year tradition of generosity to Ireland's great cultural institutions provide the kaleidoscope through which these advanced research essays find their theme. Hannah Sullivan's brilliant history of Yeats's verse-craft challenges Poundian definitions of Modernism; Denis Donoghue offers unique family memories of 1916 whilst tracing the political significance of the Easter Rising; Anita Feldman addresses Yeats's responses to the Rising's appropriation of his symbols and myths, the daring artistry of his ritual drama developed from Noh, his poetry of personal utterance, and his vision of art as a body reborn rather than a treasure preserved amid the testing of the illusions that hold civilizations together in ensuing wars. Warwick Gould looks at Yeats as founding Senator in the new Free State, and his valiant struggle against the literary censorship law of 1929 (with its present-day legacy of Irish anti-blasphemy law still presenting a constitutional challenge). Drawing on Gregory Estate documents, James Pethica looks at the evictions which preceded Yeats's purchase of Thoor Ballylee in Galway; Lauren Arrington looks back at Yeats, Ezra Pound, and the Ghosts of The Winding Stair (1929) in Rapallo.

Having co-edited both versions of *A Vision*, Catherine Paul offers some profound reflections on 'Yeats and Belief'. Grevel Lindop provides a pioneering view of Yeats's impact on English mystical verse and on Charles Williams who, while at Oxford University Press, helped publish the *Oxford Book of Modern Verse*. Stanley van der Ziel looks at the presence of Shakespeare in Yeats's *Purgatory*. William H. O'Donnell examines the vexed textual legacy of his late work, *On the Boiler* while Gould considers the challenge Yeats's intentionalism posed for once-fashionable post-structuralist editorial theory. John Kelly recovers a startling autobiographical short story by Maud Gonne. While nine works of current biographical, textual and literary scholarship are reviewed, Maud Gonne is the focus of debate for two reviewers, as are Eva Gore-Booth, Constance and Casimir Markievicz, Rudyard Kipling, David Jones, T. S. Eliot and his presence on the radio.
