No One Goes Alone Erik Larson, 2021-09-28 A group of researchers sets sail for the Isle of Dorn in the North Atlantic in 1905 to explore the cause of several mysterious disappearances, most notably a family of four who vanished without a trace after a week-long holiday on the island. Led by Professor James, a prominent member of the Society for Psychical Research, they begin to explore the island's sole cottage and surrounding landscape in search of a logical explanation. The idyllic setting belies an undercurrent of danger and treachery, with raging storms and unnerving discoveries adding to the sense of menace. As increasingly unexplainable events unfold, the now-stranded investigators are unsure whether they can trust their own eyes, their instincts, one another, or even themselves.

Exposed: A heart-breaking story of a city divided T.L. Dyer, 2020-10-31 "Great book. Didn't want to put it down." "An intense read." There's a price to pay for loyalty When everyone else wants to bend the rules The men of the tribe have made their home in the empty buildings at the border, far from the demands and ruthless laws of those who control the city. Their only guidance is a doctrine that keeps them grounded, free from emotional disruption and at peace. At least, that was how it was meant to be... With their founder gone, the responsibility of the tribe falls to Jacob. Fiercely loyal to his predecessor he promises to care for its members, their values and the life they've created. But Jacob is not a natural leader, and when new deadly threats dog the city's backstreets, some of the men are open to flexing the doctrine to serve the fallout - even if it means defying their new mentor. As tensions ripple through the group, Jacob feels the clutches of the city grip tighter than ever before. Not only in the dangers it might inflict at any moment, but in the temptations it offers, ones he'd thought he had left behind. Fearing he is losing control of the tribe entrusted to him, Jacob is pushed toward despair and the person he used to be... And when his dark past comes back to haunt him, he seizes it with both hands. *Exposed* is the dark and emotionally compelling story of a city divided, and the second book in the Hidden Sanctuary series

A Novel Love Story Ashley Poston, 2024-06-25 NEW YORK TIMES BESTSELLER • A professor of literature finds herself caught up in a work of fiction . . . literally, from the New York Times bestselling author of *The Seven Year Slip* and *The Dead Romantics*. Eileen Merriweather loves to get lost in a good happily-ever-after. The fictional kind, anyway. Because at least imaginary men don't leave you at the altar. She feels safe in a book. At home. Which might be why she's so set on going her annual book club retreat this year—she needs good friends, cheap wine, and grand romantic gestures—no matter what. But

when her car unexpectedly breaks down on the way, she finds herself stranded in a quaint town that feels like it's right out of a novel . . . Because it is. This place can't be real, and yet... she's here, in Eloraton, the town of her favorite romance series, where the candy store's honey taffy is always sweet, the local bar's burgers are always a little burnt, and rain always comes in the afternoon. It feels like home. It's perfect—and perfectly frozen, trapped in the late author's last unfinished story. Elsy is sure that's why she must be here: to help bring the town to its storybook ending. Except there is a character in Eloraton that she can't place—a grumpy bookstore owner with mint-green eyes, an irritatingly sexy mouth and impeccable taste in novels. And he does not want her finishing this book. Which is a problem because Elsy is beginning to think the town's happily-ever-after might just be intertwined with her own.

The Fixer's Daughter A Mystery Novel Hy Conrad, 2020-08-07 From the Writer/Producer of Monk and White Collar, *The Fixer's Daughter* pits father against daughter in a twisted tale of murder, deadly secrets and family loyalty. What an absolutely chilling and incredibly gripping tale this is! A masterful murder mystery. This, folks, is how it is done! (Goodreads Review) 'I couldn't put it down, is a cliché but an apt one in this case. When circumstances forced me to temporarily abandon the book for 'real life,' I found myself thinking about it, pondering what had happened, and trying to predict what might happen next. (Amazon Review) While this is a compelling mystery it's also a tale of family love and loyalty and figuring out how far you can go without destroying both those things. Callie is a protagonist you will root for. I can't recommend this book enough! (Amazon Review) Three years ago, Callie McFee accidentally caused her father's political downfall. Once the most influential man in Texas, Buddy McFee resigned from office and became a fixer, a person who makes big problems go away. When a prominent CEO is caught trying to bury a raped and murdered girl, it looks like an open-and-shut case. But then Buddy steps in. Soon the wealthy suspect develops an alibi and evidence starts disappearing. Callie, an investigative reporter, used to adore her father. He was brilliant but honorable. Now she thinks he may be helping a cold-blooded killer escape justice. And then Callie discovers something even more troubling. The great Buddy McFee, the man protecting all the scandals in the state, is in the early stages of dementia. If this ever goes public, it would destroy his spirit, end his career and

probably get him killed. Can Callie go up against her father and expose a ruthless killer? Can she do this and still keep his secret from the world? Or, as she inches closer to the truth, will she wind up getting both of them murdered?
