Richard Bailey

Endless Forks in the Road Frank Borelli,2024-01-16 Endless Forks in the Road - Motivational Quotes & Commentary builds on the platform of shared experiences and lessons delivered by the author in his previous five self-help / motivational books. Starting with Above Dirt, moving through the A Fork in the Road series and including Cigar Lounge Wisdom as well as Philosophy as Taught by Life's Experiences, the author has tried to share outlooks that, if embraced, increase the quality of life. With hundreds of quotes drawn from historical figures as well as contemporary leaders, and commentary to expand on the lessons and value of each quote, this book offers support for the essays and lessons shared in the previous books. It's great as a stand-alone read for those seeking inspiration or in conjunction with references in the other books. With quotes about or referencing topics that include self-value, perception, learning, wisdom, motivation, opportunity, happiness, success and living, you're sure to find something in it to help brighten your day or adjust your outlook to a more positive perspective.
