Added-value of this summary: • Save time • Understand the key concepts • Expand your investment know-how To learn more, read *The Real Book of Real Estate* to find out why you should start investing in real estate today!

The Real Book of Real Estate Robert T. Kiyosaki, 2010-05 From the #1 bestselling author of *Rich Dad, Poor Dad* comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

The ABCs of Real Estate Investing Ken McElroy, 2012-02-21 Outlines how to achieve financial independence and successful self-employment through property investment, discussing such topics as screening potential partners, utilizing research tools, and setting up maintenance and rent collection systems.

Summary of Garrett Sutton & Robert Kiyosaki's *Loopholes of Real Estate* Everest Media, 2022-04-05T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 There are two types of real estate loopholes: those that can be opened and those that can be closed. From a tax standpoint, there are real estate loopholes to be opened. From the legal side, there are real estate loopholes to be closed. #2 Real estate offers great financial advantages to those who understand the system. It is easier to raise capital for real estate ventures than with other assets, such as stocks, bonds, and tax-deferred retirement funds. #3 There are three types of income: earned, passive, and portfolio. Earned is what you get after a long day of work. Passive is what comes to you from an investment such as real estate. Portfolio income is what comes from the dividends and increases in value of paper assets such as stocks, bonds, and mutual funds. #4 The point of this book is not to encourage you to invest only in real estate. The Rich Dad philosophy is to diversify and put your savings and earnings into three different areas: businesses, real estate, and paper assets.

The Real Book of Real Estate (Volume 2 of 2): Real Experts. Real Stories. Real Life. Robert Kiyosaki,2010-05 From the #1 bestselling author of Rich Dad, Poor Dad comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

The Fix-and-Hold Blueprint is your essential companion for achieving real estate success, with a holistic approach that prepares you for every challenge and opportunity the market presents.

Commercial Investment Real Estate ,2007

The Advanced Guide to Real Estate Investing Ken McElroy,2013-11-05 If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring

property sales wisely Important projections about the future of real estate investment

How To Win In Commercial Real Estate Investing R. Craig Coppola,2014-04-08 When it comes to investing in commercial real estate, it's easy to make a mistake...so why risk it? Improve your chances of success with a book researched, lived, and written by a master of commercial real estate: Craig Coppola. Craig has navigated the markets, ridden economic ups and downs, and bought and sold countless commercial projects - and he's mastered the world of brokerage, leasing and investing. Readers will learn how to set their own commercial investment goals and create a plan to achieve them, see opportunities with new real-estate eyes, perform due diligence on a property with minimal cost, use a proven step-by-step process for evaluating properties to weed out losers and showcase winners, and traverse the minefield of letters of intent and contracts.

The Millionaire Real Estate Investing Series (EBOOK BUNDLE) Gary Keller,Dave Jenks,Jay Papasan,2013-09-13 THREE E-BOOKS IN ONE The Millionaire Real Estate Investor Anyone who seeks financial wealth must first learn the fundamental truths and models that drive it. The final book in Gary Keller's national bestselling Millionaire Real Estate Investor trilogy teaches the proven, reliable real estate investing process to achieve financial wealth

The ABCs of Property Management Ken McElroy,2015-03 So you've made your real estate investment...and now the question is: How are you going to make it profitable? How will you maximize its potential and make it grow in value? One word: Management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In this book, Ken reveals the key to his success: Exceptional property management. He teaches you the most important principles and keys to achieving success where others fail. THE ABC'S OF PROPERTY MANAGEMENT tells readers: How to decide when to manage your property and when to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: A month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team

How to Be a Real Estate Investor Phil Pustejovsky,2012-06-11 America's most trusted real estate investing mentor and coach, Phil Pustejovsky, shows you step by step, how to be a real estate investor, regardless of how much money you have,

your credit rating or your experience level. This book was created for anyone looking for a simple to read, easy to follow guide on real estate investment in today's market.

Real Estate Exposed Peter Oliver, 2018-12-29 I read Rich Dad Poor Dad by Robert Kiyosaki more than a decade ago and it changed my life! While the characters in my opinion are mostly fictional, the lessons are real. The main conclusion is that you should only live off money made from cash generating assets and you should put as much of the cash from your employee income into these assets. One of these assets is real estate. I was so intoxicated by the simplicity of that conclusion that I set out to make it my reality. Unfortunately, I found myself a fish out of water when I was hit by the reality of how little I knew about the legal, tax, and finance involved with buying, selling, owning, or renting a real estate property. Discouraged but still determined, I put my energy into learning this process early in my career. I even went ahead and applied for my Real Estate License so I could shave 3% of the commission fees. Rich Dad never applied for a Real Estate license, and you don't need to either. What you do need are straight forward, simple, concise, and real lessons to boost your confidence and manage this process successfully. This series on Real Estate covers the basics of what a real estate agent, lawyer, tax specialist, and investor need to know to advise their clients. However, this is not meant for the professionals whom I couldn't afford when I got into real estate. This series is meant for everyone else--the 12 million people buying and selling their home each year! The young couple buying or building their first home. The homeowner looking to sell their home because they're looking to upgrade or because they're facing financial hardship. The family that wants to rent out their old home or a bedroom in their existing home. The landowner who is faced with new zoning laws. The heirs to a real estate property navigating a probate period. The list of people who could benefit from being more knowledgeable is long because knowledge truly is power. In this book we'll learn about: 1. Mortgage Financing 2. 2008 Housing Crisis and how poor credit and greed changed the credit laws 3. Understanding the Deed of Trust 4. All the different types of loans and what you can do from refinancing to reversing your mortgage 5. Important negotiation items of a mortgage and why interest always matters! 6. Understanding what a qualified loan is and how to prepare for approval If you are going to spend money on Real Estate then this series is an important short-term investment in your education that walks you through the entire process of buying or selling a home. More than half of first time home buyers are surprised by the process and the hidden fees that they often decide to postpone their decision until they are better prepared. By reading this short series, you'll be leagues ahead of the average person and will have the confidence to tackle this process like a champion. The Real Estate Series Includes the following books: 1. PICKING THE RIGHT AGENT 2. NAVIGATING PROPERTY OPTIONS 3. FINDING THE RIGHT MORTGAGE 4. BUYING, SELLING, AND LEASING AGREEMENTS 5. CLOSING THE DEAL

Retire on Real Estate K. Anderson, 2017-09-14 This book exposes the cracks in most retirement portfolios, then opens your eyes to the benefits of rental income. With pensions slashed, savings slim, and Social Security insufficient and

unpredictable, most people won't have nearly enough money to last them through their retirement years, but seasoned real estate investor and landlord K. Kai Anderson proves that real estate is an investment that anyone can dive into to fund their retirement...lucratively! Not leaving anything to question, *Retire on Real Estate* also lays out a complete plan of action, including how to: Get started--by either purchasing property or converting your residence into a rental Reduce the risk of vacancies, repairs, and problem tenants Spot smart investments Choose the right mortgage, or even out-of-the-box financing options Trade up to more profitable properties Don't wager your retirement on Social Security, dividends, and unpredictable bull markets. Real estate is an investment that will always pay off--if done correctly.

The Publishers Weekly, 2009

ABCs of Buying Rental Property Ken McElroy, 2020-09-29 Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. **THIS BOOK WILL TEACH YOU HOW TO:**

- Secure your investment money
- Find your ideal market—and a positive-cash-flow property
- Efficiently manage your property
- Handle your record keeping
- Boost revenues and cut costs
- File your taxes using a step-by-step process
- Build your real estate portfolio
