Shatter Me Tahereh Mafi, 2011-11-15 The gripping first installment in global bestselling author Tahereh Mafi's epic, romantic *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. Includes a special sneak peek of *This Woven Kingdom*, the first book in Tahereh Mafi's bestselling fantasy series inspired by Persian folklore! Reconceptualising European Equality Law Johanna Croon-Gestefeld, 2017-02-23 This important new book seeks to widen the understanding of the principle of equality within European law. Firstly, it deconstructs the European Court of Justice's adjudication of cases in the field. It then explores how the Member States' courts decide on the question of equality. This detailed rigorous research allows the author to argue for a reconceptualised equality doctrine. Such an adaptation, the author argues, will provide judges, practitioners and academics with the tools to balance institutional considerations against substantive interpretation. Theoretically ambitious, while grounded in practical application, this is a significant restatement of one of the key principles of European law: the equality doctrine.

Believe Me Tahereh Mafi, 2021-11-16 The devastatingly romantic fifth novella in the New York Times and USA Today bestselling *Shatter Me* series, chronicling the events after *Imagine Me*, the explosive sixth novel. Juliette and Warner fought hard to take down the Reestablishment once and for all. Life in the aftermath isn't easy, as they and their friends at the Sanctuary work with their limited resources to stabilize the world. Warner has his sights set on more than just politics. Since he proposed to Juliette two weeks ago, he's been eager to finally marry her, the person he loves more than anything and has endured so much to be with. But with so much chaos around them, it's been nearly impossible for them to have a wedding. And even Juliette has been distracted by everything they need to do. At long last, Warner and Juliette's future together is within reach, but the world continues to try to pull them apart. Will they finally be able to be happily, officially, together? Celebrate the tenth anniversary of Tahereh Mafi's bestselling *Shatter Me* series with *Believe Me*!

Release Me Tahereh Mafi, 2026-04-07 The searing second volume in a new series set in the #1 global bestselling Shatter Me universe ten years after the fall of The Reestablishment. Rosabelle Wolff had a plan. Now she wants revenge. To save her

sister she needs to get back home and destroy the system that created her. Rosabelle's greatest strength is her ability to deaden her mind and body; it's the only way to survive the surveillance state of Ark Island. But lately her heart has been beating harder; her thoughts are spiraling; her defenses are coming undone. And there's only one person to blame. James Anderson had a plan. Now he has nothing but problems. Rosabelle might be the ally they need in a fight against The Reestablishment, but no one wants to trust an enemy assassin. It doesn't help that Rosabelle's not much of a talker, doesn't work well in groups, and kills people on instinct. Taking her side has cost James nearly everything—but keeping her alive might help save his world. If only he could convince his older brother. Aaron Warner Anderson has a headache. Something dark is coming, and Rosabelle's arrival is just a prelude. In her, he sees shades of himself he can't trust, and worse: he can no longer get a read on the girl. She's a dead battery, emanating no emotional feedback. At least not until James walks into a room... Volcanic tension, breathless reveals, breakneck action—and a dystopian world that never stops raising the stakes: Welcome back to The New Republic.
