**Jasmin Lee Cori**

The Body Bears the Burden Robert Scaer, 2014-01-03 When *The Body Bears the Burden* made its debut in 2001, it changed the way people thought about trauma, PTSD, and the treatment of chronic stress disorders. Now in its third edition, this revered text offers a fully updated and revised analysis of the relationship between mind, body, and the processing of trauma. Here, clinicians will find detailed, thorough explorations of some of neurobiology's fundamental tenets, the connections between mind, brain, and body, and the many and varied ways that symptoms of traumatic stress become visible to those who know to look for them.

**The Body Bears the Burden** Robert C. Scaer, 2007 In this update of his classic book, Scaer presents a new theory of the neurophysiology of traumatic stress and dissociation and discusses new concepts that have been developed since the previous edition.

**Healing from Trauma** Jasmin Lee Cori, 2007 For survivors rather than professionals from a therapist who is also a trauma survivor

*The Emotionally Absent Mother, Updated and Expanded Second Edition* Jasmin Lee Cori, 2017-04-18 The groundbreaking guide to self-healing and getting the love you missed. Was your mother preoccupied, distant, or even demeaning? Have you struggled with relationships—or with your own self-worth? Often, the grown children of emotionally absent mothers can't quite put a finger on what's missing from their lives. The children of abusive mothers, by contrast, may recognize the abuse—but overlook its lasting, harmful effects. Psychotherapist Jasmin Lee Cori has helped thousands of men and women heal the hidden wounds left by every kind of undermothering. In this second edition of her pioneering book, with compassion for mother and child alike, she explains: Possible reasons your mother was distracted or hurtful—and what she was unable to give The lasting impact of childhood emotional neglect and abuse How to find the child inside you and fill the “mother gap” through reflections and exercises How to secure a happier future for yourself (and perhaps for your children)
