

The Light Over London

Christian G. Meyer

The Light Over London Julia Kelly, 2023-01-24 Unable to confront the challenges in her own life, Cara Hargraves immerses herself in work for her antiques-dealer boss, uncovering relics from the life of World War II British Gunner Girl Louise Keene and her complicated relationship with a man named Paul.

The Light Over London Julia Kelly, 2019-01-08 Reminiscent of Martha Hall Kelly's *Lilac Girls* and Kristin Hannah's *The Nightingale*, this sweeping, entrancing story is a must-read for fans of remarkable women rising to challenges they could never have predicted. It's always been easier for Cara Hargraves to bury herself in the past than confront the present, which is why working with a gruff but brilliant antiques dealer is perfect. While clearing out an estate, she pries open an old tin that holds the relics of a lost relationship: among the treasures, a World War II-era diary and a photograph of a young woman in uniform. Eager to find the author of the hauntingly beautiful, unfinished diary, Cara digs into this soldier's life, but soon realizes she may not have been ready for the stark reality of wartime London she finds within the pages. In 1941, nineteen-year-old Louise Keene's life had been decided for her—she'll wait at home in her Cornish village until her wealthy suitor returns from war to ask for her hand. But when Louise unexpectedly meets Flight Lieutenant Paul Bolton, a dashing RAF pilot stationed at a local base, everything changes. And changes again when Paul's unit is deployed without warning. Desperate for a larger life, Louise joins the women's branch of the British Army in the anti-aircraft gun unit as a Gunner Girl. As bombs fall on London, she and the other Gunner Girls relish in their duties to be exact in their calculations, and quick in their identification of enemy planes during air raids. The only thing that gets Louise through those dark, bullet-filled nights is knowing she and Paul will be together when the war is over. But when a bundle of her letters to him are returned unanswered, she learns that wartime romance can have a much darker side. Illuminating the story of these two women separated by generations and experience, Julia Kelly transports us to World War II London in this heartbreakingly beautiful novel through forgotten antique treasures, remembered triumphs, and fierce family ties.

The Light Over London Julia Kelly, 2019-10-03 A forgotten diary, a forbidden love affair, a desperate fight to save her country 2017 When Cara Hargreaves discovers a diary from the 1940s, its contents will change her life forever... 1941 When Louise Keene meets dashing RAF pilot, Paul Bolton, she is swept off her feet. Then Paul is sent to war and Louise, defying her mother's wishes, ends up a gunner girl in London. Watching the pitch-black skies for bombers, Louise finds comfort

recording her dreams in her diary. And as Cara reads her words, decades later, she learns that hope can be found even in the darkest of times, she just needs to take a chance... Discover the story of the remarkable World War Two gunner girls in this entrancing and heartbreaking novel, perfect for fans of Martha Hall Kelly's *The Lilac Girls* and Kristin Hannah's *The Nightingale*.

Chasing the Light Jesse Blackadder, 2013-02-01 A fictional recounting of the little-known true story of the first woman to ever set foot on Antarctica, and her extraordinary fight to get there. A fictional recounting of the little-known true story of the first woman to ever set foot on Antarctica, and her extraordinary fight to get there. It's the early 1930s. Antarctic open-sea whaling is booming and a territorial race for the mysterious continent between Norwegian and British-Australian interests is in full swing. Aboard a ship setting sail from Cape town carrying the Norwegian whaling magnate Lars Christensen are three women: Lillemor Rachlew, who tricked her way on to the ship and will stop at nothing to be the first woman to land on Antarctica; Mathilde Wegger, a grieving widow who's been forced to join the trip by her calculating parents-in-law; and Lars's wife, Ingrid Christensen, who has longed to travel to Antarctica since she was a girl and has made a daunting bargain with Lars to convince him to take her. Loyalties shift and melt and conflicts increase as they pass through the Southern Ocean and reach the whaling grounds. None of the women is prepared for the reality of meeting the whaling fleet and experiencing firsthand the brutality of the icy world. As they head for the continent itself, the race is on for the first woman to land on Antarctica. None of them expect the outcome and none of them know how they will be changed by their arrival. Based on the little-known true story of the first woman to ever set foot on Antarctica, Jesse Blackadder has captured the drama, danger and magnetic pull of exploring uncharted places in our world and our minds.
