Allegedly Tiffany D. Jackson, 2017-01-24 "A tightly spun debut that wrestles with many intense ideas and ends with a knife twist that will send readers racing back to the beginning again." —ALA Booklist (starred review) *Orange Is the New Black* meets Walter Dean Myers's *Monster* in this gritty, twisty, and haunting story about a girl convicted of murder seeking the truth while surviving life in a group home, from New York Times bestselling author Tiffany D. Jackson. Mary B. Addison killed a baby. Allegedly. She didn't say much in that first interview with detectives, and the media filled in the only blanks that mattered: A white baby had died while under the care of a churchgoing black woman and her nine-year-old daughter. The public convicted Mary and the jury made it official. But did she do it? There wasn't a point to setting the record straight before, but now she's got Ted—and their unborn child—to think about. When the state threatens to take her baby, Mary's fate now lies in the hands of the one person she distrusts the most: her Momma. No one knows the real Momma. But does anyone know the real Mary?

The public convicted Mary and the jury made it official. But did she do it? She wouldn't say. Mary survived six years in baby jail before being dumped in a group home. The house isn't really home--no place where you fear for your life can be considered a home. Home is Ted, who she meets on assignment at a nursing home. There wasn't a point to setting the record straight before, but now she's got Ted--and their unborn child--to

think about. When the state threatens to take her baby, Mary must find the voice to fight her past. And her fate lies in the hands of the one person she distrusts the most: her Momma. This text provides a model for understanding how girls are represented in young adult literature that will aid school and youth services librarians in their personal understanding and awareness as they build collections and create programming. It provides practical suggestions for how to use and implement a feminist lens while reading, discussing, and reviewing titles. Included are a list of recommended annotated titles and discussion questions for use in developing appropriate instructional and interesting programs that explore concepts of girlhood, media literacy programs, and diverse collections.
