United States. Congress Senate

Debt Nina G. Jones, 2014-12-24 I don't know what I was thinking when I hired someone to attack me. Maybe I was bored, or lonely, or there was a void so deep inside of me that I needed something explosive to fill it. It was supposed to be safe. A thrill. A way to break through the monotony of everyday life. It was an illusion of danger that I could walk away from as soon as it was over. Except that it wasn't. Because I had been in danger long before I ever invited it into my life. -- My mission is almost complete. The bubbling boil of vengeance that heats my blood might finally simmer. She is the last piece of the puzzle. Once I destroy her, everyone who ever hurt me will have paid their debt. It was supposed to be quick and easy, but as soon as I met her it got complicated. Very complicated.--Publisher's description.
