The Dom's Submission Ellis O. Day, 2019-06-30 Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d\*\*k likes, he gets it. His women are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a sex club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they do it in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

The Complete Dom/Sub Trilogy Justus Roux, 2013-12 This is Justus Roux's bestselling Dom/sub trilogy. "Mine"—Tara had always been curious about being a submissive and when she read a submissive's journal, which was posted online, she knew this was the lifestyle she wanted to live. She found a club which was owned by a man named Gabriel. After being accepted into the club Tara put herself up for auction without thinking about it. Once at the auction she quickly began to wonder if she had made a mistake. Every man that came up to inspect her did not appeal to her. She couldn't see herself serving them. She was about to give up and hope that whoever won her would at least be gentle. Then she heard his deep voice. The moment she laid eyes on Raven she was mesmerized. Raven had no intention on going to the auction. He was tired of training submissives, which in the end weren't what he needed and he wasn't what they needed. Alex drags Raven to the auction and chooses Tara for him to bid on. It was obvious by how nervous the woman was she was new to this lifestyle and he felt she would be perfect for Raven. Raven reluctantly does what Alex wants and he easily wins the bid for Tara. Now Raven and Tara will embark on a year's journey together. He will teach her everything about this lifestyle and she will be his final hope in

staying in this lifestyle. "Surrender to Me"- Michael was starting his journey with Mistress Delilah. He is excited and yet frightened by all of this. He is not like Delilah's perfect submissive Tram, nor any of the other submissives in this community. Michael is not too happy about sharing Delilah with Tram, especially knowing that Tram has already earned her collar. And to make matters even more difficult, Master Gabriel, the owner of the club, seems to adore Delilah. With so many distractions for his Mistress will she be able to give Michael the training he needs. Or is this relationship doomed from the start. "Perfect Submission"- Mistress Delilah was confused by her growing attraction to Master Gabriel. It was more than admiration or lust. Ever since that dream she had about submitting to Master Gabriel, the thought of it consumed her and distracted her from being a good Mistress to Tram and Michael. Delilah decided to ask Master Gabriel to teach her about submission. She had to get this out of her system so that she could focus on her submissives. Master Gabriel was surprised when Delilah asked him to take her on the journey of submission. He had wanted this woman since the moment she became a member of this club. He was the one that gave her Tram and her new submissive Michael. However, he knows training Delilah will not be easy. He must try to control his growing love for her and focus on teaching her about submission.

*Modern Fantasies on Love versus Classical Romances* Ljuba Tarvi, 2023-07-14 Viewed through the lens of physics, love conquers nothing is the conclusion reached when love patterns in romances are viewed through laws of quantum physics. In this book, based on the metaphor "Love/Text is Energy," love in fiction is interpreted in the same way as subatomic particles are studied in quantum mechanics — by investigating traces of their clashes in giant colliders, i.e., as Marx's 'converted forms' of the protagonists' conscious and unconscious decisions and actions. The book introduces the Token Valence Method, which assumes that a word, like an elementary particle, is neither a particle nor a wave but rather a quantum state. The TVM has revealed three models of love patterns in fiction: adaptation (21st century), alienation (20th century), and imagination (1991-2021).

The last thing Beth wants is a ruthless, powerful Dom, but that's just what she gets. Asked to take on a problem sub, Nolan sees the issue immediately--although truly submissive, the little redhead is too scared to relinquish control and her Doms have let her get away with it. That will change right now. As Master Nolan takes Beth under command, compelling her submission, she's terrified, but the experienced Dom brings her pleasure, not pain. His only demand is that she never lie to him. Under his capable hands, her body comes alive, and she begins to heal. As he pushes her limits, she learns to trust...and then to love. And she realizes he is beginning to care for her in return. But now her cruel husband has found her, and Master Nolan discovers she's been lying and lying and lying.

*Queer Transfigurations* James Welker,2022-05-31 The boys love (BL) genre was created for girls and women by young female manga (comic) artists in early 1970s Japan to challenge oppressive gender and sexual norms. Over the years, BL has seen almost irrepressible growth in popularity and since the 2000s has become a global media phenomenon, weaving its way into anime, prose fiction, live-action dramas, video games, audio dramas, and fan works. BL's male-male romantic and sexual relationships have found a particularly receptive home in other parts of Asia, where strong local fan communities and locally produced BL works have garnered a following throughout the region, taking on new meanings and engendering widespread cultural effects. *Queer Transfigurations* is the first detailed examination of the BL media explosion across Asia. The book brings together twenty-one scholars exploring BL media, its fans, and its sociocultural impacts in a dozen countries in East, Southeast, and South Asia—and beyond. Contributors draw on their expertise in an array of disciplines and fields, including anthropology, fan studies, gender and sexuality studies, history, literature, media studies, political science, and sociology to shed light on BL media and its fandoms. *Queer Transfigurations* reveals the far-reaching influences of the BL genre, demonstrating that it is truly transnational and transcultural in diverse cultural contexts. It has also helped bring about positive changes in the status of LGBT(Q) people and communities as well as enlighten local understandings of gender and sexuality throughout Asia. In short, *Queer Transfigurations* shows that, some fifty years after the first BL manga appeared in print, the genre is continuing to reverberate and transform lives.
