Ángela Iturriza

**Animation in Spain** Maria Pagès Rovira,2025-08-12 This book provides a comprehensive account of Spanish animation history, from its early days through to the arrival of CGI. It examines the two main centers of production, Barcelona and Madrid, as well as evolving animation hubs in the Basque Country and Galicia. This book also pays tribute to the women who were significant to the animation industry and had been invisible for many years, highlighting more recent attempts to achieve equality in the Spanish animation industry thanks to help from the government and women's associations looking to balance the inequality in this domain. This book will be of great interest to academics, students, and professionals working and researching in the field of animation.

*Manual de cine de animación* Ángela Iturriza,2025-10-29 La animación no es solo un arte; es un lenguaje capaz de crear mundos imposibles y transmitir emociones universales. Dirigido a estudiantes, profesionales en formación y aficionados curiosos por descubrir los secretos detrás de la pantalla, este libro ofrece una inmersión profunda en la historia, las técnicas y los procesos que permiten que los dibujos cobren vida en películas, cortometrajes o series. Con años de experiencia en la industria, incluida su trayectoria en los prestigiosos estudios Disney, Ángela Iturriza combina conocimiento y pasión para mostrar cómo la animación ha evolucionado desde sus primeros experimentos hasta las producciones contemporáneas, explorando tanto sus bases clásicas como las innovaciones tecnológicas que han transformado el medio. A lo largo de sus páginas, el lector encontrará explicaciones detalladas, enriquecidas con numerosas ilustraciones y ejemplos, sobre las fases fundamentales de la animación: la preproducción, donde se conciben ideas, guiones y diseños; la producción, en la que los personajes y escenarios se animan cuadro a cuadro, y la postproducción, donde la imagen y el sonido se combinan para crear la obra final. «Manual de cine de animación» es mucho más que una guía: es una invitación a explorar, experimentar y comprender el arte que ha marcado generaciones y que continúa renovándose con cada nueva historia contada. Con claridad, rigor y un enfoque divulgativo, Ángela Iturriza abre la puerta a un universo creativo donde la imaginación y la técnica se encuentran, inspirando a todos los que sueñan con dar vida a sus ideas y dejar una huella imborrable en el cine animado.
