Weather Bird Gary Giddins, 2004-11-15 Gary Giddins's *Weather Bird* is a brilliant companion volume to his landmark in music criticism, *Visions of Jazz*, winner of the National Book Critics Circle Award in Criticism. More than 140 pieces, written over a 14-year period, are brought together for the first time in this superb collection of essays, reviews, and articles. *Weather Bird* is a celebration of jazz, with illuminating commentary on contemporary jazz events, today's top musicians, the best records of the year, and on leading figures from jazz's past. Readers will find extended pieces on Louis Armstrong, Erroll Garner, Benny Carter, Sonny Rollins, Dave Brubeck, Ornette Coleman, Billie Holiday, Cassandra Wilson, Tony Bennett, and many others. Giddins includes a series of articles on the annual JVC Jazz Festival, which offers a splendid overview of jazz in the 1990s. Other highlights include an astute look at avant-garde music (Parajazz) and his challenging essay, *How Come Jazz Isn't Dead?* which advances a theory about the way art is born, exploited, celebrated, and sidelined to the museum. A radiant compendium by America's leading music critic, *Weather Bird* offers an unforgettable look at the modern jazz scene.

American Song Ken Bloom, 1985 Volume 1 includes material on nearly 3,300 American musicals. Volume 2 consists of complete indexes to more than 42,000 songs and more than 16,000 personnel, as well as a chronological listing of titles by year of production.

Early Broadway Sheet Music Donald J. Stubblebine, 2002 This work, a companion to *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (1996, \$75), provides information about sheet music published over the 75-year period from June 1, 1843, to May 31, 1918--the early days of modern American theatre. It covers all sheet music published from all Broadway productions--plus music from local shows,

minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway. Also included are all the major musicals from Chicago, which rivaled Broadway in original productions during that period. Each piece of sheet music has been assigned a number by the author, and the following information is given: production title (as listed on sheet music cover), year the production officially opened or tour began, name of the theatre (applicable only to New York productions), number of performances (applicable only to New York productions), performers, song titles, composer and lyricist, original publisher of each song, and cover description. Also included are comments from the author.
