Biblical Studies on the Internet Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

And God Said... A. B. Lever,2007-10 The author establishes the undeniable credibility of the original Bible text through archaeological and scientific evidence and fulfilled Bible prophecy, and reveals God's marvelous plan for man. (Social Issues)

Conspiracy 101: Ava Fails,2014-02-06 Have you ever asked yourself What's really going on? after watching a news story? Maybe you have wondered, What is the government REALLY doing? Perhaps you've caught a slip of something an official shouldn't have said and wanted to know the other side of the story. Conspiracy Theory 101 explores some of these situations. When the government is silent, theories fill the space in a genuine effort to see the big picture.

'The Real Scriptures' of God - New Testament James Platter,2012-09-29 Inside the covers of this book you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain-washed to believe, that is about the other inferior books: It isn't in the canon (of scripture) formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by

the Catholic Church and its priests but other priests must be considered demented or apostate, but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures? Ethiopia it seems got most books of scripture right even with their translation into an ancient language! The Real Scriptures, edited by James Platter above, a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas, California in the United States, but now rejects the reduced 1627 A.D. Version of the KJV Bible, and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship, Moss Vale, N. S. W. Australia under the Reverend Alan Catchpoole in 1973.

Bible The King James, 2021-01-18 The Authorized King James Version of the Holy Bible is God's providentially appointed Word for the whole world which reveals the name of the Father as Jehovah, and the name of His Son, Jesus, in whom there is salvation, and the name of the Holy Ghost, who also manifests Himself in true traditional Pentecostalism. The standard text of the Pure Cambridge Edition of the King James Bible has been published on this website. You are free to download this definitive electronic text of the King James Bible (KJB). The actual King James Bible text of the Pure Cambridge Edition (PCE) has been presented free of any typographical error, and is completely correct. It is scrupulously exact in typesetting right down to the italics and punctuation. This precise edition of the King James Bible is wholly based on the received traditional text as was published by Cambridge University Press and by Collins publishers. This electronic text has been made in Australia for the purpose of the exaltation of the Bible within Australasia. This Word is necessary for true Pentecostal revival throughout the whole Earth. The English Bible has been providentially raised up by God for a great dissemination of the true Gospel. The Pure Cambridge Edition (first published circa 1900) is the product of the process of textual purification that has occurred since 1611 when the Authorized Version was completed, and has been used (often unwittingly) as the received text for many decades. Millions of copies conformed to this edition were issued by Bible and missionary societies in the twentieth century. This text stands in contrast to all other editions (especially newly edited and modernised ones).

About the Golden Ratio Format of the Bible To download a complete explanation of the Golden Ratio format of the Bible, copy/paste this link into your browser: <http://www.phibible.org/Downloads/Appendix.pdf> The Golden Ratio arrangement of the Bible is an something that was unknown until recently. God called Max Day to a special missionary labor to uncover the true arrangement of the Holy Bible. This labor has been successful, and there are several new Bible versions published on Amazon, including this one, that utilize this new arrangement. The Traditional arrangement was faulty, because it wasn't based upon anything except the simplest and most general presuppositions: the Hebrew text goes in one bucket, and the Greek text goes into another bucket: called, respectively, the Old Testament and the New Testament. In addition to the incorrect arrangement of the documents themselves, the text of the Traditional format is randomly divided into verses and Chapters, which are not based upon any logical system or any relationship to the text they contain. This false system forces the text into an illogical matrix that makes it nearly impossible for anyone, even trained Bible students, to correctly discern the larger themes and movements of the Bible. The Golden Ratio arrangement corrects this false system by allowing the Bible text to flow naturally into its correct patterns. The Golden Ratio arrangement makes an audacious assumption: God is the true Author of the Scriptures, and God has built into his Revelation to mankind a special pattern based on a mathematical ratio: the Golden Ratio. This pattern is UCCOO (1 Unique, two Complementary, and two Opposite). This arrangement is not a theory, it is a fact. Download the Appendix PDF at the link above, and you will see for yourself. All other Bible versions (not published by JHS Publishing) utilize the Traditional Format, which is out of date and incorrect. This includes the KJV (AV), the NIV, the NKJV, the ESV, the ASV, and thousands of others. If you want a Bible with the true and correct arrangement of the Books and text, you must have a copy of this version or one of the other versions published by JHS Publishing (<http://www.phibible.org>). The Golden Ratio Format of the Bible is the future format for all Bible versions, because it is from God. Someone said, Facts are stubborn things, and God has a way of making things happen, even though the entire world doesn't agree! Jesus Christ is coming soon! Are you ready to meet Him right now? Have you been born again by faith in Jesus? Repent of your sins and accept Him as your Lord and Savior right now, and receive the gift of Eternal Life.
