El Machete, 16 Gerardo Villadelángel,2018-01-03 Número conmemorativo de la revista El Machete, publicación financiada por el Partido Comunista Mexicano de 1980 1981, que con tan sólo quince números se convirtió en punto de referencia de análisis social y cultura política. El director original de la revista, el antropólogo Roger Bartra, se pone nuevamente al frente del equipo de este número 16, en el que también participan algunos de sus colaboradores originales, como Christopher Domínguez Michael, Hugo Vargas y José Ramón Enríquez, además de las plumas de nueva incorporación. Fiel a su propuesta original de ser un espacio para el análisis social y de cultura política con una perspectiva crítica, lúdica e irónica, la presente edición de El Machete participa en la revisión de la herencia del comunismo como ideología política a poco más de 25 años de la caída del bloque socialista, pero también se incorpora a la discusión de temas actuales como el papel presente y futuro de las izquierdas en México y Latinoamérica, así como el impacto de las nuevas tecnologías como herramientas que hagan posible una revolución postcapitalista. El diseño de la revista y su propuesta gráfica, atrevida e inconformista, están a cargo de Rafael López Castro, también arquitecto visual del proyecto original.

Redes de odio Docal Gil David,2024-03-17 Un delito de odio se caracteriza por la selección de la víctima debido a que

pertenece a un colectivo de personas especialmente vulnerables, donde la sinrazón de los autores es capaz de canalizarse en comportamientos abominables. Los delitos de odio representan la manifestación más reprobable de la intolerancia y la discriminación, basada en la raza, el sexo, el lenguaje, la religión, la creencia, el origen nacional o social, la orientación sexual, la discapacidad o en otras materias similares....

Memorias de un exnazi David Saavedra,2021-05-04 Memorias de un exnazi relata, en primera persona, la trascendental experiencia del autor en el interior de la burbuja nazi española y cómo consiguió salir de ella. Un testimonio único y revelador en el marco de los grupos nazis y de la extrema derecha más radical de nuestro país, pero extensible a todo proceso de radicalización. «Admiré la Alemania que creó Adolf Hitler. Me rapé el pelo al cero y adopté la estética skinhead. Me tatué la espalda con un enorme retrato de Rudolf Hess, lugarteniente del Führer. Contribuí a crear diversos grupos NS, nacionalsocialistas. Me preparé físicamente para la batalla, participando en entrenamientos físicos extremos en la sierra de Madrid. Igual de rápido que ascendí hasta la cima de la organización, me despeñé por un precipicio que me situó a las puertas del terrorismo. Un día empecé a dudar. Inicié un proceso que arrasó mi identidad. El alcoholismo y el cañón de una pistola metido en la boca fueron la señal de que había tocado fondo. Si hace diez años me hubieran dicho que acabaría escribiendo este libro, sin lugar a dudas me habría arrojado de un puente para evitarlo. Decir que pasé dos décadas en la ultraderecha no reflejaría lo que viví. Fue mucho más que asumir una ideología. Disfrazado de ideología política, el fanatismo amenaza con volver a irrumpir en nuestra sociedad. Es posible detenerlo.»

Ayer, mañana Benito Rabal,2023-02-23 Una historia de amistad en la que se nos describe la situación de un grupo de jóvenes de clase media en el Madrid y la España posterior a Mayo del 68 y que llega aproximadamente hasta los primeros años de la Transición. Novela con un tono marcadamente autobiográfico en el que se muestran las ilusiones y la pérdida de las mismas al pasar a la edad adulta en una sociedad en la que se vive el último período de una dictadura y en la que todavía se ejerce la represión contra núcleos izquierdistas que luchan por la libertad. El narrador descubrirá su interés por el mundo del cine; a eso ayudará su estancia en Roma, que le abrirá las puertas de ese campo. El libro recupera la Italia de esos años convertida en lugar de refugio y marcada por la continua tensión social.

Contraeconomía Konkin III Samuel Edward,2024-03-17 Manual de liberación o autoayuda para personas que no aceptan ayuda del Estado y su vida en la clandestinidad; sobre todo para aquellos que necesitan de la clandestinidad y aplicar los principios de contraeconomía aplicada

Inminente Luis Elizondo,2025-03-14 Luis “Lue” Elizondo es un exalto funcionario de inteligencia y agente especial que, en su día, fue reclutado en un programa extraño y muy sensible del Gobierno de los Estados Unidos, para investigar incursiones de FANI (Fenómenos Aéreos No Identificados), tanto en instalaciones militares sensibles como en el espacio aéreo. Para cumplir su misión, Elizondo tuvo que recurrir a décadas de experiencia adquirida trabajando en algunos de los

programas más sensibles y clasificados de los Estados Unidos. Aun así, no estaba preparado para lo que descubriría: la verdad sobre la prolongada y sombría implicación del gobierno en las investigaciones sobre FANI y las medidas extremas que los funcionarios tomaban para mantenerlas en secreto. La apuesta no podría ser más alta. Inminente es un relato revelador, de primera mano, sobre el secreto más celosamente guardado del Pentágono, y es también una llamada a la acción para enfrentarnos a las mayores preguntas existenciales sobre la humanidad.

Plants and Animals in Latin American Cultural Production Cristina E. Pardo Porto,Oscar A. Pérez,2025-12-16 Challenging anthropocentric perspectives by highlighting cultural representations of plants and animals across Latin American history The first book to integrate both critical plant studies and critical animal studies within the context of Latin American culture, this collection explores the relationships between plants, animals, and humans across various countries and historical periods and through various kinds of media. Acknowledging nonhuman species as coproducers of culture, this volume offers a deeper understanding of the region's natural environment and humanity's place in it. Contributors analyze a wide range of cultural production, including recent science films on monarch butterfly migration, nineteenth-century photographs of Panama, the eighteenth-century diary of a nun in New Granada, 1920s Brazilian landscape paintings, contemporary Zapotec poetry, and twentieth-century vegetarian cookbooks from Uruguay and Mexico. By focusing on plants and animals, these essays uncover the entanglements of nonhuman lives with issues such as race, gender, labor, and coloniality, while highlighting other-than-human ways of living, knowing, and communicating. *Plants and Animals in Latin American Cultural Production* promotes a deeper understanding of cultural forms in Latin America and breaks down disciplinary divides—both between critical animal studies and critical plant studies and among fields such as literary studies, film studies, and art history. Ultimately, this collection challenges anthropocentric perspectives as it offers new pathways to think about and with plants and animals. Contributors: Patricia Isabel Lontro Marder Vieira | Jorge Quintana Navarrete | Beatriz Rivera-Barnes | Brian T. Chandler | Oscar A. Pérez | Niall A. El Libro español ,1981

The Cookbook William Powell,2021-09-07 William Powell wrote *The Anarchist Cookbook* in 1969 at the age of nineteen. It included everything from making bombs to brewing LSD in the bathroom. On publication, it was hailed variously as outrageous, extremely dangerous, communist, and the most irresponsible publishing venture in American history. It also became an overnight bestseller. Powell's memoir chronicles the atmosphere of the 1960's counterculture—the Civil Rights

Movement was at its height and the federal government was engaged in a brutal and entirely unnecessary war in Southeast Asia. The zeitgeist was radicalization, and the watchword was revolution, and Powell left an enduring record of his thoughts and anger in the shape of *The Anarchist Cookbook*. *The Cookbook: Coming of Age in Turbulent Times* portrays Powell's rebellious adolescence, political radicalization, the publication of the book, the firestorm of controversy that followed, and how it shadowed his entire life. He explores his feelings and the lessons learned, and how he went on to help hundreds of children all over the world in education.
