

Nossa Harmonia Livro

Alberto Pucheu, Caio Meira

Revista Academia Brasileira de Letras, 1911

Equilíbrio Davi Frazão, 2025-09-14 Em todo o universo, não há nada mais complexo do que o ser humano em sua essência, com suas crenças e espiritualidades. E não há nada que desperte mais curiosidade do que a vida. O livro *Equilíbrio*, de Davi Frazão, é uma viagem equilibrada e não ilusória, que busca desvendar esses mistérios, explorando a trajetória humana, suas ações e práticas. Através da poesia, o livro aborda diversos temas, sempre centrados na humanidade. Algumas poesias são acompanhadas de comentários que facilitam a compreensão e despertam caminhos e curiosidades nos leitores. Além disso, *Equilíbrio* é um poderoso instrumento pedagógico para trabalhar Ciências Humanas e suas Tecnologias, Linguagem e várias outras áreas acadêmicas. Os comentários presentes em algumas poesias auxiliam na interpretação, percepção e construção de uma sensibilidade crítica. Considerando a importância de interpretar o passado para entender o presente e construir um futuro melhor, a metodologia de usar poesia para despertar essas curiosidades é uma ferramenta poderosa para buscar entender quem somos, onde estamos e aonde queremos chegar. *Equilíbrio* é uma poderosa arma para o desenvolvimento humano, refletindo a profundidade e a complexidade da experiência humana.

A Glorificação do senador Pinheiro Machado, 1923

Evangelho e Saúde Mônica Magnavita, 2023-03-10 O ponto de partida deste livro é o de que a vivência diária dos princípios cristãos pode reduzir doenças e desequilíbrios, a partir do estudo da interrelação entre os conceitos da ética cristã e da Ciência. A química do corpo humano age e reage em função de sentimentos, pensamentos e emoções, combustíveis para seu funcionamento, além, evidentemente, da alimentação e do estilo de vida. Mas fato é que, em larga escala, da qualidade dos sentimentos resultará seu bom ou mau desempenho. Quando utilizamos combustíveis inadequados — ou seja, ódio, egoísmo, orgulho, inveja, por exemplo —, o funcionamento harmonioso do organismo começa a falhar. E bem-estar inclui saúde física, psicológica, social e ambiental. Por que a Medicina não evita as doenças? Porque a Medicina é basicamente voltada para curar doenças, não para evitá-las. Quando nossas aspirações e a realidade entram em choque advém o sofrimento, e a repetição sistemática de frustrações e desprazer facilitam o surgimento de doenças. Mas em que as palavras de Jesus podem mudar tal processo? A ideia de Deus pode influenciar nossa saúde física e psicológica? Podemos ter qualidade de vida na conturbada sociedade em que vivemos contrariando a ética cristã? Não há milagres. Atingiremos um

estado de equilíbrio físico e psíquico no momento em que melhorarmos a qualidade de nossos sentimentos.

Consciência é o que eu sou Joel S. Goldsmith, 2023-05-10 O autor traz ensinamentos diretos e claros que podem levar os estudantes de seus livros à construção da casa erguida sem mãos humanas, que se eterniza espiritualmente. O materialismo precisa ser superado antes que possamos entrar nessa consciência de quarta dimensão que transcende o tempo-espaço. Somente então nos tornamos plenamente conscientes do propósito divino de nossa existência. Nesta obra, Goldsmith explica como é possível usar nossas mentes para recebermos, por meio da meditação, a orientação do Deus que habita em nossa consciência, a fim de vivermos uma existência de amor incondicional.

Quem É O Deus De Abraão, De Isaque E De Jacó? Zélio Cabral, 2016-05-26 Você Conhece o Deus de Israel? Yud Hê Vav Hê, revelado nas Sagradas Escrituras como o Deus de Abraão, de Isaque e de Jacó. Não tenho dúvida de que seja muito importante conhecermos a este Deus, até porque, o Senhor ensinou a seu povo que os nomes carregam significado e importância. Vejamos alguns exemplos: 1-Elohim - O nome Elohim é plural de El que significa força, poder (Gênesis 1.1) 2- El Shaddai - Gênesis 17.1. O Deus todo Poderoso, Aquele que é mais do que suficiente. 3-Jeová Tsidkenu - Nossa Justiça. (Jeremias 23.6). Ele é justo. Ele é a nossa justiça. Etc. Ao pronunciarmos o Salmo 23, estamos dizendo oito nomes de Deus: O Senhor é meu pastor (Jeová Rohi), nada me faltará - (Jeová Jiré) Tu me fazes repousar em pastos verdejantes. Leva-me para junto das águas de descanso (Jeová Shalom) Refrigeras minha alma (Jeová Rapha), Guia-me pelas veredas da justiça (Jeová Tsidkenu) por amor do Teu Nome. Ainda que eu ande pelo Vale da Sombra da Morte, não temerei mal nenhum (Jeová Sabaoth, me defenderá), porque Tu estás comigo (Jeová Shamma sempre presente): a tua vara e o Teu cajado me consolam. Prepara-me uma mesa na presença dos meus inimigos (Jeová Nissi, minha bandeira e vitória) unges a minha cabeça com óleo, o meu cálice transborda. Bondade e Misericórdia certamente me seguirão todos os dias da minha vida e habitarei na Tua Casa para todo o sempre. Ligando os Salmos à vida, à morte e à ressurreição de Nosso Senhor Jesus Cristo, sabemos perfeitamente que a síntese do Nome de Deus é e só pode ser Amor. Ele ama cada um de nós com toda a intensidade. Isso é maravilhoso!

A arte dos encontros Priya Parker, 2022-08-19 Uma nova abordagem que vai transformar a maneira como compartilhamos nosso tempo em casa, no trabalho e em sociedade. A arte dos encontros é um livro para qualquer um que já tenha se perguntado como tornar um encontro inesquecível — e significativo. Especialista em relações humanas e em mediações de conflito, Priya Parker argumenta que grande parte de nossos encontros e reuniões são triviais e improdutivos. Para quebrar esse padrão, ela propõe um novo paradigma, baseado na essência de cada interação entre as pessoas. Esse novo enfoque nos ajuda a criar experiências memoráveis e significativas. A autora examina uma ampla gama de encontros — conferências, reuniões, uma audiência, uma festa, um acampamento — e explica como mudanças simples e específicas podem revigorar qualquer experiência em grupo. O resultado é um guia cheio de ideias instigantes, com aplicações para o

dia a dia. A arte dos encontros mudará para sempre a maneira como você lida com suas reuniões, sejam elas pessoais ou profissionais. Um dos livros mais transformadores que li nos últimos anos. — Daniel H. Pink Um livro fantástico. Coisas boas acontecem quando as pessoas se conectam. Especialmente quando seguimos os sábios conselhos de Priya. — Forbes

O Cultivo Espiritual em Tempos de Conectividade Francisco Galvão, 2019-01-21 Escrito entre a agitação de São Paulo e o silêncio de Medellín, este é um livro para quem vive o descompasso da pressa e deseja reconectar-se consigo mesmo. É um despretenso convite à busca de sentido e harmonia em um mundo marcado por sofrimento e angústia. Um livro para todos aqueles que – professando ou não uma religião – continuam ávidos de sabedoria, compaixão e transcendência. Não é um livro apenas para mentes conectadas à internet, mas também para mentes conectadas aos excessos da vida contemporânea. É um livro sobre pausa e silêncio, mas também sobre contentamento e vida feliz.

Os cinco elementos na alimentação equilibrada Ilse Maria Fahrnow, Jürgen Fahrnow, 2003

Quem é você? Além do que pensa que é! Norma Teixeira Vicente, 2020-12-15 Há muito Conhecimento para lembrar. O que a autora Norma Teixeira Vicente apresenta neste livro é apenas um pouco do que foi lembrando através da meditação diária, e o que alguns Seres Superiores a ajudaram a lembrar: a nossa origem cósmica e as leis que a sustentam, os 19 Universos e como nos projetamos neles, nossas habilidades além da matéria, a importância do Amor no nosso viver diário e a presença dos Sons Cósmicos no nosso corpo. Norma convida-lhe a abrir um espaço na sua mente concreta para refletir sobre essas possibilidades e informações que relata e que já estão em você. É sempre enriquecedor quando nos abrimos para ouvir sobre outras experiências, novos paradigmas e sobre a retirada de véus entre o mental concreto, o mental abstrato e o mental superior.

Quem quer (pode) ser negro no Brasil? Rodrigo Ednilson de Jesus, 2021-04-30 Ao longo da primeira década deste século, a UFMG incentivou políticas de ações afirmativas para minimizar as desigualdades no acesso da população negra ao ensino superior. Em 2009, implementou a política de bônus, além de exigir uma autodeclaração racial. Porém, a partir de 2017, emergiram denúncias de fraudes, evidenciando uma incompatibilidade entre o modo como os candidatos se veem (autodeclaração) e o modo como os demais estudantes, de modo particular os negros, os enxergam (heteroidentificação). Como resultado desse movimento, a UFMG criou mecanismos complementares: os procedimentos de heteroidentificação racial; fundamentais no debate sobre as identidades raciais do brasileiro e do Brasil. Em um país onde se declarar, ou ser identificado como negro sempre foi visto como algo negativo, tal prática introduz duas perguntas inéditas: Quem quer se declarar negro (preto ou pardo) no Brasil? e Quem pode se declarar negro (preto ou pardo) no Brasil?
