## Renée Carlino

**Swear on This Life** Renée Carlino, 2016-08-09 Booklist, Top 10 Women's Fiction of 2016 Goodreads Best Romance of August Redbook.com's "20 Books by Women You Must Read This Fall" Popsugar's "21 Fiction Reads to Add to Your Fall Reading List" Bustle's "11 New Romance Books Perfect for Summer Beach Reading" Brit+Co's "16 Must-Read Adult Books Out in August" Sunset magazine's "Bookmark this: Your ultimate summer reading list" From USA TODAY bestselling author Renée Carlino (*Before We Were Strangers*), a warm and witty novel about a struggling writer who must come to grips with her past, present, and future after she discovers that she's the inspiration for a pseudonymously published bestselling novel. When a bestselling debut novel from mysterious author J. Colby becomes the literary event of the year, Emiline reads it reluctantly. As an adjunct writing instructor at UC San Diego with her own stalled literary career and a bumpy long-term relationship, Emiline isn't thrilled to celebrate the accomplishments of a young and gifted writer. Yet from the very first page, Emiline is entranced by the story of Emerson and Jackson, two childhood best friends who fall in love and dream of a better life beyond the long dirt road that winds through their impoverished town in rural Ohio. That's because the novel is patterned on Emiline's own dark and desperate childhood, which means that "J. Colby" must be Jase: the best friend and first love she hasn't seen in over a decade. Far from being flattered that he wrote the novel from her perspective, Emiline is furious that he co-opted her painful past and took some dramatic creative liberties with the ending. The only way she can put her mind at ease is to find and confront "J. Colby," but is she prepared to learn the truth behind the fiction?

**Swear on This Life** Renée Carlino, 2016-08-09 When a young graduate student discovers she is the romantic inspiration behind a pseudonymously published literary sensation, she embarks on a search for the elusive writer--

*Wish You Were Here* Renée Carlino, 2017-08-15 You know when you're looking at someone and you can't help but smile at how oblivious they are to their own charm? That's what was happening to me, and it was making me feel...happy. Euphoric. Something indescribable. It was like we already knew each other, like we had met in a previous life. Memories that didn't exist began exploding in my mind like fireworks.--

**The Readers' Advisory Guide to Genre Fiction, Third Edition** Neal Wyatt, Joyce G. Saricks, 2019-07-03 Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought-provoking, romantic, and just plain fun is back—and better than ever in this completely revamped and revised edition. A must for every readers' advisory desk, this resource is

also a useful tool for collection development librarians and students in LIS programs. Inside, RA experts Wyatt and Saricks cover genres such as Psychological Suspense, Horror, Science Fiction, Fantasy, Romance, Mystery, Literary and Historical Fiction, and introduce the concepts of Adrenaline and Relationship Fiction; include everything advisors need to get up to speed on a genre, including its appeal characteristics, key authors, sure bets, and trends; demonstrate how genres overlap and connect, plus suggestions for guiding readers among genres; and tie genre fiction to the whole collection, including nonfiction, audiobooks, graphic novels, film and TV, poetry, and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love.

**Before We Were Strangers** Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?  
M

*Nowhere but Here* Renée Carlino, 2014-05-05 A jaded Chicago reporter in her twenties unexpectedly finds love in Napa Valley when she's assigned to spend a week with a famously reclusive genius in this rich and deeply satisfying contemporary romance by the USA TODAY bestselling author of *Sweet Thing*. Kate Corbin has lost her spark. A year ago, she had a handsome boyfriend and a budding career as a reporter at a popular Chicago newspaper. But after the woman who raised her passed away, leaving her lost and alone, she fell into a rut—and never got out. Now she's stuck writing fluff pieces about lipstick and wine, and feeling trapped in a relationship that's going nowhere. Trusting that the hungry, ace reporter is buried somewhere deep inside, Kate's boss and mentor gives her the opportunity to jump-start her career. The assignment: spend a

week interviewing R. J. Lawson, a famously reclusive tech genius who disappeared years ago but recently reemerged as the owner of a well-respected Napa Valley winery. Kate jumps at the chance, but the trip begins in disaster, both personally and professionally. After alienating R.J., her only saving grace is Jamie, a charming vineyard hand who shows her the beauty of wine country—and stirs her aching heart. It doesn't take long for Kate and Jamie to fall hard, and for Kate to rethink her life in the city. But the week ends with a heartbreaking journey back to Chicago that sends Kate reeling, wondering what went wrong in those four perfect days.

Blind Kiss Renée Carlino, 2018-08-14 Heartfelt, honest and simply wonderful. — Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* From the bestselling author of *Before We Were Strangers*, *Swear on this Life*, and *Wish You Were Here* comes a powerful story of two people who spend years denying their scientifically proven chemistry. Penny spends her afternoons sitting outside a sandwich shop, surrounded by ghosts. Fourteen years ago, this shop was her childhood dance studio—and she was a dancer on the rise. Now she's a suburban housewife, dreading the moment her son departs for MIT, leaving her with an impeccably decorated McMansion and a failing marriage. She had her chance at wild, stars-in-her-eyes happiness, but that was a lifetime ago. After *The Kiss*. Before *The Decision*. The Kiss was soulful. Magical. Earth-shattering. And it was all for a free gift card. Asked to participate in a psych study that posed the question, "Can you have sexual chemistry without knowing what the other person looks like?" Penny agreed to be blindfolded, make polite conversation with a total stranger, and kiss him. She never expected *The Kiss* to change her life forever and introduce her to Gavin: tattooed, gorgeous, and spontaneous enough to ask her out seconds after the blindfolds came off. For a year, they danced between friendship and romance—until Penny made *The Decision* that forced them to settle for friendship. Now, fourteen years later, both of their lives are about to radically change—and it's his turn to decide what will become of their once-in-a-lifetime connection.

Lucian Divine Renee Carlino, 2017-01-09 From USA Today Bestselling Author, Renée Carlino, comes a totally unique love story that is sure to make you question what's out there . . . or who. My guardian angel is a drunk. Evelyn Casey's life is at a standstill. She's in her mid-twenties, struggling with the dating scene in San Francisco. Nothing seems to be working out, and she's starting to think that she'll live out her days in her crummy apartment with her overbearing roommate, Brooklyn. It's absurd, but sometimes Evey longs for a guardian angel to show up and save the day. And then he does. Seriously. His name is Lucian and he's a guardian angel, been on the job for two thousand years. His sudden presence in her life is both good—he's brilliant, witty, and warm—and bad—he's brilliant, witty, warm, and hot as ----. But as perfect as Lucian seems, he's got problems of his own. He's taken up drinking and he's brazenly inserted himself into Evey's life, going against the greatest cosmic law ever created. For Evey, the rules are simple: You are not allowed to hook up with your guardian angel. But sometimes fulfilling your destiny requires a leap of faith, a confrontation with God. Yes, God as in God.

**Nur einen Herzschlag entfernt** Renée Carlino, 2020-03-27 Als der Debutroman des mysteriösen Autors J. Colby zur literarischen Sensation des Jahres wird, ist die junge Unidozentin Emiline neugierig, was hinter dem Hype steckt. Doch dann entdeckt sie, dass das Buch ihre eigene unglückliche Kindheit erzählt. Was bedeutet, Jackson muss Jase sein, ihr einst bester Freund und erste große Liebe, den sie seit über zehn Jahren nicht mehr gesehen hat. Zutiefst verletzt von dem Verrat macht sie sich auf die Suche, um ihn zur Rede zu stellen. Bald muss sie sich fragen, ob sie tatsächlich erfahren will, was damals geschah ...

*After the Rain* Renée Carlino, 2014-11-11 From the USA TODAY bestselling author of *Before We Were Strangers* comes a breathtaking novel about the second chances waiting beyond the shattered dreams of youth. When eighteen-year-old Avelina Belo meets a charismatic cowboy the summer before her senior year of high school, she doesn't know that accepting his invitation to dinner will lead to a whirlwind marriage three months later and an exciting new life on a Montana ranch. She also doesn't know that, in a few short years, fate will send everything crashing down around her. A thousand miles away and fresh out of medical school, Nate Meyers is poised to become UCLA's next superstar heart surgeon. His laser focus is the key to his success, but it's also his greatest liability. When a routine surgery ends in disaster, derailing his career, he's confronted with the hard truth: there's no one waiting for him at home, no one to help him pick up the pieces. Regrouping on his uncle's Montana ranch, Nate meets Avelina, a beautiful but mysterious young woman who keeps to herself and barely speaks a word. As he discovers the details of her devastating past, Avelina teaches him more about matters of the heart than he ever knew before. But can they trust each other enough to put everything on the line?

**The Last Post** Renée Carlino, 2019-08-20 In this evocative and poignant novel from the USA TODAY bestselling author of *Before We Were Strangers*, a young widow in the midst of grieving her late husband through Facebook posts learns to heal and fall in love again. "See you on the other side." Laya Marston's husband, Cameron, a daredevil enthusiast, always said this before heading off on his next adventure. He was the complete opposite of her, ready and willing to dive off a cliff-face, or parachute across a canyon—and Laya loved him for it. But she was different: pragmatic, regimented, devoted to her career and to supporting Cameron from the sidelines of his death-defying feats. Opposites attract, right? But when Cameron dies suddenly and tragically, all the stages of grief go out the window. Laya becomes lost in denial, living in the delusion that Cameron will come back to her. She begins posting on his Facebook page, reminiscing about their life together, and imagining new adventures for the two of them. Micah Evans, a young and handsome architect at Laya's father's firm, is also stuck--paralyzed by the banal details of his career, his friendships, and his love life. He doesn't know what he's looking for, only that there is someone out there who can bring energy and spirit to the humdrum of his life. When Micah discovers Laya's tragic and bizarre Facebook posts, he's determined to show Laya her life is still worth living. Leaving her anonymous gifts and notes, trying to recreate the sense of adventure she once shared with her late husband, Micah finds a new passion

watching Laya come out of the darkness. And Laya finds a new joy in the experiences Micah has created for her. But for Laya, letting another man in still feels like a betrayal to her late husband. Even though Micah may be everything she could wish for, she wonders if she deserves to find happiness again. Written with Renée Carlino's signature "tender and satisfying" (Taylor Jenkins Reid, author of *Maybe in Another Life*) prose, this warm and compassionate novel shows us how powerful the courage to love and live again truly is.

Sweet Thing Renée Carlino, 2014-01-07 A contemporary new adult romance novel about a woman who runs a cafe in New York's East Village and her romance with an up and coming musician--

This Used to Be Us Renée Carlino, 2024-07-09 There are two sides to every love story—and every breakup. Get ready for an emotional roller coaster of family, marriage, and divorce that will have you both laughing and crying, from the bestselling author of *Before We Were Strangers*. "Hilarious, unnervingly relatable, romantic, and heartbreaking in the best way."—Julia Stiles "This book is a gut-punch to the feels."—Karina Halle, New York Times bestselling author After twenty-two years together, Danielle and Alex are getting a divorce. Once fiercely in love, they can barely stand the sound of each other's voice. Instead of shuttling the kids between two broken homes, Alex and Dani decide to share a nesting apartment while swapping days with their two teenage boys at the family home. In the apartment, Dani and Alex, on their own, begin to reflect on the last two decades—why they fell in love and why the marriage fell, spectacularly, apart. With the newfound space and time, they are given a chance to rediscover their autonomous selves again. They both get back in the dating pool. Dani finds major success at work as a showrunner on her own TV project, while Alex faces the challenges of a new relationship. Still, they find that they just can't stay away from each other, and somehow, the distance allows them to remember (for the first time in years) what each used to love about the other. When a family crisis draws them back into each other's orbit, Dani and Alex are once again put to the test, which leads to a dramatic conclusion that will have readers weeping.
