First Evan Thomas, 2019-03-19 NEW YORK TIMES BESTSELLER • The intimate, inspiring, and authoritative biography of Sandra Day O'Connor, America's first female Supreme Court justice, drawing on exclusive interviews and first-time access to Justice O'Connor's archives—as seen on PBS's American Experience “She's a hero for our time, and this is the biography for our time.”—Walter Isaacson Finalist for the Los Angeles Times Book Prize • Named One of the Best Books of the Year by NPR and The Washington Post She was born in 1930 in El Paso and grew up on a cattle ranch in Arizona. At a time when women were expected to be homemakers, she set her sights on Stanford University. When she graduated near the top of her law school class in 1952, no firm would even interview her. But Sandra Day O'Connor's story is that of a woman who repeatedly shattered glass ceilings—doing so with a blend of grace, wisdom, humor, understatement, and cowgirl toughness. She became the first ever female majority leader of a state senate. As a judge on the Arizona Court of Appeals, she stood up to corrupt lawyers and humanized the law. When she arrived at the United States Supreme Court, appointed by President Ronald Reagan in 1981, she began a quarter-century tenure on the Court, hearing cases that ultimately shaped American law. Diagnosed with cancer at fifty-eight, and caring for a husband with Alzheimer's, O'Connor endured every difficulty with grit and poise. Women and men who want to be leaders and be first in their own lives—who want to learn when to walk away and when to stand their ground—will be inspired by O'Connor's example. This is a remarkably vivid and personal portrait of a woman who loved her family, who believed in serving her country, and who, when she became the most powerful woman in America, built a bridge forward for all women. Praise for *First* “Cinematic . . . poignant . . . illuminating and eminently readable . . . First gives us a real sense of Sandra Day O'Connor the human being. . . . Thomas gives O'Connor the credit she deserves.”—The Washington Post “[A] fascinating and revelatory biography . . . a richly detailed picture of [O'Connor's] personal and professional life . . . Evan Thomas's book is not just a biography of a remarkable woman, but an elegy for a worldview that, in law as well as politics, has disappeared from the nation's main stages.”—The New York Times Book Review

Sandra Day O'Connor Ann Carey McFeatters, 2006-03-15 On July 1, 1981, President Ronald Reagan interviewed Sandra Day O'Connor as a candidate for the United States Supreme Court. A few days later, he called her. Sandra, I'd like to announce your nomination to the Court tomorrow. Is that all right with you? Scared and wondering if this was a mistake, the little-known judge from Arizona was on her way to becoming the first woman justice and one of the most powerful women in the nation. Born in El Paso, Texas, O'Connor grew up on the Lazy B, a cattle ranch that spanned the Arizona-New Mexico border. There she learned lifelong lessons about self-reliance, hard work, and the joy of the outdoors. Ann Carey McFeatters sketches O'Connor's formative years there and at Stanford University and her inability to find a job--law firms had no interest in hiring a woman lawyer. McFeatters writes about how O'Connor juggled marriage, a career in law and politics, three sons, breast cancer, and the demands of fame. In this second volume in the Women's Biography Series, we learn how O'Connor became the Court's most important vote on such issues as abortion, affirmative action, the death penalty, the role of religion in society, and the election of a president, decisions that shaped a generation of Americans.
