Appified Jeremy Wade Morris,Sarah Murray,2018-10-23 Snapchat. WhatsApp. Ashley Madison. Fitbit. Tinder. Periscope. How do we make sense of how apps like these-and thousands of others-have embedded themselves into our daily routines, permeating the background of ordinary life and standing at-the-ready to be used on our smartphones and tablets? When we look at any single app, it's hard to imagine how such a small piece of software could be particularly notable. But if we look at a collection of them, we see a bigger picture that reveals how the quotidian activities apps encompass are far from banal: connecting with friends (and strangers and enemies), sharing memories (and personally identifying information), making art (and trash), navigating spaces (and reshaping places in the process). While the sheer number of apps is overwhelming, as are the range of activities they address, each one offers an opportunity for us to seek out meaning in the mundane. Appified is the first scholarly volume to examine individual apps within the wider historical and cultural context of media and cultural studies scholarship, attuned to issues of politics and power, identity and the everyday.

Love Digitally Melanie Taylor,2025-09-11 Morning, Josh." "Night, Webbo." Childhood sweethearts, Erin Webster and Josh Hardy are getting married ... But they haven't seen each other for twenty years. Erin lives in Yorkshire, whilst Josh lives in New Zealand, on the other side of the world. When it's her evening, it's his morning. When the sun's rising for her, it's setting for him. And while Erin is a carer to her mum, Josh has a daughter, so neither can relocate to be together. Let's not even mention the cruel tragedy that ripped them apart when they were teenagers, that neither of them ever got over. In this digital age of video calls, Bluetooth heartbeats, and long-range, remotely controlled vibrators, Erin and Josh are about to find out if it is possible for love to transcend oceans, time zones and dodgy Wi-Fi. Can their relationship really go the distance?

The Ultimate Body Plan for New Mums Gemma Atkinson,2022-04-14 The ultimate holistic fitness guide for new mums, including a gentle 12-week Baby Steps Body Plan, 75 nutritious and simple recipes, and tips on self-care. 'I assure you that the phrase snapping back does not appear within these pages in anything other than an angry way! Instead, this is a feel stronger, healthier and more confident plan.' The Ultimate Body Plan for New Mums is the second fitness and recipe book

from actress, presenter and fitness guru Gemma Atkinson. Based on her own experiences, Gemma wants to help other new mums ease their way back into exercise and nourish themselves with the right kinds of food. This is not about weight loss or dieting, or unachievable workout routines. Instead, it's a book that keeps things real, with a focus on safe post-natal exercises that have been divided into those you can do at home and those you can use to build your confidence when returning to the gym. These exercises form the 12-week Baby Steps Body Plan, which can be started six weeks after giving birth. Along with 75 nutritious and simple recipes, perfect for fitting around a newborn baby's routine, the book will also include self-care advice for being kind to yourself during those early weeks and months of getting used to being a new mum. Gemma will share her own experiences of giving birth and caring for her new baby, including the impact on both her body and her mental health. Crucially, she didn't put herself under any pressure to lose weight or to follow a diet regime after giving birth to her daughter; instead, she gave herself time to find her way back to herself, through carefully structured post-natal fitness routines and eating well - and now she wants to help other new mums to do the same. Alongside the recipes and fitness plan, Gemma will also share the secrets behind her seemingly boundless energy and positivity!

Dating Dr. Dil Nisha Sharma, 2022-03-15 Nisha Sharma's Dating Dr. Dil is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a gooey, heartwarming center. The perfect addition to any rom-com lover's shelf. —Emily Henry, #1 New York Times bestselling author of People We Meet on Vacation Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the Dr. Dil Show. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this Taming of the Shrew re-imagination, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. "Bursting with character, spicy tension and laughs, Dating Dr. Dil is the enemies to lovers dream book!" —Tessa Bailey, New York Times bestselling author of It Happened One
