S. M. Gaither

The Queen of the Dawn S. M. Gaither,2023-10 The light cannot always overcome the dark. But it can rise to meet it. Against all odds, Casia Greythorne has survived battles with gods and monsters alike, and the most powerful crown in the Kethran Empire is now securely in her grasp. Yet a seemingly impossible task still looms: finding a way to rid her world of its darkest god so she actually has a future to rule over. The path to sealing that god away has been revealed, but to follow it will mean venturing into a deadly and strange new realm, facing old fears and enemies, and deciphering ancient magic that raises more questions than answers. Meanwhile, chaos continues to spread throughout the empires. Armies rise and fall. The bonds between allies begin to fray-and hope along with it. And with every bloody battle, the final cost of saving their world becomes clearer. Dawn is coming, but will Casia and her friends survive to see the new day?

The Song of the Marked S. M. Gaither,2022-02-17 The old gods are growing restless. An ancient evil is stirring. Can they stop the coming storm? Mercenary Casia Greythorne cares about two things: Completing whatever her latest job is, and earning enough coin to buy the expensive medicine that's keeping her mentor alive. So when the king himself offers her a job, she can't resist the massive reward he offers-even if it means working with Captain Elander, the arrogant, mysterious right-hand to that king. Her partner may be infuriating, but at least their mission seems simple and quick enough: Investigate the origins of the strange plague that's been ravaging their empire, help find a cure, and then call it a day. But in a land brimming with old magic and meddling gods, nothing is ever that simple, and nothing is ever what it seems. As the bodies pile up and strange monsters begin to wreak havoc throughout the realms, Cas and Elander will have to work together to protect their world whether they like it or not. Because one thing is clear: Something ancient and evil is stirring in the shadows of that world. And their empire will not survive its full unleashing.

A Twist of the Blade S. M. Gaither,2023-06-08 Mercenary. Survivor. Queen. Casia Greythorne's world has been shattered. Still reeling from a devastating loss and the revelation of an identity she wasn't ready for, she must now also master the strange magic that's awakening within her. But first she must lead her friends through cursed lands and the dwellings of the gods, away from the crumbling empire and the king-emperor who clutches the crown with ever-bloodier hands. All while knowing the true threat may be someone she came dangerously close to falling for. . . Elander Revenmar thought he knew who he was. He had a mission, a god he was content to serve. Then came a woman he should have stayed

away from; whose life he never should have saved. Because salvation comes with a cost. And some debts must be paid in blood.

A Crown of the Gods S. M. Gaither,2022-06-28 Gods have fallen. A queen is rising. And the world will never be the same. The highest throne in the Kethran Empire lies vacant, its once-ruler now a god-ascending, bringing more chaos and darkness to an already chaotic world. The line between the divine and mortal realms is blurring. The battlefield is set. A final, devastating war is on the horizon. Casia Greythorne has finally come home to claim the throne that is rightfully hers-one that she hopes she can use to unite her empire and help it survive a war with the very gods themselves. But to take hold of her crown, she'll have to wrestle it free of a past that she's avoided for too long. One that is even more complicated than she realized. The answers she needs to win her war-and save her world and the people she loves-all lie within that past... But discovering them might destroy any hope she has of a future.

Ruin of a Crown M. Lynn,Melissa A. Craven,2025-07-10 Before the dawn of a new age can begin, the old one must die. An empire will crumble. And a champion will lose. It's the same every millennia when the cycle of prophecy begins anew. One by one, the kingdoms of Teitora fall to the words of a book written long ago. On the run, Samara and the Chosen seek refuge in a city that now sees them as traitors. As they regroup, deciding how to face the fallout from their actions, Odessa returns with a broken Keeper and a warning: the dragons have awakened—but that's not the only danger. Pandora, the long-lost Moirai sibling, has arrived, ready to claim her own place in the prophecy's deadly game. She brings with her a chaotic past, a volatile mind, and an unbreakable bond to the dragons, creatures whose loyalty could shift the tides of war. Now, the prophecy looms closer than ever, forcing each sister to confront a harsh truth: only one of them can claim the dragons' allegiance, and each must fight to ensure her own survival. But the stakes are high, and the cost is steep. Samara, in love with a man bound by duty, and Odessa, slipping further into the darkness of the Shadow Crown, are forced to face their final reckoning. Sisterhood will no longer save them. As the prophecy unfolds, their paths are clear: to survive, they must become enemies. The true battle has just begun, and whoever claims the dragons will shape the fate of the kingdom—but at what cost to their own souls?
