The Magic in Your Mind Uell Stanley Andersen, 1975

The Magic in Your Mind Uell S Andersen, 2023-02-08 This book reveals a mental magic that guarantees increased achievement and assures success. Many people have locked themselves in prisons of their own making because they have been unsuccessful. The Magic in Your Mind teaches the magic by which men become free and begin to grow into the image of the secret self. Perfect action and perfect works stem from an inner conviction of the mental cause behind all things. A man changes the state of his outer world by first changing the state of his inner world. Everything that comes to him from outside is the result of his own consciousness. When he changes that consciousness he alters his perception and thus the world he sees. By understanding the process and effect of mental imagery, he goes directly along the correct path to his goal.
