

The Opposite Of Faith Is Not Doubt

Friedrich Adolph Philippi

Ethical Issues that Matter Enoch Hammond Oglesby, 2002 Faith communities have always struggled with the questions of ethical method and cultural inclusivity. Accordingly, Ethical Issues that Matter enlarges the methodological discussion among ethicists and theologians by adopting the landscape of a mountain as a useful metaphor for racism.

James (Understanding the Bible Commentary Series) Peter H. Davids, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series.

People Under Construction Edwin Zackrison, Ph.D., 2020-01-16 People under Construction By: Edwin Zackrison, Ph.D. The issue of recovery is not new to twenty-first-century human beings. We struggle with the need for recovery from injury, disease, and pain. These are largely medical concerns and they can fill our lives with details. People under Construction deals with spirit and relationship. Often a “self-help” book presents a series of steps and secrets. This is not a “self-help book” and the author does not plan to present many steps or secrets. Every chapter will deal with the Spirit and build an understanding of what Christianity does to show the working of the Spirit.
