Olinda Capece

Spiritual Game Olinda Capece, 2015-09-20 Seek the seeker instead of enlightenment. Once you find the seeker, enlightenment is already there. This book isn't about enlightenment, but about you, the seeker. To Kiran Baba when people come to India seeking a spiritual life, or enlightenment, as it is better known among seekers, they come with many misunderstandings and misconceptions about life itself. These misunderstandings and misconceptions if not properly understood can lead people to much more misunderstandings and confusion, and even make them prone to get easily caught in what Kiran Baba calls "The Holy Business," which seems to be an increasing factor in India, due to the number of foreigners who are heading to the Country every year in search of spiritual guidance. In his discourses Kiran Baba shares with his friends - the seekers - his understanding about life; how it naturally functions. He speaks about the many misunderstandings that one has while entering into the spiritual life. He warn us about the so many games we can fall for in name of enlightenment. He clarifies the most important concepts related to the nature of the mind and the ego, how they function and how they are naturally required by life. He invite us to have our own understanding about what we believe we are missing in our lives and start realizing each of us as an unique divine creation. And if you are available, his discourses can also give you some clues where you can connect to life again, but this time having your own understanding that it is possible to relax and celebrate life in whatever situation it is bringing to you. You will understand that life cannot be a misery; life cannot be suffering. Life when deeply understood is just a play and it is absolutely beautiful.

Summary of Stephan Bodian's Wake Up Now Everest Media, 2022-05-02T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was 16 when my mother died in an automobile accident. I struggled to come to terms with the loss, and I found myself losing faith in the benevolent, omniscient God who had guided

and cared for me since childhood. I turned to the world of philosophy to help me deal with my pain. #2 The paradox at the heart of the spiritual journey is that the home I was so desperately seeking, the place I belonged, existed right here and now, inside me. I had been searching for more than 20 years before I found myself. #3 The parable of the prodigal son is a metaphor for the journey of a spiritual practitioner. He leaves his father's home to find some distant treasure, but ends up returning home years later, humbled and grateful for his original inheritance. #4 The paradox of seeking and finding is present in many different traditions. In Zen, it's known as the gateless gate. Until you crack the code and pass through, you can't fully understand the meaning of the great Zen teachings, but all your mental effort inevitably proves fruitless before this enigmatic and impenetrable barrier.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.
