Wait for You J. Lynn, Jennifer L. Armentrout, 2013-04-02 #1 New York Times and USA Today Bestseller “J. Lynn creates a wonderful cast of characters that will make you laugh, swoon, and cry. Cam stole my heart.” —Cora Carmack, New York Times and USA Today bestselling author of *Losing It* Some things are worth waiting for... Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at the Halloween party five years ago--an event that forever changed her life. All she needs to do is make it to her classes on time, make sure the bracelet on her left wrist stays in place, not draw any attention to herself, and maybe—please God—make a few friends, because surely that would be a nice change of pace. The one thing she didn’t need and never planned on was capturing the attention of the one guy who could shatter the precarious future she’s building for herself. Some things are worth experiencing... Cameron Hamilton is six feet and three inches of swoon-worthy hotness, complete with a pair of striking blue eyes and a remarkable ability to make her want things she believed were irrevocably stolen from her. She knows she needs to stay away from him, but Cam is everywhere, with his charm, his witty banter, and that damn dimple.... Getting involved with him is dangerous, but when ignoring their simmering tension becomes impossible, he brings out a side of her she never knew existed. Some things should never be kept quiet... But when Avery starts receiving threatening emails and phone calls—forcing her to face a past she wants silenced—she has no other choice but to acknowledge that she will not be allowed to let go of that night when everything changed. When the devastating truth comes out, can she resurface this time with one less scar? And will Cam be there to help her or will he be dragged down with her? And some things are worth fighting for...

Gods' Games We Play, Vol. 1 (light novel) Kei Sazane, 2022-11-22 In their (overabundance of) free time, the gods grew bored and decided to create challenging battles of wits to spice things up! Their opponent? Humanity! A select few players called “apostles” meet the gods on the spiritual realm’s playing field to beat the deities at their own games. A former god named Leshea has woken after sleeping for thousands of years, and her first demand is to meet “this era’s very best player!” She is introduced to Fay, an acclaimed rookie apostle. Together, they plan to challenge the gods and win the ultimate prize, but no one in human history has managed to clear ten games—because the gods can be capricious, outrageous, and sometimes downright incomprehensible! In the face of absurdity, what can the apostles do but enjoy the contest to its fullest?

Book Girl and the Suicidal Mime (light novel) Mizuki Nomura, 2012-12-18 For self-styled book girl, third-year high school student Tohko Amano, being the head of the literary club is more than just an extracurricular activity with minor perks. It's her bread and butter ... literally! Tohko is actually a literature-gobbling demon, and instead of the less palatable option of water-soaked bread, she opts to munch on torn out pages from all kinds of stories. But for Tohko, the real delicacies are handwritten stories. And to satisfy her gourmet tastes, she's employed (aka. browbeaten) one Konoha Inoue, an underclassman who has retreated from writing novels after his experiences with getting published at an early age. So day in and day out, Konoha scribbles away to satisfy Tohko's appetite. But when, one day, another student comes knocking on the literary club door to seek advice on writing love letters, will Tohko discover a new kind of delicacy to whet her voracious appetite?

The Book Haters' Book Club Gretchen Anthony, 2022-09-13 This sparkling novel starts with high energy and unique characters that move from one surprise to another. —Ann Garvin, USA TODAY bestselling author All it takes is the right book to turn a Book Hater into a Book Lover... That was what Elliot—the beloved co-owner of Over the Rainbow Bookshop—believed before his untimely passing. He always had the perfect book suggestion for the self-proclaimed Book Hater. Now his grief-ridden business partner, Irma, has agreed to sell the cozy Over the Rainbow to condo developers. But others won't give up the bookshop without a fight. When Irma breaks the news to her daughters, Bree and Laney, and Elliot's romantic partner, Thom, they are aghast. Over the Rainbow has been Bree and Laney's sanctuary since childhood, and Thom

would do anything to preserve Elliot's legacy. Together they conspire to save the bookshop, even if it takes some snooping, gossip and minor sabotage. Filled with humor, family hijinks and actual reading recommendations, The Book Haters' Book Club is the ideal feel-good read. It's a love letter to everyday heroes—those booksellers and librarians dedicated to putting the right books in the right hands every day.
