Freida McFadden 3 Book Boxed Set 2 Freida McFadden, 2025-10-21 These women have secrets--and nothing to lose.... Three psychological thrillers. Endless mind games. Dive into three of #1 New York Times and international bestselling Freida McFadden's mind-bending thrillers - *Never Lie*, *Ward D*, and *The Locked Door*. *Never Lie* Newlyweds Tricia and Ethan are searching for the house of their dreams. They think they've found it when they visit the remote manor that once belonged to Dr. Adrienne Hale, a renowned psychiatrist who vanished without a trace years ago. But when a violent winter storm traps them at the estate, the house begins to lose its appeal. Stuck inside and growing restless, Tricia stumbles on a collection of audio transcripts from Dr. Hale's sessions with patients. As Tricia listens to the cassette tapes, she learns about the terrifying chain of events leading up to the doctor's mysterious disappearance. With each tape, another shocking piece of the puzzle falls into place, and a web of lies slowly unravels. But by the time Tricia reaches the final cassette, the one that reveals the entire horrifying story, it will be too late... *Ward D* Ward D is the hospital's mental health unit and as a medical student, Amy is required to gain experience on the floor. But little do her colleagues know it may force her to confront a past she's fought hard to forget. The night starts. The countdown begins. As the hours tick by, Amy grows increasingly convinced something terrible is happening within the ward's tightly secured walls. When patients and staff start to vanish without a trace, it becomes clear that everyone on the unit is in grave danger. Amy never wanted to spend the night on Ward D. Now she might not make it out alive. *The Locked Door* While eleven-year-old Nora Davis was up in her bedroom doing homework, she had no idea her father was killing women in the basement. Until the day the police arrived at their front door. Decades later, Nora's father is spending his life behind bars, and Nora is a successful surgeon with a quiet, solitary existence. Nobody knows about her past, and she'll do anything to keep it that way. Then one of her young female patients is murdered, killed in the same unique and horrific manner that her father used to kill his victims. Somebody knows who Nora is. Somebody wants her to take the fall for this unthinkable crime. But she's not like her father. The police can't pin anything on her. As long as they don't look in her basement...
