Blackmore, Pierre Choderlos de Laclos, Madeleine L'Engle, 2023-12-17 The Love of Romance: 50 Books in One Collection is a breathtaking anthology that examines the profound and varied dimensions of romance through the ages. This collection artfully traverses a range of literary styles, from the foundational dramas of Shakespeare to the penetrating social narratives of Austen and Woolf, illuminating how love and romantic ideals have been interpreted and reimagined across centuries. The anthology's thematic focus on the multifaceted nature of love is vividly captured through a diverse assortment of genres and narrative techniques—be it the gothic tensions of the Brontë sisters or the poignant realism of Tolstoy and Eliot. Standout pieces in this collection invite readers to explore the nuances of romantic aspirations and the societal forces at play. Bringing together monumental literary figures such as Dickens, Stendhal, Hawthorne, and Chopin, this anthology reflects a tapestry of cultural and historical influences that have shaped the romance genre. The authors included in this volume represent a confluence of Enlightenment, Romantic, Victorian, and Modernist impulses that contribute a kaleidoscopic view of romance. Their collective narratives echo a dialogue across time, bridging personal and historical contexts, and offering insights into the shifting paradigms of love and desire within the human experience. The Love of Romance serves as a compelling gateway for readers to dive into fifty exemplary works that capture the depth and complexity of romantic literature. This anthology is not just an assemblage of stories but a narrative journey through time, inviting readers to immerse themselves in the rich dialogue these timeless works foster. Its scholarly and educational appeal makes the collection indispensable for those interested in the evolution of romance as a literary theme and its continued significance in understanding human relationships. Discover a world of romance brought vividly to life in this unparalleled collection. In this enriched edition, we have carefully created added value for your reading experience: - An Introduction draws the threads together, discussing why these diverse authors and texts belong in one collection. - Historical Context explores the cultural and intellectual currents

that shaped these works, offering insight into the shared (or contrasting) eras that influenced each writer. - A combined Synopsis (Selection) briefly outlines the key plots or arguments of the included pieces, helping readers grasp the anthology's overall scope without giving away essential twists. - A collective Analysis highlights common themes, stylistic variations, and significant crossovers in tone and technique, tying together writers from different backgrounds. - Reflection questions encourage readers to compare the different voices and perspectives within the collection, fostering a richer understanding of the overarching conversation.

*Shall We Dance? The True Story of the Couple Who Taught The World to Dance* Douglas Thompson, 2014-10-12 On the eve of the Great War, they had the world at - and watching - their feet. If God is in the details, they were divine. Vernon and Irene Castle were the world's first true celebrity couple. He, an Englishman, was tall and slim, as poised as an elegant evening out, a template for the Hollywood idols who would follow. In a staid age, she, a New Yorker, was a glorious, modern beauty, with her hair cropped into a 'shock', a disdain for crippling corsets, a love of a martini and a good time. Together, they beat the censors and made their vibrant dancing acceptable for all. In the fashionable quarters of New York they opened a dance school and night clubs to which Society flocked. They broke the rules by touring with black musicians, and led the way forward to the Charleston-galloping Gatsby Generation. They enlightened and enchanted from London to Paris to New York, spreading a breathless joy, as though their music had one note, and their dances one step, too many. Launching one racy dance craze after another, they taught the world to dance - and often dress - the way we do today. Adored and acclaimed, they were stars long before the celebrity constellations grew crowded. Yet the whirlwind story of perhaps the most influential dance team ever is also one of tragedy. Their timing, so perfect in everything else, saw Vernon Castle, at the height of their fame, return to England to enlist in the Royal Flying Corps; he saw action as a pilot on the Western Front, winning the Croix de Guerre, while his wife made special appearances to support the Allied war effort. And then, in February 1918, he was killed in a flying accident in Texas, while training American pilots for war. Irene received a last note from him: 'When you receive this letter I shall be gone out of your sweet life. You may be sure that I died with your sweet name on my lips... be brave and don't cry, my angel.' She and many others did cry, for as far as the world was concerned Vernon and Irene Castle could have danced all night, and for ever. The afternoon was already planned; they were going dancing - for those were the great days: Maurice was tangoing in *Over the River*, the Castles were doing a stiffed-leg walk in the third act of the 'Sunshine Girl' - a walk that gave the modern dance a social position and brought the nice girl into the café, thus beginning a profound revolution in American life. The great rich empire was feeling its oats and was out for some not too plebeian, yet not too artistic fun.' - F. Scott Fitzgerald, 'The Perfect Life', one of the Basil and Josephine Stories, first published in the *Saturday Evening Post*, 5 January 1929.

*Book of the Dead* Dean Fetzner, 2012-05-01 Mutilated bodies turning up in London with quotations from long-dead heretic

Giordano Bruno's writing carved into their skins, a young man found overdosed in a warehouse, his right hand missing, a pretender to the vacant throne. With dead bodies accumulating in the morgue, Contractor Jaared Sen -- with his sight restored -- finds himself investigating the source of the quotes, unsure of their place in the murders. Then there's the House, crouching, brooding and dark in a London street, guarding its secrets -- waiting for... something --P. [4] of cover.

When he stops at a house to ask for directions, a woman rushes out and tells him to run. Seconds later, shots are fired.
