**My Reading Life** Pat Conroy, 2010-11-02 Bestselling author Pat Conroy acknowledges the books that have shaped him and celebrates the profound effect reading has had on his life. Pat Conroy, the beloved American storyteller, is a voracious reader. Starting as a childhood passion that bloomed into a life-long companion, reading has been Conroy's portal to the world, both to the farthest corners of the globe and to the deepest chambers of the human soul. His interests range widely, from Milton to Tolkien, Philip Roth to Thucydides, encompassing poetry, history, philosophy, and any mesmerizing tale of his native South. He has for years kept notebooks in which he records words and expressions, over time creating a vast reservoir of playful turns of phrase, dazzling flashes of description, and snippets of delightful sound, all just for his love of language. But for Conroy reading is not simply a pleasure to be enjoyed in off-hours or a source of inspiration for his own writing. It would hardly be an exaggeration to claim that reading has saved his life, and if not his life then surely his sanity. In *My Reading Life*, Conroy revisits a life of reading through an array of wonderful and often surprising anecdotes: sharing the pleasures of the local library's vast cache with his mother when he was a boy, recounting his decades-long relationship with the English teacher who pointed him onto the path of letters, and describing a profoundly influential period he spent in Paris, as well as reflecting on other pivotal people, places, and experiences. His story is a moving and personal one, girded by wisdom and an undeniable honesty. Anyone who not only enjoys the pleasures of reading but also believes in the power of books to shape a life will find here the greatest defense of that credo. **BONUS:** This ebook edition includes an excerpt from Pat Conroy's *The Death of Santini*.

**Justice in the Midlands: How a Local Sheriff Solved a 30-Year Cold Case** Lou Sahadi, 2021 The murder of Ron Little Red Beasley is one of the most bizarre homicide cases in Midlands history. This mystery, with a background of macabre events and colorful characters, remained unsolved since 1967. Beasley's mother was originally ruled a suicide, but his family and his friend Herman Young refused to believe that. When Beasley's wife was convicted of murdering her second husband, they grew even more suspicious. Young went on to become sheriff of Fairfield County and made it his mission to find the truth. Join author Lou Sahadi as he details the gruesome details of a murder, two dramatic court trials and the untiring work of a lawman to find justice for his friend.

*Careless Whispers* Carlton Stowers,2001-01-15 When the bodies of three teenagers were found on the shores of Lake Waco, Texas in July, 1982, even seasoned lawmen were taken aback by the savage mutilation and degradation they had been subjected to. Yet only 52 days after the gruesome triple-murder was discovered, frustrated authorities suspended the case indefinitely. Patrol Sergeant Truman Simons, who had been called to the scene that night, saw the carnage first-hand -- and vowed to find the ferocious killer or killers. He soon became a man with a mission, risking his career and his family's safety in search of evidence. Plunging himself into a netherworld of violence and evil, Simons finally got close enough to a murderous ringleader to hear his careless whispers--and ultimately, put him and his three accomplices behind bars for the brutal slayings. Now, in his Edgar Award-winning account of the Lake Waco killings, acclaimed true crime writer Carlton Stowers lays bare the facts behind the tragic crimes, the twisted predators, and the heroic man who broke the investigation--with important updated information based on new developments in the case.

*Hit on the House* Jon A. Jackson,2000-07-14 Hal Good, a contract killer, is hired to whack Big Sid Sedlacek--a mob heavy who's been on the take. Picked up as a possible witness, Hal switches IDs with a drunk and walks out of jail before Mulheisen can question him. Soon other mob higher-ups begin to meet bloody ends.

**Nature** James Young Simpson,1929 This volume is based upon the sixth series of lectures delivered at Yale University on the Foundation established by the late Dwight H. Terry of Plymouth, Connecticut, through his gift of an endowment fund for

the delivery and subsequent publication of Lectures on Religion in the Light of Science and Philosophy. The deed of gift declares that the object of this Foundation is not the promotion of scientific investigation and discovery, but rather the assimilation and interpretation of that which has been or shall be hereafter discovered, and its application to human welfare, especially by the building of the truths of science and philosophy into the structure of a broadened and purified religion.
