Bertie Plays the Blues Alexander McCall Smith, 2013-10-08 44 SCOTLAND STREET - Book 7 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. If you haven't met the residents of 44 Scotland Street yet, there is no better time, since everyone seems to be in the midst of new beginnings. New parents Matthew and Elspeth must muddle through the difficulties of raising their triplets Rognvald, Tobermory and Fegus—there's normal sleep deprivation, and then there's trying to tell the children apart from one another. Angus and Domenica are newly engaged, and now they must negotiate the complex merger of two households. Domenica is also forced to deal with the return of an old flame, while Big Lou has begun the search for a new one, boldly exploring the new world of online dating and coming up with an Elvis impersonator on the first try. And in Bertie's family, there's a shift in power as his father Stuart starts to stand up to overbearing mother, Irene—and then there's Bertie, who has been thinking that he might want to start over with a new family and so puts himself up for adoption on eBay. With his signature charm and gentle wit Alexander McCall Smith vividly portrays the lives of Edinburgh's most unique and beloved characters.

Love Over Scotland Alexander McCall Smith, 2009-04-03 44 SCOTLAND STREET - Book 3 The residents and neighbors of 44 Scotland Street and the city of Edinburgh come to vivid life in these gently satirical, wonderfully perceptive serial novels, featuring six-year-old Bertie, a remarkably precocious boy—just ask his mother. This just in from Edinburgh: the complicated lives of the denizens of 44 Scotland Street are becoming no simpler. Domenica Macdonald has left for the Malacca Straits to conduct a perilous anthropological study of pirate households. Angus Lordie's dog, Cyril, has been stolen, and is facing an uncertain future wandering the streets. Bertie, the prodigiously talented six-year-old, is still enduring psychotherapy, but his burden is lightened by a junior orchestra's trip to Paris, where he makes some interesting new friends. Back in Edinburgh, there is romance for Pat with a handsome young man called Wolf, until she begins to see the attractions of the more prosaically named Matthew. Teeming with McCall Smith's wonderful wit and charming depictions of Edinburgh, *Love Over Scotland* is another beautiful ode to a city and its people that continue to fascinate this astounding author.
