*Dragon Slayers, Incorporated* Philip Blood,2014-08-22 Dragon Slayers, Incorporated is a California company that specializes in taking on impossible jobs. Their motto is, 'Pay our fee and we will solve your problem, no matter what the job may be.' The problem comes when a strange old man comes to them wanting them to do a job that is truly impossible, but he pays their fee. Their dilemma is simply that they cannot possibly do what he asked, but now they have to take the job anyway. DSI is the story of what happens when the unsuspecting team that the company sends on this crazy job ends up in real fantasy world, driving a Chevy van. They arrive with modern technology, but things immediately start acting oddly. Fortunately for them, they have a fantasy gaming expert with them, but this fantasy world just isn't normal. The novel is a light hearted and fun story; sort of urban fantasy; even if both the people on the DSI team and the fantasy world they end up in are both a little off kilter. Join the DSI team as they take on magic, monsters, evil plots, and strange beings, all while trying to find their way back to Earth. But no matter what, they have a job to do, and Dragon Slayers, Incorporated always delivers!

Little Book of Stupidity Bryan Paul Courtenay,2017-06-22 This book is simply a collection of quotes from people who, for the most part, have no idea whatsoever that they are being funny. They mispronounce words, misuse words, create their own

words, or just say some pretty idiotic things. It is not my intention to make fun of people or make anyone feel stupid...or is it? My personal commentary accompanies each quote, so if this book offends anyone in any way, then I apologize...just kidding!
