## Aurelia Louise Jones

Telos Volume 1 Aurelia Louise Jones, 2014 Telos, channeled spiritual messages from the Earth's Interior. Timely and fascinating messages from the people of the ancient civilization of Lemuria, living in the fifth dimensional city of Telos beneath Mount Shasta, CA. Telos is an ancient Lemurian City of Light that is real and still exists to this day in the physical realm, underneath Mount Shasta. Re-acquaint yourself with Adama, the High Priest of Telos and your eternal father, as he describes the kind of Earthly paradise they have forged for themselves as they raised their consciousness to a fifth dimensional reality. They are the survivors of the lost continent of Mu who perished beneath the waves of the Pacific Ocean over 12,000 years ago. Our Lemurian brothers and sisters of Telos and our former family of ancient times are soon looking forward to coming out, when we are ready, to teach us how to do the same here on the surface. Due to their isolation from the surface population, they have succeeded in creating a civilization of peace and abundance, with no sickness, aging or death. They have mastered immortality in physical expression and they wish to teach us to do the same. Vividly and heroically, Telos delivers a clear understanding of what is required on the surface to create a prosperous society and a healthy environment. The Telosians and many other spiritually advanced civilizations are very real inside the Earth. They are coming forward at this time to inspire us to follow in their footsteps. The return of the Lemurians and their eventual emergence among us is nothing less than the Second Coming that we have been waiting for, for so very long. The Lemurians have long achieved the fullness of the Christ consciousness, and as we are ready to receive them among us, they will teach us how to implement, right here on the surface of this planet, the type of paradise they have forged for themselves in Telos. They will assist us in building a golden age that will manifest the fullness of the Christ consciousness, which is the divinity that has always been there within our hearts. The indwelling Christ of our being becoming tangibly manifested on this planet and in our daily lives.
