

S By Peggy Noonan

Allison M. Prash

The Time of Our Lives Peggy Noonan, 2024-09-24 The New York Times bestseller. An examination of the soul of a politics and a culture from the Pulitzer Prize-winner for Commentary and conservative icon (The National Review). The Time of Our Lives travels the path of Peggy Noonan's remarkable and influential career, beginning with a revealing essay about her motivations as a writer and thinker. It's followed by an address to students at Harvard University on the drafting of President Reagan's speech the day the space shuttle Challenger exploded. Then comes one surprising chapter after the next including: People I Miss —memorable salutes to the likes of Tim Russert, Joan Rivers, Margaret Thatcher, and others. Making Trouble —Peggy's sharpest, funniest and most critical columns about Democrats and Republicans, the idiocracy of government, and Beltway disconnect. I Just Called to Say I Love You —Peggy's most poignant writing capturing the country's grief and recovery in the wake of nine-eleven, and clear-eyed foresight on what lay ahead in terms of war and sacrifice. The Loneliest President Since Nixon —tracking hope and change as it became disillusionment and disappointment with President Obama. And other sections where Peggy discerns the mood of the country (State of the Union), the melodrama of the historic 2008 election (My Beautiful Election), her battles with the Catholic Church (What I Told the Bishops) and lighter meditations on baseball, a snowy afternoon in Brooklyn, and motherhood (Having Fun). Annotated throughout, *The Time of Our Lives* articulates Peggy's conservative vision, demonstrating why she has been awarded the Pulitzer Prize, journalism's highest honor. Bravo, Peggy Noonan. The English historian J. H. Plumb once said that what we need is more 'heart-wise' historians. Heart-wise Noonan certainly is. —David McCullough

A Certain Idea of America Peggy Noonan, 2024-11-19 From Pulitzer-prize winning Wall Street Journal columnist and New York Times bestselling author Peggy Noonan, a masterclass in how to see and love America. For a quarter century, Peggy Noonan has been thinking aloud about America in her much-loved Wall Street Journal column. In this new collection of her essential recent work, Noonan demonstrates the erudition, wisdom and humor that have made her one of America's most admired writers. She calls balls and strikes on the political shenanigans of recent leaders and she honors the integrity of great Americans, ranging from Billy Graham to the heroes of 9/11. A thinker who never allows her tenderness to slip into sentimentality, she writes with clear-eyed urgency about the internal and external dangers facing our republic. She sometimes writes with indignation, but above all she writes with love— and an enduring faith that America can be its best

self, that its ideals are worth protecting, and that beauty and heroism can be found in our neighbors, in our history, and in ourselves. This book is a celebration of what America has been, is, and can be.

Patriotic Grace Peggy Noonan, 2009-10-06 In this long season of searing political attacks and angry partisan passions, Peggy Noonan's Wall Street Journal column has been must reading for thoughtful liberals and conservatives alike. Now she issues an urgent, heartfelt call for all Americans to see each other anew, realize what time it is, and come together to support the next President—whoever he is. Because it is not the threats and challenges we face, but how we face them that defines us as a nation. The terrible events of 9/11 brought us together in a way not seen since World War II. But the stresses and divisions of the Bush years have driven us apart to a point that is unhealthy and destructive. Today, Noonan argues, the national mood is for a change in our politics and it is well past time for politicians to catch up. Americans are tired of the old partisan divisions and the campaign tricks that seek to widen and exploit them. We long for leaders who can summon us to greatness and unity, as they did in the long struggles against fascism and communism. In this timely little book, written in the pamphleteering tradition of Tom Paine's Common Sense, Noonan reminds us that we must face our common challenges together—not by rising above partisanship, but by reaffirming what it means to be American.

The Time of Our Lives Peggy Noonan, 2017-04-18 The 2017 Pulitzer Prize Winner for Commentary and conservative icon Peggy Noonan offers her most insightful work, including her Wall Street Journal columns about the 2016 Election New York Times bestseller *The Time of Our Lives* travels the path of Peggy Noonan's remarkable and influential career, beginning with a revealing essay about her motivations as a writer and thinker. It's followed by an address to students at Harvard University on the drafting of President Reagan's speech the day the space shuttle Challenger exploded. Then comes one surprising chapter after the next including: *People I Miss* - memorable salutes to the likes of Tim Russert, Joan Rivers, Margaret Thatcher, and others. *Making Trouble* - Peggy's sharpest, funniest and most critical columns about Democrats and Republicans, the idiocracy of government, and Beltway disconnect. *I Just Called to Say I Love You* - Peggy's most poignant writing capturing the country's grief and recovery in the wake of 9-11, and clear-eyed foresight on what lay ahead in terms of war and sacrifice. *The Loneliest President Since Nixon* - tracking hope and change as it became disillusionment and disappointment with President Obama. And other sections where Peggy discerns the mood of the country (*State of the Union*), the melodrama of the historic 2008 election (*My Beautiful Election*), her battles with the Catholic Church (*What I Told the Bishops*) and lighter meditations on baseball, a snowy afternoon in Brooklyn, and motherhood (*Having Fun*). Annotated throughout, *The Time of Our Lives* articulates Peggy's conservative vision, demonstrating why she has been awarded the Pulitzer Prize, journalism's highest honor.

A Heart, a Cross, and a Flag Peggy Noonan, 2004-09-02 Now in paperback comes Noonan's acclaimed collection of Wall Street Journal commentaries on the grief, fear, outrage, and determination of Americans in the wake of September 11,

2001.

The Supreme Court of the United States United States. Congress. Senate. Committee on the Judiciary, 1977

New York Magazine ,1994-05-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

On Speaking Well Peggy Noonan,1999-02-17 For anyone who fears the thought of writing and giving a speech--be it to business associates, or at a wedding--help is at hand. Acclaimed presidential speechwriter Peggy Noonan shares her secrets to becoming a confidence, persuasive speaker demystifying topics including: Finding you own authentic voice Developing a text that interest you Acing the all-important first paragraph Using logic to move your audience Creating, developing, and reinventing the core speech for diverse audiences Strengthening your speech with a vital element: humor Winnowing your thought down to the essentials Handling professional jargon, clichés, and the sound bite syndrome Presenting your speech in the best way Collecting intellectual income--conversing your speech treasures Breaking all the rules and still succeeding Reading for inspiration--how to use the excellence of others Complete with lessons, tips and memorable examples, *On Speaking Well* shows us how to create forceful, persuasive, relevant speeches that will resonate with our audiences. Engaging, informative, and always entertaining, this is undoubtedly the authoritative how-to guide for anyone writing or giving a speech

Politics Hendrik Hertzberg,2005 An analysis of American politics from the presidency of Johnson to the present is arranged in such themes as campaigns, the media, and wars, in a volume that draws on the author's work as a winner of the National Magazine Award for General Excellence to illuminate particular events in modern history. Reprint.

Listen, Yankee! Tom Hayden,2015-04-14 Based on unprecedented access to both Cuban and American officials, a book that offers fresh insight into one of history's most enigmatic relationships between nation-states—from one of America's best-known voices of political and social activism. *Listen, Yankee!* offers an account of Cuban politics from Tom Hayden's unique position as an observer of Cuba and as a US revolutionary student leader whose efforts to mobilize political change in the US mirrored the radical transformation simultaneously going on in Cuba. Chapters are devoted to the writings of Che Guevara, Régis Debray, and C. Wright Mills; the Cuban missile crisis; the Weather Underground; the assassination of JFK; the strong historical links between Cuba and Africa; the Carter era; the Clinton era; the Cuban Five; Elián González; and the December 17, 2014 declaration of normalization by presidents Obama and Castro. Hayden puts the present moment into historical context, and shows how we're finally finding common ground to the advantage of Cubans and Americans alike.

The World Is Our Stage Allison M. Prasch, 2023-02-08 A fresh account of the US presidential rhetoric embodied in Cold War international travel. Crowds swarm when US presidents travel abroad, though many never hear their voices. The presidential body, moving from one secured location to another, communicates as much or more to these audiences than the texts of their speeches. In *The World is Our Stage*, Allison M. Prasch considers how presidential appearances overseas broadcast American superiority during the Cold War. Drawing on extensive archival research, Prasch examines five foundational moments in the development of what she calls the “global rhetorical presidency:” Truman at Potsdam, Eisenhower’s “Goodwill Tours,” Kennedy in West Berlin, Nixon in the People’s Republic of China, and Reagan in Normandy. In each case, Prasch reveals how the president’s physical presence defined the boundaries of the “Free World” and elevated the United States as the central actor in Cold War geopolitics.

The Wall Street Journal, 2009

The New York Times Magazine, 2009

Crossword Proper Name Finder John C. Plankinton, 2000 A single-volume source in which to find most of the many, many proper names used by crossword puzzle solvers.

President's Speech C. Edwin Vilade, 2012-10-16 With vivid insight and rousing examples, *The President’s Speech* takes apart America’s most important presidential addresses, phrase by phrase, and examines the pivotal, often familiar, and always potent language that presidents past used to mold public opinion. Author and speechwriter Edwin Vilade provides the framework for each speech, both within the context of its era and also as a point on a timeline of our country’s long history. Starting at George Washington’s Farewell Address and ending with George W. Bush’s Axis of Evil State of the Union speech, Vilade reveals the varied and often conflicting points of view that shaped the final famous words. Color facsimiles show actual edits, deletions, additions, and handwritten notes to illustrate how remarkable and forceful language was crafted, sometimes at the last minute, into enduring words made famous by their timing, context, delivery, and power, from the 1823 Monroe Doctrine to Ronald Reagan’s “tear down that wall, Mr. Gorbachev” speech at Berlin’s Brandenburg Gate, revealing political and social currents that frame these words for modern times.

The New York Times Index, 1928

What I Saw at the Revolution Peggy Noonan, 2003-10-14 On the hundredth anniversary of Ronald Reagan’s birth comes the twentieth-anniversary edition of Peggy Noonan’s critically acclaimed bestseller *What I Saw at the Revolution*, for which she provides a new Preface that demonstrates this book’s timeless relevance. As a special assistant to the president, Noonan worked with Ronald Reagan—and with Vice President George H. W. Bush—on some of their most memorable speeches. Noonan shows us the world behind the words, and her sharp, vivid portraits of President Reagan and a host of Washington’s movers and shakers are rendered in inimitable, witty prose. Her priceless account of what it was like to be a

speechwriter among bureaucrats, and a woman in the last bastion of male power, makes this a Washington memoir that breaks the mold—as spirited, sensitive, and thoughtful as Peggy Noonan herself.
