Kings of Quarantine Caroline Peckham,Susanne Valenti,2022-09-16 Cruel. Heartless. Quarantined.The ruthless boys of Everlake Prep never saw lockdown coming.But the virus isn't their number one enemy.I am. And as if being confined to a boarding school for the elite wasn't bad enough, now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine with the Night Keepers. And everything you own now belongs to them.

The Sorrow and Starlight Caroline Peckham,Susanne Valenti,2025-09-28 All stars must fall. Bloody, lost, broken. We live

to fight another day. But with so much stolen from us, can the fates ever twist in our favour again? My sister and I have been torn apart by shadows and despair, and now we each stand alone. Our sorrow is spun like a web, trapping us tight, and I fear our enemies will soon come to feast upon our souls. But if I have my way, the merciless sky will have dealt us its final fortune. It's time for us to take back the power that's been ripped from our grasp and turn the tide of this war. All stars must fall, and all Phoenixes must rise. Long live the Savage Queens. ***This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride***

Broken Fae Caroline Peckham, Susanne Valenti, 2025-09-04 The stars have torn us apart. Just as we were finding a way to get past our difficulties, my kings and I have been shattered by a twist of fate. And while we're left reeling from the wheel of destiny, our enemies are only growing more powerful. Felix Oscura is haunting Alestria with his bloodthirsty need to steal the power of the clan he was never destined to rule over, and the illusive King is growing closer to taking control of the entire city. With challenges around every corner, and the mysteries behind my brother's death slowly starting to unravel, I don't know if I'll be able to overcome the will of the stars before it's too late...

Beyond The Veil Caroline Peckham, Susanne Valenti, 2025-09-28 The stars called us. The Veil closed at our backs. And now death holds us in its clutches. We were torn from life before our time, a Savage King, his queen, a betrayed son, a wronged brother, a scorned wife and so many more. We watch those we left behind as they struggle against the grip of the stars, the answers to so many of their questions within our grasp and yet out of their reach. But what if we could find a way to answer their pleas? What if we could find a way to help them from this side of the divide? And what price would such a thing come at? ***This is a bridging book which takes place beyond The Veil (in the land of the dead) during the events of book 8 in the Zodiac Academy series. It should be read after book 8 to avoid spoilers for that book and holds the answer to what takes place for the characters who are held within the clutches of death by this point in the story, as well as vital clues to the conclusion of this epic series***

Queen of Quarantine Caroline Peckham, Susanne Valenti, 2022-09-16 Once upon a time I met four monsters and thought the world would come to an end at their hands. But I was a fool. Because I didn't understand the bigger picture. That the enemies I thought I knew would become the reason for my entire existence. My strength. My pain. My life. My love. The big bad wolf has teeth and claws as sharp as iron, and the danger before my eyes is blinding. So blinding that I didn't see the true danger lurking in the dark. But now my eyes are wide open and I see it all. Alone and afraid and running out of time, I'm not afraid of monsters anymore. I'm counting on them to come for me. Because if they don't, this foolish girl might be lost forever in the dark.
