Barbara Demick

Nothing to Envy Barbara Demick, 2010-09-21 NATIONAL BOOK AWARD FINALIST • An eye-opening account of life inside North Korea—a closed world of increasing global importance—hailed as a “tour de force of meticulous reporting” (The New York Review of Books) FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD • FINALIST FOR THE BAILLIE GIFFORD WINNER OF WINNERS AWARD In this landmark addition to the literature of totalitarianism, award-winning journalist Barbara Demick follows the lives of six North Korean citizens over fifteen years—a chaotic period that saw the death of Kim Il-sung, the rise to power of his son Kim Jong-il (the father of Kim Jong-un), and a devastating famine that killed one-fifth of the population. Demick brings to life what it means to be living under the most repressive regime today—an Orwellian world that is by choice not connected to the Internet, where displays of affection are punished, informants are rewarded, and an offhand remark can send a person to the gulag for life. She takes us deep inside the country, beyond the reach of government censors, and through meticulous and sensitive reporting we see her subjects fall in love, raise families, nurture ambitions, and struggle for survival. One by one, we witness their profound, life-altering disillusionment with the government and their realization that, rather than providing them with lives of abundance, their country has betrayed them. Praise for *Nothing to Envy* “Provocative . . . offers extensive evidence of the author’s deep knowledge of this country while keeping its sights firmly on individual stories and human details.”—The New York Times “Deeply moving . . . The personal stories are related with novelistic detail.”—The Wall Street Journal “A tour de force of meticulous reporting.”—The New York Review of Books “Excellent . . . humanizes a downtrodden, long-suffering people whose individual lives, hopes and dreams are so little known abroad.”—San Francisco Chronicle “The narrow boundaries of our knowledge have expanded radically with the publication of *Nothing to Envy*. . . . Elegantly structured and written, [it] is a groundbreaking work of literary nonfiction.”—John Delury, Slate “At times a page-turner, at others an intimate study in totalitarian psychology.”—The Philadelphia Inquirer

Summary of Barbara Demick's *Nothing to Envy* Everest Media, 2022-03-05T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 North Korea is a country that has fallen out of the developed world. The country is covered in darkness, which is something that teenagers love. #2 In the late 1990s, North Koreans would meet in the dark to escape the prying eyes of the authorities. The girl would lead her boyfriend to a hot-spring

resort outside of town, where the grounds were poorly maintained but the trees were still beautiful. #3 When I met Mi-ran, she was a 31-year old woman living in South Korea. She had defected six years earlier. I wanted to know what life was like for defectors in North Korea, so I interviewed her. #4 In 2004, Mi-ran was a kindergarten teacher in a mining town in North Korea. She was working toward a graduate degree in education. She had a dream about her boyfriend, a South Korean civilian military employee, who had married her the previous year.

Nothing to Envy Barbara Demick, 2012 WINNER OF THE 2010 SAMUEL JOHNSON PRIZE FOR NON-FICTION What if the world imagined by George Orwell in Nineteen Eighty-four was real? What if everything around you was black and white except for the red letters on propaganda signs? Where spies like Orwell's Thought Police studied your facial expressions during political rallies to make sure you were sincere in your expressions and your thoughts? If you couldn't turn the dials of your radio away from the government station? In fact, there is such a place: North Korea, the only country not connected to the Internet by choice. Ruled over by a dictator, visible only in carefully controlled images, it's a mysterious, even sinister country. But it's also a place where 22 million people live, work, and dream of a different life. Journalist Barbara Demick spent a decade covering North Korea's strange politics and regulations. Then one day she met a young woman defector, Mi-ran, who told her about growing up there; about the cinema she used to go to when the country still had electricity, and about the teenage romance which blossomed there. Through Mi-ran's story Demick glimpsed another, more human side of North Korea. In *Nothing to Envy*, Demick re-traces the life of Mi-ran and of five other North Koreans, taking us into the heart of an elusive society. We see her subjects fall in love, nurture ambitions, and struggle with survival and betrayal. Their stories form a haunting portrait of a bizarre society and the cost it exacts on its citizens.

Logavina Street Barbara Demick, 2012-04-17 Logavina Street was a microcosm of Sarajevo, a six-block-long history

lesson. For four centuries, it existed as a quiet residential area in a charming city long known for its ethnic and religious tolerance. On this street of 240 families, Muslims and Christians, Serbs and Croats lived easily together, unified by their common identity as Sarajevans. Then the war tore it all apart. As she did in her groundbreaking work about North Korea, *Nothing to Envy*, award-winning journalist Barbara Demick tells the story of the Bosnian War and the brutal and devastating three-and-a-half-year siege of Sarajevo through the lives of ordinary citizens, who struggle with hunger, poverty, sniper fire, and shellings. Logavina Street paints this misunderstood war and its effects in vivid strokes—at once epic and intimate—revealing the heroism, sorrow, resilience, and uncommon faith of its people. With a new Introduction, final chapter, and Epilogue by the author

History's 9 Most Insane Rulers Scott Rank, 2020-05-12 Madness and Power. Can the insane rule? Can insanity be a leadership quality? Scott Rank says yes (well, sometimes) in this fascinating look at nine of history's most notorious rulers, from the Roman emperor Caligula to the North Korean Communist dictator Kim Jong-il. Rank paints intimate portraits of these deeply flawed but powerful men, examining the role that madness played in their lives, the repercussions of their madness on history, and what their madness can tell us about the times in which they lived. In History's 9 Most Insane Rulers, you will meet: • King Charles VI of France, who thought he was made of glass • Sultan Ibrahim I, who was driven mad by the sadistic succession battles of the Ottoman Empire • Caligula, who built temples to himself and whose reign highlighted the lethal tensions between the power of the new Imperial Rome and the prerogatives of the old Roman Republic • The Russian tsar who became known as Ivan "the Terrible" • King George III of Britain, who not only lost his American colonies, but lost his mind as well • Bavaria's "Mad" King Ludwig II, who left the world richer for his fabulous fairy tale castles and his patronage of the composer Richard Wagner Insane rulers did not die off with the last of the mad monarchs who inherited their power. Rank also examines the rise to power of crazed modern rulers, such as Idi Amin, who began as a lowly army cook and rose to the presidency of Uganda, and Saparmurat Niyazov, who ruled Turkmenistan and promoted a bizarre cult of personality around himself. Both entertaining and illuminating, History's 9 Most Insane Rulers is a must-read

for anyone interested in the role insanity has played in history.

Patriotism and the Cross Glenn M. E. Duerr, 2020-12-16 Every follower of Christ has a coterminous sense of citizenship--(s)he is at the same time a citizen of a country (or countries) on earth, but also has a heavenly allegiance through faith in Jesus Christ. How then should Christians live in light of these tensions? What does the Bible teach about issues of nationality, nationalism, and patriotism? Designed around seven chapters, this book investigates the issue of national identity for the follower of Christ. Specifically, this book delves into more than the binary of whether a Christian can be patriotic or not. Or, whether a Christian can be nationalistic or not. What should a Christian do in light of differing political conditions around them because, in this situation, Christians still need to share the gospel and make disciples of all nations? As a result, answers are proffered by the author, based on Old and New Testament examples, on national identity, free trade and supranational groupings, secessionist agitation and independence referendums, as well as transnational linkages that connect followers of Christ around the globe. This book ends with sixteen conclusions on how Christians should live in the modern world with respect to nationalism and patriotism.

Existentialist Themes and Education Rivca Gordon, Haim Gordon, 2012 The existentialists presented a philosophical approach which raised questions and illustrated ideas that addressed the grounds and essence of human existence. Among the questions were those that related to the essences of truth, being, human existence, freedom, and of love. The major purpose of this book, is the attempt to counter the expansive reign of the 'passion for the mediocre'. The authors hold that the widespread acceptance of mediocrity effaces all excellence, degrades everyday human existence, and ruins spiritual life. The manner here of countering mediocrity is to present and carefully think about the thought-provoking questions and enlightening ideas which existentialists brought up and studied. The first section of this book looks at the relevance of three existentialist ideas for life in society. These being beauty, the revolt of the masses, and friendship. In the second section the book brings forth ideas that should enrich educational thought and enhance teaching. The last part addresses learning as a personally enhancing process. Rivca Gordon is an independent scholar who has co-authored six books with Haim Gordon. She has also published articles on existentialist philosophy and existentialist thinking in professional journals.

Ten Years in the Tub Nick Hornby, 2016-04-12 How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?” (Booklist). Nick Hornby has managed to write just such a book in this hilarious, insightful, and infectious volume. *Ten Years in the Tub* chronicles Hornby's journey through a decade's worth of books, as related in his wildly popular *Believer* column “Stuff I've Been Reading.” *Ten Years in the Tub* is a one-way ticket

into the mind of one of the most beloved contemporary writers on his favorite pastime, but it's also a meditation on what Celine Dion can teach us about ourselves, a warning about how John Updike can ruin our sex lives, and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days. This decade-long addiction for many... makes standing in line at the bank a blessed interval for snorting another page.” (the New York Times Book Review)
