El corazón helado Almudena Grandes, 2012-10-16 Una ambiciosa novela que narra a través de dos familias la historia reciente de nuestro país, y también el conflicto de las nuevas generaciones con la memoria. El día de su muerte, Julio Carrión, poderoso hombre de negocios cuya fortuna se remonta a los años del franquismo, deja a sus hijos una sustanciosa herencia pero también muchos puntos oscuros de su pasado y de su experiencia en la Guerra Civil y en la División Azul. En su entierro, en febrero de 2005, su hijo Álvaro, el único que no ha querido dedicarse a los negocios familiares, se sorprende por la presencia de una mujer joven y atractiva, a la que nadie había visto antes y que parece delatar aspectos desconocidos de la vida íntima de su padre. Raquel Fernández Perea, por su parte, hija y nieta de exiliados en Francia, lo sabe en cambio casi todo sobre el pasado de sus progenitores y abuelos, a los que ha preguntado sobre su experiencia de la guerra y del exilio. Para ella sólo una historia permanece sin aclarar: la de una tarde en que acompañó a su abuelo, recién regresado a Madrid, y visitaron a unos desconocidos con los que intuyó que existía una deuda pendiente. Álvaro y Raquel están condenados a encontrarse porque sus respectivas historias familiares, que son también la historia de muchas familias en España, desde la Guerra Civil hasta la Transición, forman parte de sí mismos y explican además sus orígenes, su presente. También porque, sin saberlo, se sentirán atraídos sin remedio.

Memory, War, and Dictatorship in Recent Spanish Fiction by Women Sarah Leggott, 2015-06-10 *Memory, War, and Dictatorship in Recent Spanish Fiction by Women* analyzes five novels by women writers that present women's experiences during and after the Spanish Civil War and Franco dictatorship, highlighting the struggles of female protagonists of different ages to confront an unresolved individual and collective past. It discusses the different narrative models and strategies used in these works and the ways in which they engage with their political and historical context, particularly in the light of campaigns for the so-called recovery of historical memory in Spain (the "memory boom") and in the broader context of memory and trauma studies. The novels that are examined in this book are Dulce Chacón's *La voz dormida* (2002), Rosa Regàs's *Luna lunera* (1999), Josefina Aldecoa's *La fuerza del destino* (1997), Carme Riera's *La mitad del alma* (2005), and Almudena Grandes's *El corazón helado* (2007). These works all highlight the multiple nature of memories and histories and demonstrate the complex ways in which the past impacts on the present. This book also considers the extent to which the memories represented in these five novels are inflected by gender and informed by the gender politics of twentieth-century

and contemporary Spain.

Franquismo S.A. Antonio Maestre, 2025-04-09 En España, como en el resto del mundo, los bienes o deudas económicas se heredan, pero la culpa y la responsabilidad moral, no. La llegada de la democracia a nuestro país supuso un cierre en falso del abismo entre vencedores y víctimas de la Guerra Civil y la represión franquista. En la actualidad la cuestión de la memoria histórica forma parte de nuestro debate público: la polémica sobre El Valle de los Caídos y la exhumación del cadáver del dictador, el cambio de nombre de las calles que homenajearon a criminales franquistas, la apertura de las fosas comunes... Sin embargo, el fondo de la cuestión va más allá: ¿cuál es la responsabilidad moral de las elites que se lucraron al calor del franquismo? ¿Son legítimos los patrimonios transmitidos a sus herederos? Ilustres nombres de la oligarquía empresarial y política que se enriquecieron con la represión, la corrupción o las íntimas relaciones con la dictadura franquista siguen ocupando hoy cargos de responsabilidad en consejos de administración, administraciones públicas o fundaciones de todo tipo sin que la sociedad exija una sanción o una compensación. En **Franquismo S.A.** Antonio Maestre nos obliga a realizar una revisión crítica de la historia empresarial de las grandes sagas familiares que componen las elites de este país. Porque la mayor resistencia a la reparación histórica no es cultural, política o moral. Es económica. Incluye nuevo Prólogo: La alianza imperturbable entre capital y fascismo.

¿Qué fue de la niña bonita? La experiencia republicana en la narrativa (1937-2021) Rebeca Rodríguez Hoz, 2023-10-03 La obra que aquí se presenta aborda el estudio de la II República española a través de un acercamiento a los discursos novelados sobre la experiencia republicana pergeñados desde la guerra civil hasta nuestros días. Su propósito es indagar el papel desempeñado por la narrativa y la historiografía literaria en la configuración del significado de la primera democracia española y, con él, de nuestro presente. Se trata de ofrecer una visión panorámica de la evolución de un denso, «hojaldrado» y casi secular «conflicto de interpretaciones», por medio del análisis de un mosaico de historias de la II República que contribuya a la mejor comprensión de los discursos sobre la II República en la historia. Esta Historia de las historias de la II República examina la dialéctica entre las, a su vez, internamente plurales, historias filorrepublicanas y antirrepublicanas de la II República. Y analiza las grandes controversias sostenidas en el seno de la historiografía literaria en torno a la definición del lugar de los «cuatro puntos cardinales» de la historia española reciente -la II República, el franquismo, el exilio y la transición- en la construcción de la modernidad política y cultural. Pretende dar cuenta de los usos políticos subyacentes a dichos discursos y los marcos interpretativos en los que se han ido codificando las pugnas por la hegemonía librada entre las diversas corrientes ideológicas y estéticas que han contribuido a la producción y acumulación de sentido sobre la II República en los sucesivos contextos históricos que han dado forma a su vida posterior.

La Guerra Civil española, una visión bibliográfica VV. AA., 2017-03-14 La bibliografía sobre la Guerra Civil no ha cesado de aumentar, ni dentro ni fuera de España. Esta tendencia se observa desde hace varios años y nada hace pensar que vaya a

disminuir en los próximos. En 2016 el número de publicaciones se habrá incrementado, pues no en vano se cumple el octogésimo aniversario del comienzo del conflicto. Los años entre 2016 y 2019 se perfilan como un período en el que los interesados en lo que parece ser un tema inagotable centrarán una parte sustancial de sus investigaciones. Y esto con independencia de que el mercado no siempre se muestre tan acogedor como antes de la larga crisis económica que sufre, entre otros países, España. Este libro no trata de hacer un inventario más o menos completo de todo lo editado sobre la Guerra Civil, eso hubiera sido una tarea quimérica. Es imposible que transcurra una semana sin que se publique algún libro y no es infrecuente que aparezcan varios. Se trata de ofrecer a los lectores una orientación valorativa. Los autores han tenido total libertad para seleccionar aquellos títulos que han querido comentar y para descartar los que no les han parecido tan interesantes o que, por cualesquiera otras razones, no han deseado incluir. Hay títulos que, siendo susceptibles de enfoques varios, aparecen no en uno sino en varios artículos. No lo hemos impedido, y sí alentado, porque implícitamente con ello ofrecemos al lector dos o más formas de enfocar un mismo libro.

Lo que anduve y dejé a los márgenes. Tomo II Agustín Molleda Pardo, 2013-10-27 Tras concluir los caminos jacobinos Francés y Vía de la Plata y la Ruta Cidiana sin alcanzar el objetivo inicialmente previsto, el ya ex Juez Jaime Sangrador, intoxicado de amor, sobrepasa sus previsiones y pone rumbo a Lisboa para un nuevo viaje. Lía, su antigua Secretaria Judicial, mujer extraña y celosa, le confirmará el cruel asesinato de Amira. Con el corazón en llamas y el cuerpo lleno de ralladuras y brozas de hierba, decide continuar. Elisa, la esposa de Jaime, prolongará su agonía temiendo que su marido sea pasto de un horrible final. Rebeca y José Luis, amigos inseparables a pesar de la traición, terriblemente afectados por el vil fallecimiento de Amira, iniciarán juntos una nueva vida. Este último seguirá recibiendo las crónicas viajeras de su amigo del alma y en su mente cobrará fuerza la idea de convertirlo en el primer sospechoso de la muerte de su hija. Entre tanta desgracia, las jóvenes lesbianas Amalia y Alba surgirán en el cielo de León como dos nuevas estrellas, fascinando al resto de los mortales por su determinación, arrojo y belleza. Pese al qué dirán, no renunciarán a amarse y a disfrutar de los placeres del sexo. El policía Velardes continuará dando muestras de su incapacidad y le resultará muy difícil demostrar que no existe el crimen perfecto. Jaime y Amira, transformados ambos en flor de estercolero, se reunirán para siempre en un lugar del que jamás podrán regresar.

Memoria y novela. La narrativa de Antonio Soler Zou Ping, 2017-07-10 La Tesis Doctoral está compuesta por una parte teórica sobre las relaciones intrínsecas entre la memoria y la narrativa, y un estudio crítico dedicado a las novelas de Antonio Soler, donde la memoria es tanto sustento fundamental como componente inseparable. Presenta la biografía del autor y ofrece un estado de la cuestión de los estudios de sus obras. Analiza los sujetos de la memoria, la representación de la misma y, las funciones de la memoria autobiográfica involuntaria. Constituye una nueva mirada a las narrativas hechas de memorias, que no solo resultan significativas literariamente, sino también históricamente y culturalmente.

La narrativa polifónica de Almudena Grandes y Lucía Etxebarria Elena Garcia Torres, 2008 Examines the works and literary careers of two of Spain's most commercially successful contemporary female authors: Almudena Grandes (Madrid, 1960-) and Lucia Etxebarria (Valencia, 1966-). This study analyzes how the values inscribed in the author's literary universes highlight the ambiguous fragility of constructions of identity and gender.

Gender and Memory in the Postmillennial Novels of Almudena Grandes Lorraine Ryan, 2021-04-22 Almudena Grandes is one of Spain's foremost women's writers, having sold over 1.1 million copies of her episodios de una guerra interminable, her six-volume series that ranges from the Spanish Civil War to the democratic period; the myriad prizes awarded to her, 18 in total, confirm her pre-eminence. This book situates Grandes's novels within gendered, philosophical, and mnemonic theoretical concepts that illuminate hidden dimensions of her much-studied work. Lorraine Ryan considers and expands on existing critical work on Grandes's oeuvre, proposing new avenues of interpretation and understanding. She seeks to debunk the arguments of those who portray Grandes as the proponent of a sectarian, eminently biased Republican memory by analysing the wide variety of gender and perpetrator memories that proliferate in her work. The intersection of perpetrator memory with masculinity, ecocriticism, medical ethics and the child's perspectives confirms Grandes' nuanced engagement with Spanish memory culture. Departing from a philosophical basis, Ryan reconfigures the Republican victim in the novels as a vulnerable subject who attempts to flourish, thus refuting the current critical opinion of the victim as overly-empowered. The new perspectives produced in this monograph do not aim to suggest that Grandes is an advocate of perpetrator memory; rather, it suggests that Grandes is committed to a more pluralistic idea of memory culture, whereby her novels generate understanding of multiple victim, perpetrator and gender memories, an analysis that produces new and meaningful engagements with these novels. Thus, Ryan contends that Grandes's historical novels are infinitely more complex and nuanced than heretofore conceived.

Los besos en el pan Almudena Grandes, 2015-11-05 Hay que ser muy valiente para pedir ayuda, pero hay que ser todavía más valiente para aceptarla. Los besos en el pan, una conmovedora novela sobre nuestro presente. ¿Qué puede llegar a ocurrirles a los vecinos de un barrio cualquiera en estos tiempos difíciles? ¿Cómo resisten, en pleno ojo del huracán, parejas y personas solas, padres e hijos, jóvenes y ancianos, los embates de una crisis que «amenazó con volverlo todo del revés y aún no lo ha conseguido»? Los besos en el pan cuenta, de manera sutil y conmovedora, cómo transcurre la vida de una familia que vuelve de vacaciones decidida a que su rutina no cambie, pero también la de un recién divorciado al que se oye sollozar tras un tabique, la de una abuela que pone el árbol de Navidad antes de tiempo para animar a los suyos, la de una mujer que decide reinventarse y volver al campo para vivir de las tierras que alimentaron a sus antepasados... En la

peluquería, en el bar, en las oficinas o en el centro de salud, muchos vecinos, protagonistas de esta delicada novela coral, vivirán momentos agrídulces de una solidaridad inesperada, de indignación y de rabia, pero también de ternura y tesón. Y aprenderán por qué sus abuelos les enseñaron, cuando eran niños, a besar el pan.
