

El Sueo De Juncal

SJ Ball

Cuando llega el amor Pilar Piñero, 2020-05-14 La amistad es uno de los lazos más fuertes que puede unir a las personas. Risas, llantos, ataques de histeria, pasión, cartas, café, bailes mojabragas, mentiras y secretos, son los componentes de esta historia de amor y amistad. Tres mujeres fuertes, inteligentes, viscerales, independientes y un poco locas comparten una preciosa amistad. Juncal, es valiente, sincera hasta decir basta y un pelín dada a lanzar por los aires todo lo que tenga a mano cuando se enfada. Juno, con una coraza que parece inquebrantable, es en realidad la más débil de las tres, y el cariño de su madre y sus amigas es lo único que equilibra su vida. Dámaris es amor en estado puro y la inocencia personificada; lo más importante para ella es ser madre, hija y amiga. Darek, Piero y Mike comparten una amistad forjada en la adversidad y fortalecida a lo largo de los años por un secreto que condicionará sus vidas. Viven el amor con miedo, pero cuando Juncal, Juno y Dámaris se cansen de esperar y tomen las riendas de sus vidas, no podrán resistirse a ellas, abriendo así las puertas del pasado. ¿Conseguirán ellas los objetivos marcados a tragos de chupito? ¿Se atreverán ellos a vivir la vida que tanto ansían a riesgo de perjudicar de manera fatal a las tres locas que han puesto su mundo y el Starten patas arriba? El destino tiene preparado para todos ellos situaciones que nunca imaginaron.

El Génesis, precedido de una introducción al Pentatenco Lino Murillo, 1914

Harry y yo Sebastián García Posse, 2020-08-31 Un chico de diez años encuentra, en la mesa de luz de su padre, una carta. Esas palabras, leídas en el desamparo de lo que no se llega a comprender pero ya se sabe, serán la carga que hará estallar, años después, todas las palabras. Mediante el monólogo interior de tres personajes en tiempos distintos, esta novela desnuda con crudeza la figura de un hombre que ya no es. El padre invencible, el amigo de fierro, el galán arrollador. A través de un relato punzante, riguroso y sin cuartel, el hijo reconstruye la figura del padre amado y admirado —deportista, compinche, heroico—, y lo pone de pie tras la caída del ídolo. Del otro lado, entre la culpa y el desconcierto, el abandono autoinfligido y la melancolía, el padre vive su destierro en una sobrevida agónica, un largo suicidio silencioso. En este notable cruce de voces —abatida y terminal la del padre, imperiosa e iniciática la del hijo—, una tercera voz, la del amigo, introduce nuevas coordenadas en la historia. Un caleidoscopio que muda paisajes, arma y desarma, a contraluz, pasado más presente más futuro. Con coraje y destreza narrativa, poniendo la lupa en esos gestos nimios de la vida, Sebastián García Posse teje una trama tan introspectiva como torrencial, un lúcido concierto de puntos de vista donde convergen milagros y miserias. El

barrio de pueblo, la gran ciudad, la ruta que une y separa son el territorio de una memoria común. Un retrato de familia hecho trizas cuyos pedazos restituyen, a duras penas, esa fotografía familiar malograda. De esa peregrinación por las ruinas de la infancia y la adolescencia, la voz que surge ahora es la del hombre en el que aquel chico se ha convertido. Con el trasfondo de los noventa y las secuelas de la Argentina post-2001, Harry y yo indaga en la fortaleza y en la fragilidad de los vínculos, en la nostalgia de los años dorados y en los fantasmas de toda historia familiar. Un relato cáustico, cercano y entrañable sobre los avatares de la vida doméstica, sobre los lazos que nos atan y separan, irremediabilmente, de quienes amamos.

Papelón Robert H Wright, 2007-06 Argentina pretends to be governed as a democracy, a federal republic presided over by a president with legislative powers residing in a senate and a chamber of deputies. Supposedly, the law of the land is their constitution of 1853, a noble document emulating the ideals of the constitution of the United States of America. Constitutional documents notwithstanding, historical records suggest that something other than a democratic form of government is practiced there. For recent examples, take note that Ramon S. Castillo acceded to the presidency during 1942 when the incumbent, Presidente Roberto M. Ortiz, was compelled to give up the office due to ill health. Scarcely one year later, General Arturo Rawson removed Presidente Castillo from office. Subsequently, Rawson himself was forced out and the presidency passed to General Pedro Ramírez. Ramírez was ousted by a coup d'état in 1943 and was replaced by a junta from which Coronel Juan Domingo Perón ultimately rose to power. Perón was actually elected to the presidency three times: first, in 1946, and again in 1952; his turn to walk the plank did not come until three years later when he was deposed by the military and General Eduardo Lonardi took charge as provisional president. [Beyond the time span of our story, Perón returned to Argentina from exile in Spain in 1973 and was again elected to the presidency that same year; he died in office during 1974.] Less than two months from Perón being deposed by General Lonardi in 1955, Lonardi was shoved aside by General Pedro Eugenio Aramburu. Most recently, Arturo Frondizi succeeded Aramburu by winning the general election of 1958. Like so, the political cycles in the history of this democracy continue. The cycles always begin with the army taking over and always end or begin once again with the army taking over, it all having more or less first begun with General Juan Manuel de Rosas way back in 1829. Carlos Eduardo Pagano had always had three great passions: his beloved country, Argentina; his passion for technology; and his love for his childhood companion, Juan Ricardo Belén. As circumstance and happenstance would have it, two of these passions are violently wrested from Carlos's life when opposing political ambitions lead to bickering within the Argentine army and the result becomes the tragic death of Carlos's friend plus the destruction of the huge electrical power plant where Carlos was employed. Thus, in the political turmoil of Buenos Aires during 1962, an apolitical Carlos is unwillingly drawn into political activism to avenge the death of his best friend; and, as young love has just begun to blossom, the brash and beautiful Lucía Beatriz Blanco will not be denied playing a role at his side. Their strategy

becomes to persuade the body politic to consent to a national referendum for eliminating Argentina's armed forces and this in a nation where the military has always ruled with jackboot tactics. Carlos and Lucía become lovers as well as the conscience of Argentina as they orchestrate a quixotic effort that places them squarely on the path of the steamroller that is Argentina's autistic military establishment.

La Nueva Atlántida Julio Herrera y Reissig, 1907

The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture Rodrigo Cacho Casal, Caroline Egan, 2022-05-01 The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture introduces the intellectual and artistic breadth of early modern Spain from a range of disciplinary and critical perspectives. Spanning the sixteenth and seventeenth centuries (a period traditionally known as the Golden Age), the volume examines topics including political and scientific culture, literary and artistic innovations, and religious and social identities and institutions in transformation. The 36 chapters of the volume include both expert overviews of key topics and figures from the period as well as new approaches to understudied questions and materials. This invaluable resource will be of interest to advanced students and scholars in Hispanic studies, as well as Renaissance and early modern studies more generally.
