*Him* Sarina Bowen, Elle Kennedy, 2015-08 They don't play for the same team. Or do they? Jamie Canning has never been able to figure out how he lost his closest friend. Four years ago, his tattooed, wise-cracking, rule-breaking roommate cut him off without an explanation. So what if things got a little weird on the last night of hockey camp the summer they were eighteen? It was just a little drunken foolishness. Nobody died. Ryan Wesley's biggest regret is coaxing his very straight friend into a bet that pushed the boundaries of their relationship. Now, with their college teams set to face off at the national championship, he'll finally get a chance to apologize. But all it takes is one look at his longtime crush, and the ache is stronger than ever. Jamie has waited a long time for answers, but walks away with only more questions—can one night of sex ruin a friendship? If not, how about six more weeks of it? When Wesley turns up to coach alongside Jamie for one more hot summer at camp, Jamie has a few things to discover about his old friend...and a big one to learn about himself. Warning: contains sexual situations, skinny-dipping, shenanigans in an SUV and proof that coming out to your family on social media is a dicey proposition.

I'm ridiculously attracted to you, Hottie. I figured I should be up front about that. Shut up and kiss me again, Snipes. Hailey Taylor Emery has a hunch that Sniper87, her favorite client at Fetch—the anonymous virtual assistant service she runs with her ex-husband—is actually gorgeous hockey superstar Matt Eriksson. It's against the rules to check his file, but she's pretty sure she spends every day texting her lifelong crush and catering to his every need. Still processing her recent divorce, Hailey is perfectly content for this to be nothing but harmless online flirting...until Sniper87 wants to meet her. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his own marriage, and it sucks to be the only guy on his team who knows the truth: that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel worthless. The only person in his life who seems to understand is someone who won't show her pretty face: the mysterious HTE, aka Hottie. Surely, though, it's nothing a pair of fourth row hockey seats can't fix. Superfan Hailey can't resist the offer, and Matt can't resist Hailey. But when the phone screens come

down, can they get past their baggage long enough to build something real?

The Year We Fell Down Sarina Bowen, 2014-03-24 My whole life changed in the blink of an eye. I was supposed to start college on the Harkness Women's hockey team. Now I'm showing up in a wheelchair instead. There's only one person who understands. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley. He's a hockey player too, but his leg is broken in two places. We bond over broken elevators and video games. We're just friends, of course, until one night when things fall apart. Or fall together. All I know is that I'm falling. Hard. But can Hartley love someone as broken as me? His deep brown eyes hold their own demons. While my troubles are visible for everyone to see, his are hidden deep inside... If you love charming hockey player heroes and friends-to-lovers match-ups, download The Year We Fell Down today! . *The Understatement of the Year* Sarina Bowen, 2022-10-21 What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual orientation from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the

media has latched onto the story of the only out player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the Understatement of the Year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.
