HOW MUCH IS YOUTH WORTH? Rosie Nguyen, *HOW MUCH IS YOUTH WORTH?* Part 1: How did I learn? IF I WAS TWENTY The good habits we form as a child do not make a small difference, rather, they make all the difference. (Aristotle) I do not know how many times I hear young people around him grieving, bored, tell no know what to do. And then do not know

what to do, we kill the time with the little pleasures, Rong played through the month, sleeping lazy or immersed in love. But when I went through the end of the Twenties, I was in the thirty threshold, looking back I was sorry. Seeing now life has so many opportunities, many things to do, many things to learn, I don't have enough time for you. Thinking if I know these things when I go to school, when I was young, surely my life would be different, I would be less of a lot of things. Who has gone through the old and the little children know how much. The one-off time is not returning. The most valuable thing that young age has is time, but a lot of young people do not know what is useful with their time. In fact, there are many things to do, when people are young.
