**Doug Johnstone**

**The Invitation** Lucy Foley, 2016-08-02 From the author of the New York Times bestsellers *The Paris Apartment* and *The Guest List*, an evocative love story set along the Italian Riviera about a group of charismatic stars who all have secrets and pasts they try desperately — and dangerously — to hide. Rome, 1953: Hal, an itinerant journalist flailing in the post-war darkness, has come to the Eternal City to lose himself and to seek absolution for the thing that haunts him. One evening he finds himself on the steps of a palazzo, walking into a world of privilege and light. Here, on a rooftop above the city, he meets the mysterious Stella. Hal and Stella are from different worlds, but their connection is magnetic. Together, they escape the crowded party and imagine a different life, even if it's just for a night. Yet Stella vanishes all too quickly, and Hal is certain their paths won't cross again. But a year later they are unexpectedly thrown together, after Hal receives an invitation he cannot resist. An Italian Contessa asks him to assist on a trip of a lifetime -- acting as a reporter on a tremendous yacht, skimming its way along the Italian coast toward Cannes film festival, the most famous artists and movie stars of the day gathered to promote a new film. Of all the luminaries aboard — an Italian ingénue, an American star, a reclusive director — only one holds Hal in thrall: Stella. And while each has a past that belies the gilded surface, Stella has the most to hide. As Hal's obsession with Stella grows, he becomes determined to bring back the girl she once was, the girl who's been confined to history. An irresistibly entertaining and atmospheric novel set in some of the world's most glamorous locales, *The Invitation* is a sultry love story about the ways in which the secrets of the past stay with us — no matter how much we try to escape them.

*The Firefly* Lucy Foley, 2016-06-20 'The perfect summer read... Gorgeously compelling' Good Housekeeping 'Full of mystery and long-reaching shadows of the past . . . richly drawn and compelling' Rosanna Ley Rome, 1950s. One fateful night, Hal Jacobs meets Stella, a beautiful society darling from New York. To Hal, flailing in the post-war darkness, she's a point of light. They're from different worlds, but both trying and failing to carve out a new life. Stella vanishes all too quickly, until a curious invitation from an Italian Contessa reels her back into Hal's world. They join the Contessa's collection of luminaries on a yacht headed for Cannes film festival. The scene on board is a fiction - scars from the war can be hidden yet not healed. Everyone is hiding a dark history, but Stella's secrets run the deepest. Compelled by her fragile beauty, Hal is determined to bring back the girl she once was, the girl who's been confined to history. *The Invitation* is an epic love story

that will transport you from the glamour of the Italian Riviera, to the darkness of war-torn Spain, and to a golden - if rather haunted - time. Perfect for fans of Kate Morton and Victoria Hislop.

**Lyoness** Penelope Skinner, 2023-11-09 What I'm asking is, is she a sympathetic heroine? Are we going to be on her side? Elaine, a once-famous actress who disappeared thirty years ago in mysterious circumstances, is ready to tell her story. She summons Kate, a young film executive, to her remote Cornish home to assist with her glorious comeback. But to keep control of the story, and how they tell it, the women must fight against a rising tide. Winner of the Hoyer and Gof Award, Drama, for books that add to the knowledge, enjoyment and appreciation of Cornish life, literature or culture. Gone Again Doug Johnstone, 2013-02-26 'It's just to say that no-one has come to pick Nathan up from school, and we were wondering if there was a problem of some kind?' As Mark Douglas photographs a pod of whales stranded in the waters off Edinburgh's Portobello Beach, he is called by his son's school: his wife, Lauren, hasn't turned up to collect their son. Calm at

first, Mark collects Nathan and takes him home but as the hours slowly crawl by he increasingly starts to worry. With brilliantly controlled reveals, we learn some of the painful secrets of the couple's shared past, not least that it isn't the first time Lauren has disappeared. And as Mark struggles to care for his son and shield him from the truth of what's going on, the police seem dangerously short of leads. That is, until a shocking discovery...

By the next evening only twelve are still alive. Amongst them is a killer - but who? As a storm traps them on the island and past betrayals and grievances are revealed, nerves fray and friendships begin to fracture.
